CURRENCIES

MONTREAL (CP) — The U.S dollar closed Tuesday at a discount of 5 per cent in terms of Canadian funds, unchanged. Poend sterling $2.64¾, up 1-16.

TORONTO

TORONTO (CP)—Western oils led the stock market to its heaviest decline in a month Tuesday amid the heaviest trading in four weeks.

The western oil index lost more than 2½ points and 1½ hours before the close was off three points. Base metals dipped three-quarters of a point to close at a 1956-57 low. Golds eased a few decimal points on index.

The final volume of 3,649,000 shares was the heaviest since June 26 as traders sold from profit on many oils and lower-priced mines. Monday's volume was 2,684,000.

Observers said that one of the factors behind the western oil sell-off was the report that nominations for Alberta crude oil during August are the lowest of the year.

Biggest loser on the oil board was Fargo, off $1.05 to $8. Experts said profit-taking was the main reason for this decline. Calgary and Edmonton and Pacific Pete were each off 1⅛ points among senior issues. Triad lost 30 cents at $7.65.

Falconbridge gained a point at 32 among senior base metals but other issues were fractionally lower. Consolidated Regcourt featured lower-priced mines, trading over 700,000 shares, or one-fifth the total volume, and losing 3 the total volume, and losing 30 cents at 56 cents.

Index changes: industrials off 2.43 to 479.50; golds off .14 to 78.96; base metals off .74 to 192.97 western oils of 2.64 to 189.82.

FRESH WATER SAILORS

Aboard the picturesque brigantine St. Lawrence II, a group of Kingston sea cadets are getting a taste of life on the high seas experienced by Captain Kidd and Nelson. Manned by 19 members of the Royal Canadian Sea Cadet corps and three officers, the authentic brigantine is making her maiden voyage across Lake Ontario to two U.S. ports. The ship, which carries 1,200 feet of sail, ran into calm weather in her cruise but the crew refused to use the motor, saving it for use when a real emergency arises. The St. Lawrence II was financed and built by Kingston citizens.
