They've Kept Pace

DESPITE the almost continuous rains the first two weeks in July, The City Baseball League and The City Softball League have managed to keep up with their scheduled obligations.

The softballers went into their playoffs last evening right on the appointed night and the baseball boys squared their schedule by playing the only postponed game left on the agenda.

This is a ral credit to both loops. It shows that they were not letting things get into a real jumble. For a time it appeared as though they'd be lucky to get things evened up by September but they stuck at their job and played every evening that the rains didn't come down too hard.

THE City Softball League has two best-of-seven semi-final sets going and it's likely that these will produce pretty fair softball.

Of course, on the season's play the National Park All Stars should dispose of Barry's Lions and the Benevolent Irish Society Shamrocks will be favorites over Canadian Tire Pistons. Of course, such predictions don't put the National Parkers and the Irish into the finals. These Lions could start roaring in real earnest in this semi-final set and the Pistons could begin battering the Irish all over the field.

These are possibilities but the All Stars and Shamrocks insist such things are not very likely to happen.

At any rate, softball fans are in for some real treats the next month as Charlie MacKenzie's loop endeavour to crown a champion that will endeavour to take the Island championship back to Charlottetown.

This will be a big assignment but the capital city boys are insiting that this is their year to go against the mainland in the quest for Maritime honors won last fall by MacKenzie's House of Fashion in Summerside.

There should be plenty of softball thrills before this provincial matter is finally settled.

Still A Month To Go

IT will be a month from yesterday before the City Baseball League concludes its schedule. All teams will make the playoffs but the way the boys fight for each ball game, you would think the championship was at stake in that very contest.

When we last looked, Dodgers were atop the heap, Rovers were next, then the Stars and finally the Flyers. The Rovers were off to a great start but they faded badly for a couple of weeks before getting back in the winning ways last Saturday. The Rovers are maintaining that was the start of another victory skein and that tonight's encounter with Stars will prove that correct.

The way we have been seeing these City Baseball League games, we would say that any team has a perfect license to beat any other team any night in the week. That goes just as much for the Flyers although they have been successful only twice in nine starts.

Forbie and his boys had a ball game just about won Saturday when they decided to throw it away. They mad nin miscues behind young John Lane who hurled a neat four-hitter at the Rovers. Butyou can't win ball games when you team decides to go on an error binge and that's exactly what happened the Flyers the last time out.

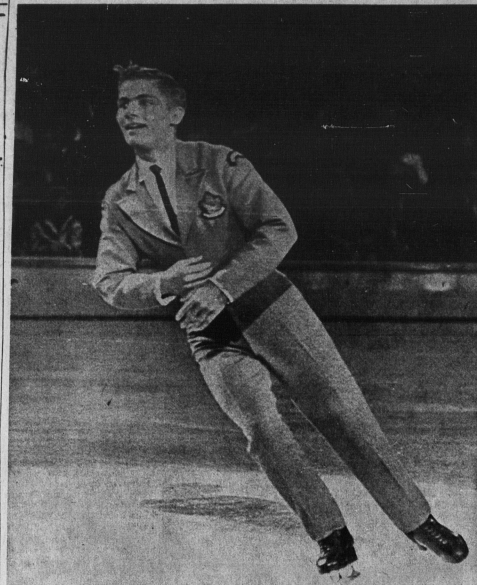
Dunn To The Rescue

LEFTY Dunn was beaten Friday night and of course that's always news.

Dunn is properly termed the Rovers' meal ticket. When John Squarebriggs's boys are in trouble they always turn to the pint-sized hurler.

Although he lost Friday night, he was around Saturday afternoon playing first base for the Rovers. Lyle Huggan got in a peck of trouble in the fourth. There were three on base and nobody out when acting manager Ted Strain took inventory of the situation. He called Lefty to the mound and Dunn threw just ten pitches to get Huggan out of trouble and Rovers out of the inning without a run scored on them.

It won't show in the record books as a win for Dunn but Rovers, and particularly Lyle Huggan, give Lefty a big bouquet for his terrific part in this triumph over Flyers. Had Dunn not performed in this fashion, chances are Rovers would never have caught the Kennedy crew.



MAKES PROFESSIONAL DEBUT

Don Jackson, World Champion Figure Skater from Oshawa, Ont., is shown making his professional debut with the Shipstad and Johnson Ice Follies here last night. Jackson repeated the performance that won him the world championship at Prague, Czechoslovakia.

Phillies Defeat Hapless Cubs 5-3

By THE CANADIAN PRESS

Rallying in the late innings to wipe out a three-run deficit, Philadelphia Phillies defeated Chicago, 5-3 Monday and extended the Cubs's losing string to seven games.

Part of the game was televised via the Telstar satellite to 18 European countries.

The Cubs moved to a 3-0 lead by the end of the fifth, scoring two of the runs on errors. Lou Brock singled with two out in the third and Ron Santo singled Brock to third. When left fielder Wes Covington held the ball, Brock raced home and Covington was charged with an error as Santo took second. George Altman then singled Santo home.

SCORE ON ERROR

A two-base throwing error by third baseman Don Demeter and a double by Santo gave the Cubs another run in the fifth.

The Phillies scored their first run in the seventh when Demeter hit his 15th home run. Singles by pinch-batter Frank Torre, Callison and Tony Gonzalez added another Philadelphia run. The Phillies wrapped it up in the eighth when they scored twice on singles by Clay Dalrymple, Demeter, Reuben Amaro and a pinch sacrifice fly by Billy Klaus.

Night action in the National has Pittsburgh at Cincinnati, Los Angeles at St. Louis and San Francisco at Houston.

Two games were scheduled in the American, Detroit at Minnesota and Baltimore at Los Angeles.

Top Batter Tommy Davis Is In Precarious Position

NEW YORK (AP) — Tommy Davis of Los Angeles Dodgers leads the National League in batting by only a single point Monday. But his margin is even more precarious than appears on the surface.

For, in order of Davis' closest pursuers, are Stan Musial, seven-time batting king; Roberto Clemente, last year's titleholder; Frank Robinson, the 1961 most valuable player and Hank Aaron, two-time batting champion. All are outfielders.

Davis dropped five points in last week's games. He had seven hits in 26 times at bat and his average fell to .348.

Musial, the St. Louis veteran, gained eight points to .347 with eight hits in 18 tries.

Clemente of Pittsburgh slumped six points to .344 with seven safeties in 26 attempts. Robinson, the Cincinnati slugger, lost five points to .329 with a 7-for-27 performance while Milwaukee's Aaron remained at .327 with 12 hits in 37 at bats.

Tommy Davis has a much wider edge in the runs batted in competition. He drove in seven runs last week and put his leading total at 102. Willie Mays of San Francisco walloped three homers. He leads with 28, two more than Aaron.

Pete Runnels of Boston continues to set the American League batting pace although he lost ground to Kansas City's Manny Jimenez. Runnels fell four points to .337 with six hits in 21 trips while Jimenez gained one point to .335 with 10 hits in 29 times at bat.

Floyd Robinson of Chicago White Sox moved up one place to third on a four point increase to .319. Robinson had 10 hits in 27 tries, including a record — equalling 6 - for - 6 in Sunday's game against Boston.

Leon Wagner of Los Angeles Angels maintained his home run lead with 27. He had one last week.

Wagner and Robinson are deadlocked for the top spot in runs batted in with 71.

All-Stars Grab Opener; Down Barry's Lions 9-1

National Park All-Stars drew first blood in their best of seven semi-final series with Barry's Lions for the City Softball League title at the Old Diamond last evening.

The Mike Connolly - coached All-Stars downed the Lions 9-1, scoring eight runs in the initial frame and counting the ninth run in the sixth.

Other than the disastrous first inning it was an interesting game. Monty Monteith gave up eight hits in this inning but then limited the Park stickers to three hits over the remaining distance. Monteith walked four and fanned one.

John Hughes was credited with the victory. The Bedford speedster gave up only three hits to the Parkdale crew, the longest a run- scoring double to Dick Carroll in the first inning. He also walked five and fanned ten.

The Lions scored their only run in the opening inning. Second sacker Hynes drew a walk, stole second and came home on Carroll's double.

Park leadoff batter Bud Griffin drew a walk in the opening frame, Hubie Morrison hit a single and Joe Caswell poled a double for one run before the next batter, Vince Bradley grounded out to the pitcher. John Hughes then walked to load the bases and Maurice Fitzpatrick hit a one - base blow to drive in another run. Red Mitchell and Phil Arbing followed with singles, Frank Bradley sacrificed and then Bud Griffin, Morrison and Caswell, getting a second turn at the plate in the same inning, poled three straight hits before Vince Bradley popped up to retire the side. A single by Kevin Hughes, a walk and another single by Vince Bradley accounted for the other Park run in the sixth.

Joe Caswell and Red Mitchell paced the winners at the plate with two hits in three appearances.

Dick Carroll, Monteith and Angie Carroll picked up the hits for the Lions.

Frank Bell called the balls and strikes last evening and had Lester Taylor and Ev Beagan, Sr., assisting him on the bases.

This evening's action sees Shamrocks playing host to third-place Canadian Tire Pistons in the first game of their best of seven series. Game time is 6.30 sharp.

Stars Defeat Dodgers 10-6

Donnie 'Funnel' MacLean tossed a nine- hitter last evening at Memorial Field as Buck Whitlock's Stars downed MacKinnon's Dodgers 10-6 in City Baseball League action.

The Stars picked up all their runs in the first six innings, scoring once in the first and second and then adding two in each of the next four frames.

Earl 'Lefty' Perry started for the Dodgers and was taken out in favor of Billy Weatherbie in the fifth inning. Perry and Weatherbie gave up a combined total of 13 hits, three of them for extra bases, the longest being a triple by Ralph Pineau in the first stanza. Joey Gallant and Les Affleck hit back-to-back homers in the sixth inning with two men out and both batters scored.

The Dodgers moundsman also issued three free passes to first and fanned seven. Their teammates also committed six costly errors.

MacLean fanned six over the nine innings and walked only one. His teammates made three errors, one of them figuring in on a run in the second inning.

The Dodgers counted two runs in the second inning, three in the fifth and two in the ninth.

Bombers' Trainer Explains Exercise

By GRAHAM COX

WINNIPEG (CP) — Functional isometric contraction exercises sound complicated until you sit down and have them explained by Gordie Mackie, trainer for Winnipeg Blue Bombers of the Western Football Conference.

The exercises are aimed at building up the muscles through "maximum effort against an immovable object."

Simply, the members of the Canadian champions pit their already considerable strength against a device that cannot be moved. By exerting all their efforts, under controlled conditions, they develop bigger and better muscles.

The immovable device in this case is a solid bar slung stiffly and securely between two upright stanchions. The men pull or push on the bar and, with honest effort, should begin showing definite signs of increased strength within 30 days.

NOTHING NEW

Mackie, for two years a trainer at the U.S. Military Academy and four years training the Winnipeg Warriors hockey team and Winnipeg Goldeyes baseball club, says the idea "is nothing new."

Weight and strength men have been employing the same principles for years, he says, as have teams of the National Football League and American Football League.

A physiotherapy graduate of the University of Manitoba, Mackie says the effectiveness of the exercises is being tested with conventional weights. The player is expected to be able to lift a greater amount at each testing period.

Good for older players as well as young men, the exercises, Mackie says, should always be accompanied by conventional activities such as calisthenics, running and scrimmage.

He says they usually work best after a practice because the player then is already tired, and "the last few repetitions of any exercise series are the most effective because it is then it takes the maximum effort of the individual to perform any given task."

One of the other advantages of this method, he says, is that there is no effort wasted in motion as there is in weight lifting, and the exercises can effectively be done "in only a couple of minutes" each day.

MacKenzies scored one in the third and two in the seventh while Save-Easies got both their runs in the final inning on 4 consecutive walks and a hit by Wigglesworth.

MacKenzies and RCAF are now tied for first place with a couple of postponed games yet to be played.

Fog Postpones Yacht's Trial

NEWPORT, R.I. (AP)—Dense fog that hung over the Newport area prevented the Australian America's Cup challenger Gretel from her first trial in these waters Monday.

Sir Frank Packer, head of the Gretel syndicate, called off attempts to sail in mid - afternoon when the fog showed no signs of lifting.

With three days of bad weather since their arrival Saturday, the Australians hope they can have a first spin today. The forecast is for clearing weather.

Arnold Palmer Is Passing Up Canadian Open

MONTREAL (CP) — Arnold Palmer is passing up the Canadian Open because he is tired, Larry O'Brien, tournament coordinator, said Monday.

Palmer, currently one of the world's top golfers, told O'Brien he is "physically and mentally exhausted" after winning the British Open.

Despite the loss of Palmer, the field in the Canadian Open starting Thursday at Montreal's Laval-sur-le-Lac club will be one of the strongest in the tournament's history.

Among the entries are South Africa's Gary Player, who during the weekend became the first foreigner to win the United States PGA title in 32 years, and U.S. Open champion Jack Nicklaus.
