Santa Arrives In S'Side, Will Be In Ch'town Today

SUMMERSIDE—Santa Claus in splendid red regalia arrived here by plane from his North Pole residence yesterday noon and received an enthusiastic welcome from boys and girls who were on hand to welcome him at the R.C.A.F. Station.

A light fall of snow gave a Christmas atmosphere to the occasion and Santa distributed bags of candy to the kiddies present.

Santa was officially welcomed by Group Captain J.S. Creeper and Mayor W.A. Currie. Before proceeding to his Summerside headquarters in Holman's Toyland he made a tour of Slemom Park.

Santa then proceeded to Summerside where the streets were lined with tiny pre-school tots who waited in anxious anticipation of his arrival.

During his tour of Slemom Park Santa made an unscheduled

visit to the home of Flying Officer and Mrs. John Dennis Carroll where he greeted five-year-old Shirley Carroll. The little girl is confined to her home and waiting to undergo an operation in Halifax for a heart ailment.

The red convertible in which Santa was driving also made unscheduled stops at Summerside High School and St. Mary's Academy.

After completing his journey to his throne at Holman's Toyland, smaller tots were given the opportunity to meet him. Each received a treat.

Today Santa will make his first appearance of the season at Charlottetown. He will arrive at the Charlottetown airport at 1.25 p.m. He will be officially greeted by Mayor Edwin C. Johnstone in the city and shortly afterwards will meet the city's children at Holman's Toyland.

"Book Week" Is Theme Of Tignish H. And S. Meeting

TIGNISH — On Thursday evening, the regular monthly meeting of the Tignish Home and School Association was held in the auditorium of the high school. An exceptionally large number of interested parents was present.

The meeting was presided over by Mrs. Carlyle Trainor. Miss Clotilde Arsenault, who was a delegate at the semi-annual convention in Summerside on October 27, gave a detailed and comprehensive report of the proceedings of that meeting.

As that was "Book Week" the whole meeting featured, illustrated and brought to bear upon those in attendance the far-reaching values of worthwhile books, and the necessity of forming good reading habits while young. To stress this many tastefully illustrative posters on books and their value were displayed in corridors and in the auditorium.

The meeting was honoured by the presence of G.R. McNutt, provincial president of the Home and School, and Judge St. Clair Trainor as guest speaker.

A brief program was presented by the pupils: A tableau on the value of books by 13 boys of grade six; and an appropriate chorus "Books" by the pupils of grades four and five.

Judge Trainor in his address stressed the need for a sane and balanced view of our responsibilities as citizens. This responsibility is not limited, said the judge, by mere personal advancement and vigilance, we have above and beyond that a social duty that includes neighborhood welfare, political and judicial concern and these must be guided by adequate

Immediately after the verdict was recorded, Lawrence Emmett Powers of Toronto, who was also facing the same charge, was brought into the court room after which the crown prosecutor, D.J.
