

A New Wave of New Ideas! We like to make waves at Ford...stir up new and better ideas. Like the Thunderbird look that changed the look of all cars. Fairlane, first of the lean, trim middleweights. The Mustang revolution. Falcon, the compact that broke all records—and a Ford quieter than a Rolls-Royce. Engineering magic like the Station Wagon Magic Doorgate, two way SelectShift Cruise-O-Matic...wave after wave of fresh ideas that more and more people have discovered—and switched to. The new wave from Ford keeps growing. Now it hits a new crest...starting 1967 with an unsurpassed Extended Warranty: 2-Year/24,000-Miles—5-Year/50,000-Miles.*
