POLICE COURT.—One Scott Act case further adjourned this forenoon.

REGATTA.—We understand that a regatta will be held on Summerside harbor some time next month

LECTURE.—Miss Cartmell, missionary from Japan, lectures to-night in the Methodist Brick Church. All who desire to hear an interesting lecture should attend.

CRICKET.—A cricket match will be played at the Park to-morrow afternoon, between "Seniors" vs. "Juniors." Stumps will be pitched at 2.30 p. m. A good and lively game is expected.

HYDRANT DAMAGED.—The top of the hydrant at the corner of Water and Great George Streets, blew off this morning as preparations were being made for loading the watering cart. There had apparently been a crack in the metal for some time.

STRUCK BY LIGHTNING.—The house of Mr. David Irving, Vernon River, was struck by lightning yesterday. The rafters of the house were torn down, and a girl who was in one of the rooms at the time was seriously injured.

THE STARR.—The steamer M. A. Starr, Captain Ferguson, arrived here from Pugwash and other ports yesterday forenoon about half-past ten, bringing a cargo of general merchandize. Her passengers were W. C. Bowlen, G. M. Currier and D. A. Gillis. She will sail on return on Monday evening next.

FOR BOSTON.—The steamer Carroll, Captain Brown, sailed for Boston at the usual hour last evening, with a cargo of eggs, mackerel and lobsters, and the following passengers:—R. McLellan, M. C. McCormack, Mrs. S. Mutch, Mrs. Jos. Corrigan, Rev. J. P. Simpson, F. A. Warfield, Mrs. Walker, E. Blunt, M. E. McInnis, C. McCormack, A. McKenzie and Charles McCarthy.

DIED AWAY FROM HOME.—For several weeks Mr. Charles Doney, of Ottawa, has been sojourning at the Shaw House, Brackley Point Road, seeking for his wonted health and strength. Growing gradually weaker, he was removed to the P. E. I. Hospital a few days ago, and, sinking rapidly, he breathed his last yesterday morning. His body was forwarded to his parents by express this morning.

VERY SUCCESSFUL.—The Second Methodist Church Sabbath School Picnic at Westville, West River, yesterday was, as everybody expected, a great success. There was a large attendance of children and grown folk, and the different tables were well stocked and patronized. The excursion in the evening in the Southport was an exceedingly pleasant feature of the affair. The steamer was decorated with bunting and Chinese lanterns, and good music was furnished by the Artillery Band and the Church Choir. The large number of people present thoroughly appreciated the treat. In all, about $200 were realized. The committee in charge desire, through THE EXAMINER, to return their sincere thanks to Captain McDougall and his officers for their kindness and attention during the proceedings.

The Tea at Alberton.

A GRAND SUCCESS FINANCIALLY AND OTHERWISE.

THE Provincial Tea at Alberton, yesterday, was, without doubt, the most successful affair of the kind held this season. The trotting park grounds were artistically fitted up for the occasion, and the tea, dinner and refreshment tables were well stocked and patronized. There were also the usual games and other outside attractions. The weather was favorable enough to have been "made to order." The order throughout the proceedings was good. There was an immense number of people on the grounds during the day. All sections of the Island were well represented.

The special train of ten cars, which left the city at six o'clock in the morning in charge of Conductors McGowan and Thompson, was thronged with people by the time Summerside was reached, and Conductor Kelly, who was in charge of the express which left an hour later, was instructed at Freetown to honor all excursion tickets presented. At Emerald he put on an extra car, and at Summerside, five—making six extra cars in addition to the regular train. By the time Alberton was reached, every one of these coaches was filled, every station along the line contributing its quota. The special was so crowded leaving Summerside that it did not stop at any of the stations between there and Alberton, the express, which came along shortly aftewards, taking up the passengers.

In the afternoon, an extra engine and several cars were sent out from town, so that there were two specials on return instead of the one going out; both of which returned to the city late last evening. The fact of so many people being taken such a distance without a mishap or accident of any description whatever speaks volumes for the condition of the road, and for the ability and judgment of the conductors and other officials—better qualified and more obliging men than whom it would be hard to find anywhere.

The run through from Charlottetown to Alberton, although somewhat long, was pleasant. The scenery along the route is very pretty, and the fertility of our soil, as shown in the early matured and bountiful crops, was forcibly demonstrated. Alberton is a thriving little village, with a go-ahead people, and has a bright future before it. The people—irrespective of class or creed—are working together harmoniously and energetically with a view to making it the banner town (for incorporation is shortly to be applied for) of the West. They are also making a big push to have the county exhibition held there every alternate year. True, they failed to get the boon this year, but it was only a matter of a few votes. They will try again next year, when they feel assured of success.

Rev. Father Burke has done much since he took charge of the church at Alberton to make the people of that place realize the importance of united and determined action. He moves about among them, ascertains what they need, and is not at all slow to make their wants known and demand redress. His zeal in the cause of religion is also apparent in many ways. The Church of the Sacred Heart and the presbytery have lately been repaired and improved under his supervision. It was to defray the cost of these alterations and improvements that the tea was held, and Protestants as well as Catholics are greatly pleased that the gathering was so very successful.
