Limitations Favored On Traps And Licences

A meeting was held last night at the Legion Hall in Morell attended by some 150 fishermen from the Kings County area to discuss limitations on traps and lobster fishing licenses. Three resolutions were passed by the meeting to be forwarded to the fishermen of other principal areas in the province.

The first motion made by Francis Macdonald and seconded by Charles MacKinnon was that the meeting approve traps and license limitations and asked that the subject be considered at formal meetings at other principal areas of the province.

The second motion read that the fullest attention by the Fisheries Research Board of Canada and any other agencies be called to the question of trap limitations, for possible help so that an early recom-
