Grain

WINNIPEG, Nov. 23 — (CP) — All prices took on a lower trend today on the Winnipeg Grain Exchange. Weakness on United States grain and commodity markets influenced trade here.

Selling and hedging were increased, while commercial demand was not aggressive.

Fair shipper demand appeared in oats and barley, while further export buying came out in barley in connection with reported export business to the United Kingdom. Industrial accounts took flax. Rye went against the trend early in the session but dropped lower towards the close.

Export loadings of Canadian wheat were confined to 715,000 bushels to the United Kingdom.

Class two wheat and I.W.A. parities were unchanged from yesterday.

Closing prices: Oats — Dec. 99 1/2; May 96 1/2; July 90 1/2. Barley — Dec. 1.37; May 1.29 1/2; July 1.24 1/2. Rye — Dec. 1.96 1/2; May 1.99 1/2; July 1.95 1/2. Flax — Dec. 4.88 1/2; May 4.87; July 4.73A.
