Firestone 2-for-1 Sales are NOT discount sales. I.e., a sale where the services provided for you, the customer, are discounted or removed, in order to discount the price of the product. When you buy from Firestone even during the 2-for-1 sales, you still receive free delivery to location, hook-up when wiring or plumbing is provided, full instruction, full warranty including transportation, parts and labor, plus a 30-day cash consideration, or the privilege of a low cost monthly payment plan, and storage when required.

These items are not scratched, dented or bankrupt stock but they are brand new factory-crated and all are covered with the full warranty from Firestone and the manufacturer.
