Edward Island, a daughter of the late Robert and Jane (McKay) Stewart. She came to Brockton to enter training at the Brockton Hospital in the first class of students at that institution. She graduated in 1938.

She went into private nursing and will be fondly remembered by many patients, as well as other local friends.

She was an honorary member of the Brockton Hospital Alumnae Association. She left this city to make her home with a niece, Mrs. McCaig, in Taunton.

While in Brockton she attended the First Baptist Church and was a member of the Stewart Philanthropy Class of that church. It's pastor, Rev. Dr. James A. Davidson, conducted the service, which was held in a funeral home in Taunton. Nurses and members of the church attended from this city and flowers were sent from the Brockton Hospital Alumnae Association and the church. Interment was in Mayflower Hill cemetery in Taunton.

Miss Stewart leaves two sisters, Mrs. John Rieve and Miss Jean Stewart, who also graduated from Brockton Hospital, both of Winnipeg, Canada, and several nieces.

Miss Stewart was one of three remaining members of the first class of the hospital. Those left are Mrs. George Parker of Charlottetown, Prince Edward Island, and Mrs. Barbara Paul.

KEEP THESE IN MIND! Some of the early signs of cancer are:

A lump in the breast. Unnatural bleeding from a body opening.

A sore that does not heal, particularly of the skin, face, mouth or lips.

Any persistent change in bowel habits — such as diarrhoea or constipation.

Many Canadians are enjoying life today because they found that early cancer can be cured.

Keep these danger signals in mind and see your doctor if one appears.
