There were no reports of overnight export loadings of Canadian wheat.

Says Cheap Cigarets Threatening Industry

ST. THOMAS, Ont., Dec. 5 — (CP) — J. Fred Thomas chairman of the Burley Tobacco Marketing Association of Ontario, said yesterday the importation of cheap blended cigarets from the United States has become injurious to Burley tobacco growers in Canada and the whole Canadian tobacco industry.

Mr. Thomas said the outlook for the 1953 Burley crop was "very discouraging."

U. S. cigarets, selling at 33 cents for 20 compared with the 39-cent-for-20 price of standard Canadian brands, first went on sale two weeks ago in some Ontario and Quebec chain grocery stores.

To Discuss Nfld. Salt Fish Agency

OTTAWA, Dec. 5 —(CP)— The Canadian Government will consult with the Newfoundland Government and interested groups next year on the future of Newfoundland's salt-fish marketing agency, Fisheries Minister Sinclair said in the commons.

The Newfoundland Association of Fish Exporters, Ltd.—known on the island as "NAFEL"—has the exclusive right to market Newfoundland's $10,000,000-a-year salt fish catch until April 1, 1954. Under a 1949 arrangement, the Federal Government extended a pre-confederation set-up until then.

In reply to a question from Gordon F. Higgins (PC—St. John's East), Mr. Sinclair indicated to the House no decision has been reached on the future of NAFEL. He said that during 1953 there will be consultations with the Newfoundland Government, as well as with exporters and fishermen.

Believe Atom Project In Argentina Is Flop

NEW YORK, Dec. 5 —(AP)— The New York Times says today Aargentina's atomic energy project has been disbanded, apparently as a flop; its workers dismissed, and Dr. Ronald Richter, the Austrian-born scientist who headed it, arrested three weeks ago. Argentina announced officially over a year ago that the country had discovered its own way of producing nuclear energy and was nearing the development stage of an atomic reactor.

LINER DAMAGED

SOUTHAMTON, England, Dec. 5 —(AP)—The liner Queen Elizabeth arrived Thursday after crossing the Atlantic with a dent in near her starboard bow caused by a collision with a tug in New York harbor. Hardly anyone aboard felt the bump as the mammoth 83,000-ton liner steamed out of New York five days ago. The Cunard Line said temporary repairs will be made shortly but that she will sail next week on schedule.
