

FAT AND LEAN

That is, babies: fat, they are happy and safe; lean, they are neither happy nor safe.

Apart from being entirely healthy or not quite well, a fat one has much reserve of vital strength to resist any sudden attack, while the lean one has little or no reserve.

The way to be fat and well is Scott's emulsion of cod-liver oil. A little: only a little. Not any, if healthy and plump already; "let well enough alone."

We'll send you a little to try if you like. SCOTT & BOWNE, Chemists, Toronto.

Unequal Eyes.

Do you see equally well with both eyes? If not, both may be defective. One certainly is. Have them properly examined. We prescribe glasses only when absolutely necessary and guarantee satisfaction. Consultation free.

NOTICE TO ELECTORS.

QUALIFICATION OF VOTERS, AND HOW TO VOTE.

In electoral districts of this Province the voting takes place by ballot. There is no registration of voters here.

Every male British subject of the age of 21 years and upwards who has for six months previous to the 9th day of October, A. D., 1900, been in the possession either as owner, tenant or occupant of a house or piece of land of the yearly value of six dollars shall be entitled to vote.

IN ADDITION TO ABOVE.

In country districts every male British subject of the age of 21 years who being liable to perform Statute Labour, has performed such Statute Labour or paid his commutation money for the year 1900 shall be entitled to vote provided he has resided for twelve months in the electoral Division.

IN THE CITY OF CHARLOTTETOWN.

If a person cannot qualify as a tenant or owner, he may vote on his poll tax,

IF

He has resided for twelve months previous to the 9th day of October, 1900 either east or west of Great George Street, and has paid his poll tax of 75cts of it for the year 1899. OR HE CAN VOTE ON HIS POLL TAX RECEIPT FOR THE PRESENT YEAR 1900. This tax may be paid at any time before the election, but not on election day.

Every resident voter must vote in the polling district where he is living on election day.

We warn poll tax electors to be prepared with their poll tax receipts, before they go into the polling booths. If you do not produce them, your votes will not be taken and you cannot again enter the booth. Tenants and owners do not require receipts.

ONLY MAKE A CROSS.

Mark your Ballot as above indicated. Simply place an X in the space containing the name of William S. Stewart, the people's candidate for West Queens. Place no other mark up in the ballot. The cross must be made with a BLACK lead pencil. No other kind will do.

Following Irregularities Held Fatal to Votes

- 1.—A single stroke instead of a cross.
- 2.—A mark which in itself is a means of identification, such as initials or some other mark known as used by him.
- 3.—Two single strokes not crossing.

NO PERSON who has voted at the election shall in any legal proceeding be required to state for whom he voted.—Sec. 97 of the Election Act

The election law of the Dominion provides for perfect secrecy of the ballot, except in case of a scrutiny before two judges of the Supreme Court. Before a scrutiny can be held, the person desiring one must deposit one thousand dollars as security that he will be successful. No ballot can be examined until it has been first proved that the voter has no vote and no vote under any circumstances can be examined unless it has been marked objected to before the vote was given. No vote can be marked objected after the voter has received his ballot.

The ballots after being counted are sealed and sent to the Returning Officer who without opening the packets or breaking the seals transmits them to the Clerk of the Crown in Chancery, and whilst in the custody of the Clerk of the Crown in Chancery no person is allowed to inspect.

Besides the polling officers and the agents of the candidates, only one elector may enter the polling booth at a time; he MUST mark his ballot in secret, he MUST hand his ballot folded to the polling officer, who MUST give it in the box without opening, and there is a penalty for displaying the ballot in any way that would afford a clue as to how the elector is voting.

GOOD WORD FOR THE SENATE.

The Senate has done good work for Canada by checking the exploitations of the "new Liberal" regime.

It saved us a million on the Drummond deal.

It saved 3,150,000 acres of land worth \$10 an acre by defeating the Yukon deal.

It killed legislation authorizing the Government to confiscate private property.

It stopped a proposed gerrymander and left the way open for Sir Charles Tupper's policy of redistribution by judges and not by politicians.

It prevented the multiplication of offices as spoils.

Now it is going to enquire into the latest enormity, the sale of seats in the Upper House.

The Laurier Government does not like the Senate, and no wonder. —Mail and Empire.

NOTES AND COMMENTS.

On the 24th inst., at Cornwall, by the Rev. W. J. Howard, uncle of the bride, assisted by the Rev. W. Thomas, J. Edward Rendle, of Charlottetown, to M. Alice Abbott of Springvale, P. E. I.

Mr. C. H. CAMPBELL, Attorney-General of Manitoba has been re-elected by a splendid majority of about 400. His majority at the general election was about 100. Truly these are growing times for the Liberal-Conservatives.

The government press and speakers are making much of the fact that Sir McKenzie Bowell spoke recently against the election of Hon. Jon Haggart; but the quite forget to mention the fact that Mr. Haggart's opponent is also a Liberal-Conservative.

"Badly Crippled."

Rheumatism at its worst is a sort of living death. It chains a man to a chair or binds him to a bed, and metes out to him a daily martyrdom. At the best rheumatism is a painful malady, interfering alike with pleasure and business.

To cure rheumatism it is necessary to eliminate from the blood the acid poisons which are the cause of the disease. This is effectually done by the use of Dr. Pierce's Golden Medical Discovery. It carries out of the blood the corrupt and poisonous accumulations which breed and feed disease. It increases the activity of the blood-making glands and sends an increased supply of rich, pure blood through vein and artery to strengthen every organ of the body.

"I had been troubled with rheumatism for twelve years, so bad at times I could not leave my bed," writes Mr. R. J. McKnight, of Cades, Williamsburg Co., S. C. "I was badly crippled. Tried many doctors and two of them gave me up to die. None of them did me much good. The pains in my back, hips and legs (and at times in my head), would nearly kill me. My appetite was very bad. Everybody who saw me said I must die. I took five bottles of the 'Golden Medical Discovery' and four visits of Pellets, and to-day my health is good after suffering twelve years with rheumatism."

Doctor Pierce's Pleasant Pellets are powerful aids to the cleansing of the clogged system. By all dealers in medicine.
