**Local and Other Items**

**SOCIAL.**—The O Y B O social at Hunter River on March 1st is the coming event

PROP. WATTS with his orchestra will furnish choice selections at the concert in Heartz's Hall Thursday night.

MR. LESLIE COOK will sing a patriotic song at Heartz's Hall next Thursday night.

THE Concert in Heartz's Hall will take place on Thursday night instead of Tuesday because of the bad state of the roads.

**NORTHWEST AND YUKON.**—It is stated that the Governor General will visit the northwest and perhaps the Yukon this summer.

**EXTRAORDINARY SEASON.**—The wild geese are said never to have left Richmond Bay all winter. They knew there was to be really no winter.

Thus far in the year Cuba has bought from the United States three times as much as it did in 1899. In value the increase was \$13,120,000

**COAL IN NOVA SCOTIA.**—It is thought that the Nova Scotia collieries will have an output of coal of 3,500,000 tons this year.

**KNOWN IN CHARLOTTETOWN.**—The Pictou Standard says: It is reported that Mr. D. R. Sutherland intends moving to Truro. We hope not, for we cannot afford to lose a good citizen.

**A PAYING INSTITUTION.**—After declaring a five per cent dividend, the Halifax street railway has been able to show a surplus of last year's earnings of \$21,798.

**C. M. B. A.**—The "At Home" held at Mrs. John Doucette's residence, Waterford, Prince county on the 21st, was largely attended, and is spoken of as a great success from all points of view. The programme of amusements was perfect in its way and well enjoyed. At the banquet eloquent speeches were made by the deputy and other C M B A members.

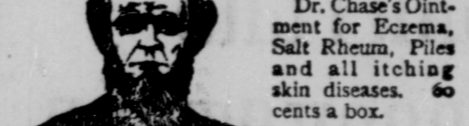

**MUSICAL AND DRAMATIC.**—A grand musical and dramatic entertainment was given in St. Anthony's Hall, Bonaventure, on Thursday night last. The audience was large, and much enjoyed the superior music and clever acting. The different vocal selections were of an exceptionally high order, the duet "Hear Me Now," a very difficult piece, being easily the gem of the evening. Rev. Fr. G. Lantier is to be congratulated on the success of his concert. The proceeds must have been considerable. All the neighbouring clergymen were present.

**CURES FOR SMALL POX.**—A writer in an exchange declares that several members of his family at one time were cured of small pox by frequent baths in butter milk, as well as by drinking it. For the bath it should be lukewarm, for drinking cool. Another writer says the worst cases can be effectually cured in three days by cream of tartar. One ounce of cream of tartar dissolved in a pint of boiling water, to be drunk when cold, at short intervals, can be taken at any time and is a preventive as well as a cure. It is known to have cured in a hundred thousand cases without failure.
