

HELLO FROSH!!!!!!!!!!!!!!

This is Treena Gallant and Colette Komst writing to see if you survived the Frosh Week activities. We hope you all had a great time and that your experience in the Advisement Centre, i.e. registration and campus tour, made your first few days a little bit easier.

At this time we would like to take the opportunity to thank all faculty advisors that made the Advisement Centre possible. It was great working with and getting to know all of you and we hope to see you around the university campus. We must also not forget to thank the Registrar's Office for their assistance, Marriott Foods, the U.P.E.I. Bookstore, Gulf Vending, Gerry Birt, and of course Student Services, all of whom contributed to the Centre's success.

It was really great getting to meet all of you during the summer. Don't forget to say hi when you see us on campus, and if you have any questions, please feel free to ask us or drop in to Student Services for assistance in course counseling, financial aid, student exchanges, tutoring, reading lab, etc.

HAVE A GREAT YEAR!!!!!!SEE YA!!!!!!
