UNCALLED FOR BANK DEPOSITS.

By the Banking Act all banks doing business in the Dominion of Canada are required to make annual returns to the Government showing balances remaining to the credit of depositors, in respect to which no transactions have taken place for the previous five years.

ELECTIONS IN GREAT BRITAIN.

On the day of the dissolution of Parliament, which in the present instance was the 18th inst., the writs are sent from what are called "the hampers"—that is the central authority, which is virtually the Speaker of the House—to the returning officers of the constituencies, these latter being municipal officials now representing the Government in any sense whatever.

NEWS NOTES.

Chili claims to possess the richest woman in the world in the person of Senora De Cousina, whose fortune is estimated at \$200,000,000. She is a widow.

THE SQUATTERS' TITLES.

Under the authority vested in the Government by the Squatters' Confiscation Act, passed at the last session of the Legislature, the local Government are laying the foundation for turning out on the roadside those farmers who have for many years been in possession of their holdings, and who imagined that they were protected from interference by their many years' peaceful possession.

NOTES AND COMMENTS.

In Great Britain the Ministerial majority "do keep creeping up." Montreal Gazette: Are Canadian Liberals taking note of how that hard-shell old protection-squinting Tory, Lord Salisbury, is smashing his opponents in Great Britain? Does it make them think of the lockings they regularly get from Canada's old Tory leaders?

SOUBIS FISHING NOTES.

The first catches of mackerel of any account caught by hook this season were made on Friday last at South Lake, Campbell's and Black Bush, the boats being two to three hundred each. The quality is good, fish being very large and fat.

Gives A New Zest.

There is a moment of weakness. The hands fall listlessly. Energy is gone. A tired feeling pervades the whole body. If you gave way to this you might be really ill. Get a bottle of Dr. Williams' Pink Pills for Pale People, and see the magic it will work.

Another drop at the London House.

THEY'RE OF AGE NOW.

BEER BROS. have attained their majority. They have been in business twenty-two years! They are quite proud of the fact, and are celebrating the occasion by giving all who patronize them special bargains and advantages in certain goods which are enumerated elsewhere.

Since Beer Bros. began business in Charlottetown the dry goods trade has changed considerably, and their change has been for the better. Less than twenty years ago stores keeping dry goods also kept groceries. Now few, if any, of them do this. They leave the grocery trade with those in that line of business.

Another feature that has been introduced within the past twenty-one years is that of making a specialty of certain lines of goods, and selling them at special prices on days set apart for that purpose. The "show day" feature is being introduced, and the coming to stay. With the introduction of both these features Beer Bros. have also been largely benefited.
