

Hurricane Connie Leaves 41 Dead, Millions In Damages

ASTER, Pa. (AP)—Hurricane Connie dissipated Sunday morning after another storm over northern Lake Erie. The low pressure storm, however, brought the rainfall to the north-eastern states, and showers in Michigan, Indiana and Ohio. As the storm subsided, leaving 41 dead and millions of dollars of property damage in the Carolina coastal areas, hurricane Diane continued on a slow course toward the U.S. coast from far out in the Atlantic.

INCHES RAIN

The weather bureau reported that within 24 hours, Diane was 860 miles east of Vero Beach, Fla., moving west northwestward at about 10 miles an hour. Hurricane Diane extended outward from Diane 100 miles to the north and 50 miles to the southwest.

CRASHES

Damage called millions of dollars in North Carolina, "test hit by the big flow as Connie swept inland, estimates up to \$4,000,000. The "accident" toll in the middle Atlantic region reached 41 dead and five missing, nearly all of them casualties in water accidents or in rain-coated roads.
