S'side Y's Men's Radio Auction Most Successful

The 11th annual radio auction of the Summerside Y's Men's Club held on Wednesday afternoon and evening over CJRW was most successful with the gross proceeds being in the vicinity of \$2,900 which is about the same as last year. Of that amount approximately \$300 was received from the entertainment features of the program. Listeners eagerly took advantage of the opportunity to call in requests for members of the club to perform before the microphone and some interesting talent was discovered in this way.

Instrumental music was performed by five Air Force officers, Jake Thurmeyer, Bert Wilson, Graham Inglis, Gordon MacAllister, and Doug Daynard, who were also performers in the "Can You Stump The Band" contest.

Twelve telephones were set up in the rear part of the broadcasting building and were kept busy all evening receiving bids. The new dial system worked very satisfactorily in its first test of this nature.

R. T. Holman Ltd. purchased all the wood-working articles that had been donated by the manual training class at the High School and the proceeds from their re-sale will be given to the Prince County Hospital. Persons with high bids on their articles have the privilege of buying it for the amount of their bid until Saturday at 7 p.m. Purchasers of the regular merchandise may redeem their purchases at the old Royal Bank building.

Every member of the club had a job. Announcers were Jim Murphy, Arch Hopkins, George McKie, Tony Williams; board members, Ralph Emery, Don Sears, Clarence McFar, John Leuty; telephones, Frank Cameron, Hillard Clark, Dick Hinton, Ralph MacFarlane, Horace Clark, Lloyd Gorrell, Bill Currie, Morley Bell, Dick Henneborne, Ron Jeffery; board clerks, and runners, Allison MacLean, Edwin Estey, Harold Milligan, Lindsay Willett, Lowell Hancock; entertainment, Keith Dibble, Charles Linzletter and Dick Henneborne; arranging telephones, Ken Callbeck, Art Rogers and George Clarke.—S.

KINETTE CLUB ORGANIZED — At a dinner meeting at the Olympia on Wednesday evening, a Kinette Club was organized in Summerside with the following officers: President, Mrs. Elmer O'fer; vice-president, Mrs. Harry Dickie; secretary Mrs. W. Coulson; treasurer, Mrs. Roy Johnson. Their first project will be for the Kinette's Carnival on April 26 to 29. Next Wednesday evening the meeting will be held at the home of the president. — S

FUNERAL TUESDAY —Word was received in Kensington by Mrs. Calvin Chappell of the sudden passing on Saturday, March 25 in St. Joseph's Hospital, London, Ont. of Mrs. Wilfred H. Robotham, age 28 after only a few days illness. Mrs. Robotham was the former Ileen Patterson McGoun, daughter of Mrs. Edna McGoun of London, who survives and the late Rev. Kenneth McGoun. Besides her sorrowing husband there are left to mourn an only sister, three brothers, Frank and Clifford, Montreal, Carlisle of Hamilton, a fourth brother, Beverly, was missing in action overseas in 1941. The burial took place Tuesday at 2 p.m. to St. James Cemetery, Clandeboye. Sincere sympathy is extended to Mr. Robotham by his many friends on P. E. I. (Mr. Robotham was married to the late Verna Chappell, April 11, 1944 and she passed away in Dec. 1944.)

FORMER ISLANDER DIES IN B.C.—The death occurred at her home at Hume Road, New Westminster, B. C. on March 20, 1950 of Mrs. F. P. Wright, the former Lucy Hodgson. She was the eldest daughter of the late Jabez Hodgson and Mary (Clark) Hodgson and was born near Alberton on Aug. 10, 1889. She was married to J. Melville Arthur of Elmsdale, P.E.I. in 1900 and settled in Kinistino, Sask. The family moved to Vancouver, B. C. about 25 years ago. Mr. Arthur died in 1946 and she married F. P. Wright. Deceased is survived by her husband, two sons and three daughters, namely, Fulton S. of Victoria, B. C., Catherine of Kinistino, Sask., Gilbert of Matheson Road, New Westminster, Mrs. A. McNabb (Jean) of Hope, B. C., and Eva of New Westminster, five grandchildren and one great grandchild, also one sister Bertha (Mrs. Hedley W. McKay) of Donalds, Alberta, besides many relatives and friends in B. C., where she had lived for 25 years.

RED CROSS Blood Donor Clinic at St. Mary's Hall, Summerside, Thursday, April 13th. Donors needed.

H. D. BOYLE HONORED BY FRIENDS — H. D. Boyle, retiring Vice-president in Charge of Manufacturing of Price Brothers and Company, Limited, was guest of honor at a dinner at the Staff House on Saturday evening. Seventy of his friends and associates were in attendance for the occasion. On behalf of the gathering, Mr. Adam Cunningham presented him with an outboard motor, and Mr. H. D. McInerney with a wrist watch. The dinner was followed by a singsong. Friends from Montreal, Quebec and Riverbend were among those present.

SHAVES TO COST MORE — Summerside men are going to pay more for their shaves. It was learned yesterday following a meeting of the local Barbers Association. Effective April 10th the price of a shave is increased from 25 to 35 cents. Men's haircuts remain the same at 50 cents except the "brush" variety, which is apparently a bigger shave. The price for these will be 65 cents. The price of children's haircuts is also going up from 30 to 40 cents. It has been 40 cents on Saturday; now that price will prevail every day. Children's "brush" cuts will be 50 cents. There are no other price changes.—S.

PERSONALS —Betty Gallant, daughter of Mr. and Mrs. Calice Gallant, Summerside, is ill at her home.—S.

Among The Farmers

(Continued from Page 5)

who have not been heard from although we know the ballots have been collected. It would be appreciated if those secretaries would forward those ballots along with the list of those who voted.

There has been a good deal of criticism and misleading information being circulated during the past few days with respect to the proposed marketing Board. Although the details of any marketing plan have not been worked out as yet, nor can they be until the vote is completed and found favourable, yet it is interesting to note that a great deal of criticism and opposition is coming from people who are operating and selling their produce under a milk board at a set and secured price.

HAY QUALITY We sometimes wonder what can be done with a small minority of farmers in some areas who either through neglect or deliberately spoil the markets on themselves and on their neighbors.

This has happened within the last few weeks on a very promising hay market which some of our local dealers and co-operatives have been developing in Upper Canada.

Several carloads of poor quality hay, some of it mixed and in some cases with ice frozen on the bales was shipped. This was let go from the Island without inspection because the people concerned were supposed to be honest, reliable and trying to help develop this new market. It has been difficult this year to get hay inspected because the Seeds and Fertilizer Inspector on the Island has been on leave of absence all winter. For such inspection it is necessary to have a man from the Maritime office in Sackville.

Although most of the Island hay shipped to Ontario and Quebec this year has been of high quality there has been just enough poor quality to upset what should have been a very valuable market this spring.

The need for maintaining top quality in all our products is essential, if Island farmers are to compete and obtain the best returns on any market.

Warehouse Benefits This is the time of year when the Potato Storage Warehouses at the main shipping points, are of great benefit to the farmers. By being able to rent space, put up a uniform brand and dispose of crops in an orderly way through the winter and spring months, a great deal can be done to stabilize markets and bring the best returns to producers.

There are still several shipping points in the Province that should be serviced with a large frost-proof warehouse, owned and controlled on a co-operative basis.

Farmers from several of these districts recently have expressed the hope that they will be able to avail themselves of some assistance in establishing a warehouse of this kind in the near future.

It is quite apparent that adequate storage facilities are necessary if we are going to have orderly marketing of potatoes. Producers, however, must control those storage facilities they are to receive the full benefits of price and service. A great deal has been accomplished in this respect already but, more storages and an orderly marketing system go hand in hand.

Margarine Appeal Although the C. F. A. has not been able to obtain any definite word it is expected that the result of the appeal to the Privy Council on the margarine case will be known about the later part of August.

No doubt there is a slight disappointment on the part of a few who were preparing to ship margarine over to the Island a week or so ago. Thanks to the efficiency of your Dairymen's Association and the co-operation of our Provincial Minister of Agriculture, provision has been made to forestall this threat to our Island economy. Some effort has been made to find out who was asking for this relaxed legislation but, no definite word can be obtained.

Summer Fallow The last national farm forum program will be heard next Monday, April 3rd. This will be a review of the highlights in each province by the provincial secretaries across Canada.

The summer series will commence on April 10th and will be heard Monday evening at 9:30. We suggest you keep this program in mind as there will be many important farm problems and subjects discussed on these periods.

Beef Sale A new venture of its kind on the Island will be the sale of beef cattle in Charlottetown, Easter Saturday afternoon. There will be twenty six entries of high class Shorthorn and Hereford cattle. The sale will be held at Walkers Barn in Charlottetown and it is successful may develop into an annual event of real value to our Island beef breeders.

"CANADIAN PACIFIC" BLAZES WITH THRILLS OF ROUSING ADVENTURE FILMED IN STUNNING CINECOLOR

—One of the greatest and most stirring feats of modern times—the forging of a railroad over the rugged mountains and treacherous valleys of Canada's Rocky Mountains and against the bitter opposition of hostile frontiersmen, serves as the background for one of the most thrilling motion pictures of the year. The picture, "Canadian Pacific," starring Randolph Scott and photographed in stunning color by Cinecolor, is currently being shown at the Capitol Theatre. Out of man's battle against the forces of nature and against other men who for their own selfish reasons bitterly fought against progress, Producer Nat Holt and Director, Edwin L. Marin have brought a human drama of forceful impact and excitement.

"Canadian Pacific" bristles with hard-hitting action as it unfolds the story of a young surveyor who is forced into the adventure of a lifetime when his dream of a railroad that would span the wild Rockies is threatened. Opposition to the railroad sprang from a group of greedy fur trappers and traders who feared their monopoly would be broken by the advent of the railroad and who did not hesitate to incite the Indians to massacre the invaders. The final showdown between the two opposing forces is filled with suspense and blazing excitement you'll remember for a long time to come.

There's romance here too in the unusual love story of the surveyor and a tempestuous mountain girl who couldn't understand the spell the steel rails had for her sweet-heart until it was almost too late.
