## EVERY YEAR, A CANADIAN INVENTS A WAY TO MAKE \$100,000

THE  
MANNING  
AWARDS

Do you have a bright idea that's being put to use in Canada? Know of anyone else who has? If so, the Ernest C. Manning Awards Foundation wants to hear from you.

The Manning Awards have been recognizing flashes of Canadian brilliance for over 14 years, with Awards ranging from the \$5,000 Innovation award to the \$100,000 Principal Award.

So regardless of how big or small your innovations (the IMAX film system was invented by a Canadian, as was the zipper),

we encourage you to submit them. And who knows, we may just be able to brighten up your day.

Nominations close annually on February 15, or the following business day.

To receive a nomination form or more information, call or write:
