Provincial Home And School Executive Meets

On Wednesday, November 18th, P. E. I. Home and School will play host to Dr. S. R. Laycock, noted author, educator and child phychologist, when he will address the semi-annual meeting of this organization.

This was the main topic of discussion at the Provincial Home and School executive meeting which was held on October 30th in Mr. K. A. Parker's office.

Two very interesting sessions are planned for the semi-annual meeting which is to be held in Prince of Wales College Hall on Nov. 18th. In the afternoon, there will be a business session followed by a discussion directed by Dr. Laycock on "How to Make Home and School Meetings Effective."

In the evening a general meeting is planned when the public are to be invited to hear Dr. Laycock speak on "Education, a Joint Responsibility of Home, School and Community."

At the executive meeting it was reported that Dr. Lacock arrives in Canada this week, having recently completed a most successful lecture tour and study of Home and School conditions in England and the Scandinavian countries.

Plans are underway to assure a worthy attendance of people to hear this outstanding Canadian, who is past president of Canadian Home and School.

Eugene Lewis and Sgt. Robert Armsworthy. Both R. S. M. Lewis and Sgt. Armsworthy received the medal as a mark of appreciation for long and efficient service and are to be heartily congratulated.

MISSION BAND — Trinity Church Mission Band held its regular meeting in the social hall of the church on Monday afternoon. There were 40 children in attendance. The meeting opened with a recreation period of games and singing. This was followed by a handwork period in which the children made African houses. Mrs. Wendell Wood then very kindly showed a film to the children.The meeting closed with a brief worship period after which a most delicious Hallowe'en treat was served.

TABLE STOCK SHIPMENTS — Shipments of table stock potatoes from the Province for the month of October, indicate that 670 carloads have moved off the Island by rail, water and truck. While this is below the amount moved last year in the same month (710), Department officials point out that a very large amount of potatoes are actually sold but are in storage at various warehouses throughout the country. The figures relating to these cannot be accurately estimated. The M.V. Union Trader is presently loading a cargo of tablestock and seed at the Railway Wharf.

ZION Y. P. S.—Zion Young People's Society held it regular weekly meeting last evening. The devotional period was led by Kay Garnham and Marian MacDonald. The Scripture reading was Luke 15. The president, Keith Beaton, presided over the business portion of the meeting. Plans were made for a bowling party next week. As the present treasurer and secretary Isabel Farquharson and Davida MacEachern, in Toronto, Arlene Larter was elected secretary and John Whiteway treasurer. Two enjoyable films were then shown. The meeting closed with the singing of "Blest Be The Tie That Binds."

ENJOYABLE FUNCTION —The Prince Edward Island Auto Racing Society held a banquet and social evening of dancing at Sandy's Restaurant on Monday evening. Music was provided by the Legionaire Orchestra and about 75 couples enjoyed themselves until 1:30 in the morning. A pleasing feature of the evening was the presentation to Mrs. Keith Bryenton, of a Silver Tea Set, in recognition of her work as official scorer during the past summer. In speeches heard from Mr. Keith Bryenton, President, Mr. Ivan Kerry and Mr. Frank Morgan, plans were formulated for the coming year's activities. The annual meeting of the Association will take place in January.

Federated Civil Servants Meeting

Mr. Gordon Ross of the Seed Certification Branch, Charlottetown was elected President of the Prince Edward Island District Council of Federated Civil Servants at their annual meeting, held at the offices of The Unemployment Insurance Commission last night. Other officers elected were, 1st Vice-president, Mr. Bruce Wonnacott, Department of Veteran's Affairs, City; 2nd Vice-president, Mr. J. Moore, Civilian Personnel, R.C.A.F. Station, Summerside; Secretary treasurer, Mr. George Cheverie, Unemployment Insurance Commission, City.

Mr. Myles MacPherson, the retiring president, was in the chair, and opened the meeting by introducing the guest speaker of the evening, Mr. Don Smith, field representative of the Credit Union National Association with headquarters in Hamilton, Ontario. Mr. Smith outlined the functions of a credit union and made himself available for a short question period which followed. The different civil service groups having representation at the meeting were, the railway mail clerks, the postal clerks, the letter carriers, the Department of Veteran's Affairs, the Department of Agriculture, the Unemployment Insurance Commission and the Civilian Personnel Association.

At the conclusion of Mr. Smith's remarks, a committee headed by Mr. J. J. "Buff" Connolly, was appointed to further study the question of forming a credit union among employees of the Federal Civil Service within the Charlottetown area. Others on the committee were Messrs. Bruce Wonnacott, Bayfield Ellis and George Cheverie. A general meeting will be held in November to determine the wishes of the members towards the formation of a union.

Disaster First Aid Teams Meet

Members of the Disaster First Aid Teams met at Red Cross Headquarters on Monday night when the Provincial chairman, Mr. J. Gordon Macdonald presided. After the showing of the film "Miracle Fluid" which describes the Red Cross Blood Transfusion Service in detail, the chairman introduced Mrs. Jack Brown, one of the two local laboratory technicians on the National Red Cross blood transfusion staff.

Mrs. Brown gave a complete description and demonstration of the many steps involved in cross-matching each bottle of blood with that of the patient requiring the transfusion, and answered many questions put to her by her listeners. Her demonstration was a revelation to most of her audience who had no idea of the tremndous amount of work and exacting detail required of these skilled lab. technicians, who sometimes have to cross-match as many as 35 bottles of blood in a day which means going through the same intricate procedure with each of the 35 bottles. Mrs. Brown told about having to provide blood for replacements or tranfusions for seven jaundiced RH factor babies during the past six weeks, and mentioned that two of these were twins who are doing well since being transfused.

Speech By Churchill

months ago that he thought it would be a good thing for the heads of the principal states and governments to meet the new leaders of Russia.

"I still hope such a meeting may have a useful place in international affairs," he said.

"On the other hand, one must not overlook the risk of such a four-power conference ending in a still worse deadlock than there is at present."

Shadow of "A" Bomb

Although he recognized the opposition to his proposals for a meeting with Malenkov, Churchill refused to be dismayed by the world outlook.

He said he hoped Russia would agree to attend a conference proposed by the Western foreign ministers ,and said that although the development of atomic weapons cast a shadow on the world "still I believe we are justified in feeling that there has been a diminution of tension, and that the probabilities of another war have diminished—or at least have become remote."

Sometimes, he said, he had "an awed thought" that the annihilating character of atomic warfare may bring security.

It may be, he said, that "when the advance of destructive weapons enables everyone to kill everybody else, nobody will want to kill anybody at all."

Red Persuasion

ing a murder investigation inside the compound requested by the Communists.

A second batch of cursing, taunting North Korean prisoners Tuesday faced Communist teams and only 19 out of 483 chose Communism.

Like the second group of Chinese to be brought to the explanation tents, the Koreans today appeared more relaxed. Also like the Chinese, they seemed to welcome the chance to insult the Red teams.

Indian chairmen kept the interviews moving rapidly. They held them to a maximum of 30 minutes

Paper Masks

Still unanswered is the question of whether the Communists will continue to expose themselves to such overwhelming rejection as the prisoners have been dealing them.

So far, more than 96 per cent of all the prisoners interviewed have refused to go home.

Of the 921 Chinese interviewed so far, only 2.2 per cent have gone back. Of the 962 North Koreans interviewed only 4.1 per cent have returned.

North Korean officers at Tuesday's explanations looked extremely uncomfortable as the day wore on and the prisoners insults rose.

Many prisoners wore paper "devil masks" and some of the supreme insults of all—paper mask caricatures of Kim Il Sung, Red Premier of North Korea.

ing expansion of the powers of the central authority."

Other Recommendations

The youth organization—an education and social body—recommended:

1. A provincial court of final appeal in all civil matters, now handled by the federally-appointed Quebec court of appeal.

2. Transfer of certain matters from the federally-appointed Quebec superior court to a provincial court.

3. The maintenance and creation of administrative commissions to handle certain types of disputes.

Appointment of the provincial lieutenant-governor by the Quebec government was also recommended.

The brief was the first presented to the commission, headed by Chief Judge Thomas Tremblay of Quebec city court of sessions.

Ask Arts Council

The youth association said provincial authorities should study the possibility to nationalize existing radio stations and urged establishment of a provincial arts council to promote culture.

It said the central authority is using mass communications to push measures directed against provincial autonomy.

"This propaganda machine consists of a radio and television network, of news agencies and newspapers, of cinema offices, and publications put out by the central authority.

"In addition, the central authority has taken care to cut off the provinces from access to popular education methods by refusing radio and television..."

The body termed federal-provincial agreements, now in effect in all provinces except Quebec, "new federalism which may suit the English provinces because they stand to lose nothing."

The group deplored that because Quebec votes as a block in federal elections there is little opposition in the Commons in Ottawa.

"Only an autonomous Quebec can offer officient opposition to a central regime and thus safeguard one of the basic principles of a democracy."

Wool was shorn from 895,700 sheep in Canada in 1953, an increase of eight per cent over 1952.

Christmas Party Is Planned For New Canadians

Plans for the annual Christmas party for new Canadians were made at a meeting of the Canadian Citizenship Council held yesterday afternoon and presided over by Mrs. J. B. Murley.

The party will be held at the Canadian Legion on Monday, December 7th with Santa Claus on hand to give out treats to the many child who will attend with their parents. At the request of several former residents of Holland a special feature of the evening's programme will be folk dances which they were accustomed to doing in the old country.

It was decided that no written invitations would be sent out to either the new Canadians or their employees but that publicity would be given to this event in every possible way. All new Canadians and their employees are welcome to this party, which is usually attended by upwards of 300 persons.

The members of the Canadian Citizenship Council were pleased to learn that the Department of Education is continuing to conduct regular classes in English for these new Canadians at Prince of Wales College.

Body Of Infirmary Patient Found In Harbor Yesterday

The body of Robert Stewart, 78, a patient at the Provincial Infirmary was found in the harbour about 9:00 o'clock yesterday morning. The deceased, who was a native of Victoria West, is not known to have any close relatives, but on Monday morning he had left the Infirmary with the intention of visiting a cousin in Summerside. When he did not return to the institution that evening, no concern was felt, since it was presumed that he had fulfilled his intention of going to the Western Capital.

The deceased had been a guest at Beach Grove, previous to his coming to the Infirmary last April 18th, and it was the practice to allow him the liberty of going up town, or, as was the instance in this case, of making an occasional trip up West. He is believed to be carrying only a dollar at the time of leaving the Infirmary and when the body was found, police report the finding of 53 cents in a purse in his underwear.

Coroner L. E. Prowse has ordered an inquest to be held at City Hall on Monday the 9th at 7 p.m. The following are the members of the jury: Messrs Len Connolly (foreman), Walter Young, Obid Dollar, Golden Barrett, Michael Ellsworth, Edgar Peters and William MacDonald.

L. M. Montgomery Chapter Meet

The monthly meeting of the Lucy Maude Montgomery Chapter of the I.O.D.E. was held at the home of Mrs. Gordon Hughes on Nov. 2. There was an attendance of 18 members.

Mrs. Ron Smith, Regent of the Chapter opened the business meeting. A letter was read by the treasurer from the student whom the Chapter gave a donation thanking the Chapter for the same.

Mrs. Stan Lancaster reported that the crates for Save the Children Fund and Greece were shipped. She commented on the fact that there was a generous supply of clothing for Greece.

The Regent will represent the Lucy Maude Montgomery Chapter at the Memorial Day Service by placing a wreath on the monument.

The ways and means committee reported on the final plans for a cake sale. It was reported that the Chapter received permission to hold the sale of candy at the Little Theatre Guild when they present their play in November.

Following the closing of the meeting the members were greatly entertained by the appearance of two of the members attired in male costume who staged an impromptu auction. The proceeds from this auction will go toward their talent project which the Chapter has as one of its projects.

Lunch was then served with Sybil MacLean, Grace Crosby and Miriam Matthews on the committee. The next meeting will be held at the home of Mrs. Isabel Andrew.

Wood Islands Ferry Figures For October

Figures for traffic ferried on the Wood Islands-Caribou service during October were announced yesterday by Northumberland Ferries Ltd. They showed a decrease of 476 in the number of passengers and of 291 in the number of trucks, but an increase of 73 in the number of automobiles ferried over the same period a year ago. Total traffic from May to October also revealed the same trend, a slight decrease in passengers and trucks and increase in automobiles.

Following are the figures for October this year with the figures for last year in brackets: Passengers, 7,806 (8,282); autos 1,930 (1,857); trucks 876 (1,167).

Total traffic figures, May to October, with 1952 figures in brackets: passengers 74,975 (77,457); autos 19,814 (19,639); trucks 5,670 (6,021).

The company statement said: "The shrinkage in truck traffic is accounted for by the fact that a 10-day embargo was placed on potato shipments by the Federal Fruit and Vegetable Inspection Department to ensure freedom from blight, and by the fact that owing to low prices for potatoes movement was restricted to the larger trucking units."

Local C.W.L. Monthly Meeting

Charlottetown Sub-Division Catholic Women's League held its regular monthly meeting last evening in Knights of Columbus Home. Mrs. Fred J. Steele, president, presided and opened the meeting with prayer in the absence of the Rev. Director, P. F. MacDonald, who is ill.

Before the business meeting Miss Marion Dougan played the National Anthem. Business proceeded with the reading of the minutes of the last monthly meeting, which were approved as read by the secretary, Mrs. C. L. MacDonald. The financial statement was given by the treasurer, all bills being voted to be paid.

The corresponding secretary read the following correspondence: Sister Mary Eugene, social welfare, thanking league for their contribution toward welfare work; Sisters of the Precious Blood, for donation of money toward their new building fund; Dr. P A. Creelman, superintendent Provincial Sanatorium, thanking league for their kindness in remembering patients on Sanatorium Day; Charlottetown Playground Commission, per Ethel Sutherland, thanks for donation; Carolina MacKinnon, expressing appreciation for gift received on her departure from Charlottetown; the family of the late Mrs. Maurice White, for sympathy extended in bereavement; Weir family, per Mrs. Frank Walker, for kind expression of sympathy; Edith M. Davis, Ladies' Auxiliary, thanks for donation to poppy fund; Catherine Noonan, provincial president, Canadian Red Cross, requesting members as blood donors.

The following conveners were present and gave reports on the work done during the month of October:

Institutions—Mrs. Frank Walker reported a very successful Sanatorium Day and thanked all members for their donations of candy, flowers and fruit and assured the members that it was greatly appreciated by the patients.

Social Welfare — Mrs. K. Creamer said that a great amount of mending and knitting was done for needy families, but urged the members to try and come to the bureau on Wednesday afternoon as the need is very great.

Citizenship — Mrs. Lorne Noonan reported attending the meeting of T. B. League and polio chapter.

Membership — Mrs. P. J. Nealis introduced four new members who were welcomed to the league by the president.

Program — Miss Marion Dougan.

Girl Guides — Mrs. Arthur Del Coste.

Finance — Mrs. Peter LeClair said that the sub-division should put on something to increase the funds and at her request it was decided to hold a rummage sale on November 20 and 21st in Holy Name Hall. All members were asked for donations of used clothing.

Money voted by the sub-division included $10.00 for Christmas party for New Canadians.

A discussion followed on Home Nursing by Red Cross, per Miss Darrach, who asked all members who would be interested in nursing classes to give in their names.

Letters of appreciation are to be sent to West End Nurseries and Estate of John Williams for gifts of flowers sent on Sanatorium Day. It was also decided to send a letter of congratulations to Mrs. Frank Murray on her receiving the Coronation Medal for outstanding work done in the Catholic Women's League.

Following the business meeting, a social hour was enjoyed by the members, the hostesses being Mrs. E. J. McTague, Miss Gertrude Coady, Mrs. Frank Saunders and Mrs. John Walsh. Delightful piano selections were rendered by Miss Marion Dougan during the tea hour, which added greatly to the enjoyment of all present.

HALLOWE'EN ROBBERY

NANAIMO, B. C., (CP) — While Hallowe'en merrymakers milled outside, safe crackers blew a safe in a chain store here Saturday night and got away with more than $3,000. RCMP believe the noise may have been drowned out by exploding fire crackers.

Tourist Value Stressed At Inn Keepers Ass'n Meeting

"The tourist traffic may be much more important to this Province than is generally understood," said Premier A. W. Matheson in addressing the P. E. Island Inn Keepers Association at their seventh annual dinner meeting held in the Charlottetown Hotel last evening.

"If I were sure that a million dollars in revenue comes to the Province through the industry, it would be most encouraging and an incentive to suggest changes and improvements," the Premier continued. "I suggest that you submit absolute facts to the Department of Public Works from where your suggestions will reach the Government."

The Premier suggested, however, that in the meantime the members of the Association should get in touch with their "Ambassadors of good will," their representatives in Parliament, and make them thoroughly conversant with their aims and objects, and sell them the idea of the value of the tourist business to the Province.

"We are getting the four Atlantic Provinces together on an over-all advertising programme," the Premier said, "but we must all get together locally in the Province to expand and improve the situation here." Speaking of the dust problem he said he hoped this objectionable feature would be cut down. "I saw nothing in a recent trip from coast to coast that made a visit more desirable than a visit to our own Province," the Premier said.

"You must boost P. E. Island agricultural products, its fish products and serve them in a way peculiar to yourselves so that a name for excellent cooking of specific Island products will follow. You are all in keen competition; it is up to you to provide equally keen co-operation in the interest of the whole industry," the Premier concluded.

Other speakers were Messrs. B. Graham Rogers, Director of Transportation and George V. Fraser, Director Tourist and Information Branch.

Mr. A. B. LePage, Cavendish, was elected President of the Association with Mrs. Elsie Inman, Montague, first. vice-president, and Mr. Vaughan Groom, Summerside, second vice-president. Mr. A. Walthen Gaudet, secretary-treasurer. The directors elected were: Messrs. Dan Chan, Wallie Rodd, Wendell Mutch, Gordon Shaw, Miss Mary Stewart and Mrs. P. J. Proude.

Mr. Geo. V. Fraser, in describing the efforts of the Travel Bureau to interest prospective tourists, said that seventy-five copies of a really up-to-date film produced by Mr. Desmond Dew of the National Film Board will be shown throughout Canada and the United States during the winter months. "Our endeavour in this respect received the hearty cooperation of the Inn Keepers executive, following permission from the Premier to arrange for the production."

"There is a growing tendency on the part of visitors to make the 'in and out' trip through Borden and Wood Islands with only a one night stop-over," said Mr. B. G. Rogers. "The reason for this hit-and-run attitude has not yet been determined but it would appear to be worth investigating with a view to a remedy. I suggest that you all keep a record of griefs, suggestions and praise, and use Secretary Gaudet's office as a clearing house for such valuable information," Mr. Rogers concluded.

Afternoon Session

During the afternoon session, President Gordon Shaw submitted his report in which fitting reference was made to the death of Mr. H. Profitt and regret at the departure of Mr. Gordon Foster for Newfoundland. He referred to the proposed new Charlottetown Board of Trade Travel Bureau and hoped for Inn Keepers co-operation. Commenting on the close co-operation received from the former Provincial Secretary, Mr. Arsenault, he was happy to report that the same consideration was being received from the present secretary, Hon. William Hughes. The President reported that a meeting of the six Boards of Trade, and Inn Keepers along with other interested organizations would be held early in January to explore the possibilities and confer with the Government on the question of placing a hard surface road about 30 miles long in connection with reaches to the National Park area. The meeting will also be attended by all members of parliament and addressed by Mr. Leo Dolan. The report was adopted as was also that of the Treasurer which showed a substantial balance in the funds of the organization.

Messrs. Wendell Mutch, Vaughan Groom and Mrs. Inman constitute a committee appointed to deal with picking a new site and making approved alterations in the Albany Tourist sign erected at a cost of $636.

The secretary announced a preview of the new publicity film, probably on Saturday of this week.

Talk on Air And Civil Defence

Brigadier G. G. K. Peake was guest speaker at a full attendance supper meeting of St. Paul's Laymen's Association held in the parish hall last evening.

The Brigadier gave a highly interesting talk on "Air and Civil Defence of Canada," supporting his remarks with an adequate reference to maps to make his address more significant. The civilian aspect of defence was dealt with at length.

A vote of thanks expressed the appreciation of the meeting for a noteworthy and timely talk was extended the speaker.

Seven visitors from other parishes were given a hearty welcome to the meeting by president W. R. Brennan. who presided.

The meeting was briefly addressed by the Rector, Rev. Canon J. T. Ibbott, who opened the supper with grace and concluded the meeting with the benediction.

Mr. Andrew Likely conducted the sing-song with Mr. Robert Crooks at the piano. The ladies were highly commended for a supper of unusual merit.
