ere key to any wins

the four years from  
1975-78.

It is disappointing  
that the football manage-  
ment lacks the class of  
the other sports on  
campus.

Dear Editor:  
I would like to express  
my thanks to Gerald  
McKenna and Sharon Timmons  
for the time and effort  
they put into Fall Fest 78  
as co-chairmen.

My friends and I  
attended most of the events  
and had a great time.

Thanks again!

Dear Editor:  
It has been called to  
my attention that some  
of the UPEI sporting  
events have been carried  
on cable TV. In view  
of the controversy that  
has surrounded such piracy  
in other metropolitan  
high density areas in the  
recent past, I feel that  
further evaluation and  
appraisal is in order.

At the last home foot-  
ball game I noticed that  
attendance was down  
considerably, perhaps  
due to the increased  
cable TV audience, as  
indicated in the latest  
Nielsen ratings. I  
suggest that all games  
(football, hockey, basket-  
ball, etc.) that are  
carried on cable TV should  
be blacked out in the  
Charlottetown and Sherwood  
areas. At game time, if  
a sold out house is  
indicated at either  
MacAdam Field, Alumni  
Gymnasium or the  
Charlottetown Forum, the

blackout could be lifted.  
If not, the game could be  
telecast only to Mountain  
and Coastal regions.

The "Cable TV Contro-  
versy" is a problem which  
is second only to the  
state of the Canadian  
dollar and to the  
constitutional crisis in  
Canada today. I trust  
that this inquiry will  
elevate this serious  
issue to the prominence  
it deserves.

Yours truly,  
Michael Roche

Dear Students:  
I would like to comment  
on the present state of  
affairs in Blanchard  
Hall. Each resident,  
living in Blanchard, pays  
\$391 for an apartment with  
a double bedroom for  
September through December.

If a student requires a  
single bedroom there is  
an additional charge of  
\$75.00. On top of all  
that, there is a caution  
fee and key deposit that  
amounts to \$65.00. There-  
fore if there are four  
people in an apartment,  
the University is raking  
in approximately \$425.00  
per month per apartment.  
Quite a nice amount, is  
it not?

The other night a  
bathroom sink literally  
FELL off the bathroom  
wall in one apartment and  
consequently broke the  
hot water pipe. Luckily  
the resident was not  
scalded but the apartment  
was damaged and a flood  
resulted in that section  
of the second floor.

I would like to know  
why these apartments are  
not in proper working  
order before students are  
allowed to move in. Holes  
in doors and walls, broken

desk lamps, all these  
complaints have been  
registered with the Dons  
of Blanchard during the  
first few weeks of Sept-  
ember. Granted these  
malfunctions are presently  
being attended to, but  
why couldn't all these  
damages be fixed before  
September?

Well, students of  
Blanchard Hall, I guess  
we can console ourselves  
with thoughts of what  
expectations can we have  
of living accommodations  
that charge the SMALL  
SUM of \$425.00 per month  
for four students.

Katie

P.S. Why aren't some of  
our residence fees used  
to buy new carpets in the  
hallways? (The old ones  
are gross!) Or to  
refurnish the rooms?????

The Fish telephone line  
is no longer open on  
Sundays, because of short-  
age of volunteers. The  
organization would like to  
hear from those interested  
in helping - either in  
telephone work, friendly  
visiting, transportation,  
errands for shut-ins, etc.  
**IMMEDIATELY, PLEASE!** The  
fall training program is  
getting underway; if you  
put off calling it will  
be too late. The next  
training for volunteers  
will not be until next  
spring.

The number to call to  
volunteer is 894-3474,  
or write to P.O. Box  
1712, Charlottetown.

A few corrections from  
last week's article on  
"Fish" - the Sign of the  
Fish began in 1972, in  
Charlottetown, not 1974  
as was stated.
