

# Fact and opinion

By Ryan Miller

**FACT:** The drug 'Premarin,' which is a shortened form of 'pregnant mare's urine' which is its primary ingredient, is used to treat human menopause.

**OPINION:** Nothing is better for treating cranky old mares than the piss of other cranky old mares.

**FACT:** Jack Nicholson was shocked to discover at age thirty-seven that his sister, seventeen years his senior, was actually his mother.

**OPINION:** Better his sister than his girlfriend.

**FACT:** In 1965, 17-year-old Randy Gardner stayed awake for eleven days straight, although after the first few days his speech slurred and he fell into a conscious stupor.

**OPINION:** If you can't afford booze, just try staying awake until the weekend.

**FACT:** Saddam Hussein was presented with the keys to the city of Detroit in 1980.

**OPINION:** Given the choice between Detroit and a hole in the ground, I know which one I would have taken, too.

**FACT:** Also in 1980, 'Cubaholics Anonymous' was established for people who couldn't put down their Rubik's Cubes, which were proven to be as addictive as drugs.

**OPINION:** A good joint is much more rewarding and much less complicated.

**FACT:** The largest employer in

the world is the India railway system, which employs roughly 1.6 million people.

**OPINION:** I wonder who does their tech support.

**FACT:** The only popcorn museum in the world is located in Marion, Ohio.

**OPINION:** Surely, there must be more than one simple museum in Ohio devoted to such a wondrous and monumental product.

**FACT:** Blood accounts for about 7% of human body weight.

**OPINION:** I have an idea if you need to lose a few pounds. I'll need a knife and a mop.

**FACT:** Sex acts like a natural histamine, and can help cure headaches and relieve stuffy noses.

**OPINION:** If you know where to go, it can be cheaper than Sudafed.

**FACT:** Q-Tip Cotton Swabs were originally called Baby Gays.

**OPINION:** "Honey, I have one of these Gay sticks stuck in my ear!"

**FACT:** Between 1902 and 1907, the same tiger reportedly killed 434 people in India.

**OPINION:** It's only a miniscule fraction of the railway workforce.

**FACT:** In 1998, a Virginia law was passed that allowed residents to keep their road kill provided they report it within 12 hours, including rats, raccoons and opossums.

**OPINION:** It's faster than the drive-thru, saves money and is probably just as warm.

# Wrong Answer?

What is "Wrong Answer?" A quick quiz with no correct answers? Well, it beats exams. Get a cheap laugh or use it to break the ice with your meal hall/pysch 101 crush. See how you rank as a slacker.
