Testimonial

C. P. Fletcher, Esq.

DEAR SIR,—I do not wish to return to Montreal without expressing my gratitude to you for the very excellent Bell Piano that you placed at my disposal for my recital. I have tried many Canadian Pianos of different manufacturers and must say that, considering the size of the instrument, I have never found one to equal it for depth and brilliancy of tone. The action is quite as elastic and responsive as in American Upright Pianos of the highest grade. Again thanking you, very sincerely,

I remain,
Yours,

Striking Effect of Climate.
Occasionally an eloquent testimonial to the virtues of a "health resort" fails to find a place in the printed matter sent out by the hotel keepers or others interested in the prosperity of the place.
A railway president who had gone to one of the summer resorts of the north-west to spend a few weeks was sitting on the veranda of a hotel enjoying the lake scenery and his cigar when he was accosted by a resident "boomer" with the remark:
"You'll find the air here full of ozone, sir. You'll sleep like a log. Before you have been here a week you will gain ten pounds or I miss my guess, and I'm generally right."
"I don't doubt it," replied the railway magnate. "I gained eight pounds the very first day."
"That beats the record," said the "boomer," slightly dazed, but recovering himself promptly, "though I've known instances almost equal to it."
"Yes," rejoined the other, "eight pounds. I weighed myself on a nickel in the slot machine at the railway station when I landed here, and the indicator pointed to 157. An hour later I stepped on the same kind of machine at the hotel, and the figure was 165. Gain of eight pounds in 60 minutes, sir, and I hadn't eaten a bite. Hadn't done anything but breathe this wonderful air. Never saw anything like it. Marvelous climate, sir—simply marvelous. And all it cost me was 10 cents."
—Youth's Companion.

She Found Out.
A Boston lady stood on the deck of the little bump nosed Ocklawaha steamer in Florida, notebook and lognette in hand, asking ponderous questions of a dark roustabout.
"Is the alligator amphibious?" was one of her questions.
The darky scratched his head. He was a bit puzzled, as there had been more corn pone than dictionary in his bringing up, but his quick wit and natural logic did not desert him as he replied:
"I reckon he am, miss'. He done bite yo' shuah of yo' monkey wid him."
—New Orleans Picayune.

The Plural.
Boarding School Teacher—And now, Edith, tell me the plural of baby.
Edith (promptly)—Twins—Pick Me Up.

At His Wits' End.
He sat in his office musing. "Now, here are two tickets for the theater tonight," he said. "If I ask Jones to go with me, I'm sure to find out when I get home to dinner that it's the only thing that's been here in a year that my wife really wants to see, and if I don't ask any one to go and plan to take her I'll learn when it's too late to make any change that nothing could hire her to sit through the old piece."
He puzzled his head over the question for an hour, and then he tossed up a quarter to decide what he would do, although he knew he would lose whichever way it came.—Chicago Post.

Made Bread of Bones.
According to Herault, during the siege of Paris by Henry IV a famine raged and bread sold at a crown a pound. When this was consumed, the people, maddened with hunger, exhumed the dried bones from the charnel-house of the Holy Innocents and from these made a kind of bread.

Prevention at The Right Time.
When the First Symptoms of Trouble are Experienced
It is Wise to Use Paine's Celery Compound.

If the people gave more attention to the prevention of disease there would be less suffering in our midst.
When the first signs of depressed nerve force are apparent, such as sleeplessness, headache, languor, gloomy feelings and despondency, Paine's Celery Compound should be used to feed and build up the nervous system and purify the blood. Weeks and months of sickness and suffering can be avoided if nature's medicine is taken at the right time. No disappointments; no long and weary waiting for a change of health. The promised blessing comes truly and surely and truly.
Try Paine's Celery Compound, dear reader, if your health is not what it should be.
Read the testimony of Mrs. J. B. Orr, of Lennoxville, P. Q.
"I have at various times remarked to my husband that it would be no more than justice to you, as proprietors of Paine's Celery Compound, for me to send you a brief letter, giving a few facts regarding my experience with the great and popular remedy of the day. I have been a very great sufferer from dyspepsia for ten years. At times for the space of several weeks, I would suffer most intensely, notwithstanding great care in dieting and the best medical help I could get. These specially severe attacks were always attended with very violent headache, and followed with nervousness and sleeplessness. Different physicians had exhausted their skill in trying to effect a cure. Finally, upon the advice of a friend, I decided to venture an experiment with Paine's Celery Compound. The first bottle did me much good, and by the time I had used three bottles I was perfectly restored. On one or two occasions since, I have thought it wise to use a single bottle of the Compound which always removes any trace of the old trouble that may be cropping up. It affords me much pleasure to be able to tell my friends of the good health I now enjoy. I am free from nervousness, sleeplessness, dyspepsia, headache, and all the sufferings that arise from these distressing troubles. You are at liberty to use this letter in your good work."
