Dog Owners Are Warned In Sherwood

Immediate action will be taken to end the dog nuisance in the Village of Sherwood, John Norton of the village police announced yesterday.

Any dog found running at large will be impounded and if not claimed within seven days will be destroyed. If a dog is taken a second time the owner will be prosecuted.

Citizens of the village were urged to co-operate with authorities and curb what is becoming an increasing menace. Constable Norton felt that in some cases it was thoughtlessness on the part of owners in permitting dogs to roam at large, but in other instances it was a matter of pure neglect.

Action along this line was instituted in Charlottetown a few days ago.

Better TV Programs Said Object Of Ass'n

On a coast- to- coast tour to promote the National Association for the Advancement of Television, organizing secretary Walter H. Davis of St. John's, Nfld., arrived in Charlottetown last evening.

Mr. Davis, who will be here until Feb. 28, hopes to interest and inform as many persons as possible on what prompted the formation of the organization and what it is aiming for, mainly for the betterment of CBC-TV programming.

The principal purpose of the organization is the combatting of the forces that are attempting to get the CBC off the air, he stated.

Through the work of the organization, Mr. Davis hopes that the supporters of the CBC will meet the challenge of these other groups.

The hope is to preserve the CBC as it is now, but to make it less dependent on advertising for the financing of its operations.

To carry out this undertaking, Mr. Davis resigned as provincial co-ordinator of rehabilitation in Newfoundland, along with his position in a number of other organizations, and is personally financing his own travels, which end in Whitehorse, Yukon, April 10.
