Councillor Will Seek Power Rate Reduction

SUMMERSIDE — Councillor Eric Johnston, chairman of the town electric committee, announced yesterday that he will place a recommendation before the council at its annual meeting in February for a reduction in electric light rates.

The proposals, to apply to both domestic and general (commercial) rates as well as rates for the industrial park, would create a drop in revenue to the town estimated at \$30,000, Coun. Johnston stated.

In the domestic service division, he proposes a reduction of 25 cents to \$1.75 on the base charge, plus an additional reduction of 1-10 of a cent on the first block of energy used. The present rate for the first block is 2.8 cents per kilowatt hour for the first 200 kilowatt hours. If the proposal is accepted the new hour.

The second block rate will remain at 1.8 cents for all additional consumption over 200 kilowatt hours.

The proposed reduction in the general service division would see the present rate of 2.8 cents for the first 100 kilowatt hours per month of connected load reduced by 1-10 of a cent to 2.7 cents and the second block, now at 1.8 per kw hour, for all additional consumption, will also be reduced to 1.7 cents.

Pipe Lines Revenue Up

CALGARY (CP)—A preliminary report on 1965 operations shows Trans-Canada Pipe Lines Ltd. had net income of \$13,834,000 during 1965.

In the preliminary report issued Monday, board Chairman J. W. Kerr, Toronto, also revealed that the company's operating revenues for the year were 14.5 per cent higher than during 1964.

The report indicates that contracts for the sale of additional Alberta gas to customers in Eastern Canada and the United States, now awaiting the outcome of hearings on the company's Great Lakes proposal, will mean sales revenue to Trans-Canada of more than \$1,800,000 over the life of the contracts.

During 1965 84 miles of 34-inch diameter pipeline was constructed in Saskatchewan and Manitoba. Two new compressor stations were installed in Ontario. The total construction program involved expenditures of approximately \$26,000,000. The completion of 40 miles of pipeline from Montreal to Phillipsburg, Quebec, for connection with the facilities of Vermont Gas Systems, Inc. is expected early in February.

The company's 1965 construction program is estimated to cost \$26,000,000.

Foundation Co. Profit Improves

TORONTO (CP)—Canadian Foundation Co. Ltd. had net profits of \$781,500 for its 10 months' operations in 1965, compared with \$685,283 in the 12 months of fiscal 1964.

The company reported on only 10 months since it is changing its fiscal year to end Oct. 31 instead of Dec. 31.

The annual report said last year's record volume of construction work should continue through this year, with the backlog of Foundation's construction and engineering contracts substantially higher than it was a year ago.

Members of the Christian Education Committee include Bev Simpson, Mrs. Louis Vessey, Mrs. Willard Murry, Mrs. Clifford Chappell, Frank Lewis and Willard Murry; treasurer, Nelson Vessey; plate collectors, Donnie Chappell, Raymond Vessey, Lawrence Lacey, Allison Swan, Lowell Vessey, Larry Welton, Kerl Vessey, Ronnie Johnson.

Sunday school superintendent is Mrs. Willard Murry, assistant superintendent is Bev Simpson. Cemetery steward is Vernon Duck.

CABINET FLIES IN STYLE

The Canadian government will buy eight Falcon or Mystere-20 jet planes from the Dassault company of France for use by Federal cabinet ministers. It was announced last week. The cowling or engine cover of the Falcon in the picture will be slightly modified for the eight-passenger jets ordered by the government. (CP Wirephoto)

Arctic Hunting Suggested Possible Tourist Attraction

OTTAWA (CP)—Game preserves in the Arctic should be opened to big-game hunters as a tourist attraction, the only Eskimo member of the Northwest Territories council said Monday.

Abu Okpik (Yellowknife) said many parts of the High Arctic, particularly the Arctic islands, had never been explored by Eskimos.

"Shouldn't we make a study which would show what sort of game is up there and whether it could be used to attract tourists to the Northwest Territories?" he asked the council.

Presenting the estimates, Commissioner B. G. Sivertz said capital expenditures by the northern administration are expected to exceed the figure estimated under the 1962-1967 federal-territorial loan agreement by \$2,700,000.

Approval for a raise in the loan ceiling must be given by the federal Parliament.

The positive side of the increase could be seen in the fact that more people in the territories had been served. "We have more children in school and more people have been extended essential services."

Earlier, council spent several hours discussing game laws in the territories. It was during this discussion Mr. Okpik made his suggestion.

Traditionally, game hunting in the territories has been the right of the Indian and Eskimo natives.

Commissioner Sivertz said "the proposition of using game

not simply for pelts and for meat but for trophy hunting is a very interesting one."

But extreme care should be taken before hunting regulations were changed, particularly with respect to the polar bear.

"The polar bear population in North America is very small and is apparently diminishing."

Council will vote on the recommendation later this week.

DEAF APPEAL FOR FUNDS
TORONTO (CP)—The Canadian Fraternal Society for the Deaf will ask Finance Minister Sharp to include a grant for research and production of films for the deaf in his 1966 budget.

MORE BEING KILLED
The number of polar bears which could be killed by Eskimos was unlimited, and the number killed was increasing sharply due to the use of high-powered rifles with telescopic lenses and motorized toboggans.

FOUR OF THE TOP agricultural show people of the province are shown here. They were among the 20 farm people honored yesterday by the Charlottetown Rotary Club for their victorious performances at major shows last year.

Farmer Is Blamed Unfairly As Costs Rise, Rotary Told

The farmer is getting an increasingly smaller share of the housewife's food dollar; and the cost of food is unfairly blamed for the cost-of-living increase, Dr. W.A. Jenkins, Truro, N.S., told the Charlottetown Rotary Club here yesterday.

The club was holding its annual rural-urban day when it honors farm men, and women, who have excelled at fall fairs and other exhibitions, and in other agricultural competitions through the past year.

Using a cardboard box of groceries to illustrate one part of his remarks, Dr. Jenkins, who is principal of the Nova Scotia Agricultural College, painted graphically a picture of what the food bill actually is in relation to the grocery order, and the share the farmer actually receives.

A Truro lady paid \$14.46 for her grocery order and observed caustically "No wonder the farmers are getting richer."

When Dr. Jenkins checked through her list he found that the actual farm-produced items amounted to only \$8.00, and of that the farmer had received originally only \$1.30.

Other items included such things as nylon stockings, one long-playing record, two boxes ketchup and tooth paste.

A Gallup Poll survey had most people saying the cost of food is responsible for the jump in cost-of-living. But Dr. Jenkins noted that the living cost index stands now at more than 135.4, if one takes the 1949 index as 100.

DEATHS

DOIRON — At his home, South Rustico, Jan. 31, 1966, Dominick Doiron in his 81st year. Remains will be forwarded this afternoon at 3 o'clock from the Charlottetown Funeral Home to his late residence. Funeral Thursday morning, leaving the house at 9:30 for Requiem High Mass at St. Augustine's Church at 10 o'clock. Interment in Church Cemetery.

MACNEIL — At the Toronto General Hospital Sunday, Jan. 30, 1966, Freda MacNeil, wife of Hector K. MacNeil of 281 Fitzroy Street in her 63rd year. Resting at the MacLean Funeral Home on Wednesday from where the funeral will be held on Thursday Feb. 3 with service commencing at 3 p.m. Interment in Argyle Shore cemetery.

HUGHES — At the Charlottetown Hospital Jan. 30, 1966 Mrs. Thomas Hughes of St. Mary's Road, P.E.I., age 66 years. Resting at her late residence. Funeral from St. Paul's Church, Sturgeon, Wednesday Feb. 2, with Requiem High Mass at 10:30 a.m. Interment in the church cemetery.

CUNNINGHAM — At Summerside, Monday, Jan. 31, 1966, Mrs. Isabella F. Cunningham, wife of the late Dr. J. R. Cunningham in her 74th year. Remains were forwarded last evening from the Compton Funeral Home to her late residence, 2 Water Street, from where funeral will be held Wednesday, Feb. 2, at 2 p.m. Interment in the People's Cemetery.

MACSWEEN — At the Prince Edward Island Hospital, Jan. 30, 1966, Murdock E. MacSween, Brookfield, in his 75th year. Resting at the Cutcliffe Funeral Home from where the funeral will be held Wednesday with service commencing at 1:30. Interment in Princetown Road Cemetery. Members of the Tanton L.O.L. are requested to meet at the funeral home Tuesday at 9 p.m.

MACDONALD — At the Prince Edward Island Hospital on Jan. 31, 1966 Norman MacDonald of Caledonia, P.E.I., age 82 years. Resting at the Montague Funeral Home. Funeral from Caledonia Presbyterian Church Wednesday Feb. 2 at two o'clock. Interment in the Caledonia Cemetery. In lieu of flowers, donations to the Cancer Fund will be appreciated.

GIDDINGS — at Kings County Memorial Hospital, Montague, on Jan. 31, 1966, Percy J. Giddings of Cambridge, P.E.I., age 53 years. Resting at his late residence. Funeral from St. Paul's Church, Sturgeon, Wednesday, Feb. 2, with Requiem High Mass at nine o'clock. Interment in the church cemetery.

Farm Machinery Probe Possible

OTTAWA (CP)—Agriculture Minister Greene said Monday night an inquiry into farm machinery prices, uncompleted by the Commons agriculture committee four years ago, may be reopened.

Mr. Greene told Reynold Rapp (PC—Humboldt-Melfort-Tisdale) he shares his concern about the increasing cost of farm machinery.

An inquiry in 1960 and 1961 hadn't been completed but it had indicated that the cost of machinery was one of several factors affecting farm income and the cost-price squeeze on farmers, Mr. Greene said in an adjournment debate.

He said he might ask the standing committee to reopen the inquiry.

Mr. Rapp said farm machinery prices are "way out of proportion" and are forcing some farmers out of business.

United Church At York Holds Annual Meeting

The annual congregational meeting of York United Church was held in the church recently with Rev. F. W. Lacey leading the opening worship and conducting business.

Reports presented included the following: United Church Women, Francis Vessey; reported having met allocations of \$300; Messenger report, prepared by Mrs. William Crockett and Joan Bruce, stated that funds were being raised for the Mission; the CGIT report by Mrs. Richard Vessey showed that the CGIT is also contributing to missions and maintenance.

Other reports included Sunday school, Mrs. Arthur Johnson; cubs and scouts, Mr. Lacey; financial, Nelson Vessey; building fund, Bev Simpson; sessions, Mr. Lacey; Bible Society, Mrs. Frank Vessey.

The following officers were elected stewards: Gordon Vessey, Nelson Vessey, Peter Proud, Dower Swan, Stewart Vessey and Harry Lewis; trustees, Frank Lewis, Alan Brown, Arthur Brown, Arthur Johnston, Frank Vessey and Louis Vessey; elders, Leith Brown, Parker Jewell, Bev Simpson, Harry Welton; manse committee, Mrs. Raymond Vessey, Mrs. Clifford Chappell, Frank Lewis and Willard Murry; treasurer, Nelson Vessey; plate collectors, Donnie Chappell, Raymond Vessey, Lawrence Lacey, Allison Swan, Lowell Vessey, Larry Welton, Kerl Vessey, Ronnie Johnson.

Pipe Lines Revenue Up

CALGARY (CP)—A preliminary report on 1965 operations shows Trans-Canada Pipe Lines Ltd. had net income of \$13,834,000 during 1965.

In the preliminary report issued Monday, board Chairman J. W. Kerr, Toronto, also revealed that the company's operating revenues for the year were 14.5 per cent higher than during 1964.

The report indicates that contracts for the sale of additional Alberta gas to customers in Eastern Canada and the United States, now awaiting the outcome of hearings on the company's Great Lakes proposal, will mean sales revenue to Trans-Canada of more than \$1,800,000 over the life of the contracts.

During 1965 84 miles of 34-inch diameter pipeline was constructed in Saskatchewan and Manitoba. Two new compressor stations were installed in Ontario. The total construction program involved expenditures of approximately \$26,000,000. The completion of 40 miles of pipeline from Montreal to Phillipsburg, Quebec, for connection with the facilities of Vermont Gas Systems, Inc. is expected early in February.

The company's 1965 construction program is estimated to cost \$26,000,000.

Foundation Co. Profit Improves

TORONTO (CP)—Canadian Foundation Co. Ltd. had net profits of \$781,500 for its 10 months' operations in 1965, compared with \$685,283 in the 12 months of fiscal 1964.

The company reported on only 10 months since it is changing its fiscal year to end Oct. 31 instead of Dec. 31.

The annual report said last year's record volume of construction work should continue through this year, with the backlog of Foundation's construction and engineering contracts substantially higher than it was a year ago.

Members of the Christian Education Committee include Bev Simpson, Mrs. Louis Vessey, Mrs. Willard Murry, Mrs. Clifford Chappell, Frank Lewis and Willard Murry; treasurer, Nelson Vessey; plate collectors, Donnie Chappell, Raymond Vessey, Lawrence Lacey, Allison Swan, Lowell Vessey, Larry Welton, Kerl Vessey, Ronnie Johnson.
