J. Cundall, thence east along King Street forty-one feet, thence north at right angles, to King Street eighty feet, thence parellell with King treet fourteen feet, thence at right angles with King Street seventeen feet, thence parellell with King Street twenty-seven feet thence south ninety-seven feet to place of commencement; for unpaid assessments or Taxes, the name of Alexander McKenzie being entered on the assessment Books as the owner or apparent owner thereof, and the said sum not having been paid as required by law, and judgment having been given by the said John A. Aquiri

40,051

Aquiriis a beautifully-gaited, level-headed natural born trotter. The rich inheritance of speed and all other race-winning qualities that he has received from both Sire and Dam should enable him to become the most successful Sire of early and extreme race-winning speed in the Maritime Provinces. Most of the disappointments in breeding trotters are the results of foals throwing back as it is termed, and inheriting the characteristics of one no-account ancestor, three or four and sometimes even more generations away. Not a single no-account animal can be found among the ancestors of Aquiri, hence when a foal by him inherits the characteristics of some of his remote ancestors it cannot be otherwise than a good one at futurity.

You can get a living foal from Aquiri the coming Sire of futurity winner(s) for only $15 $10.00 cash when mare is bred.
