Weird Match In Prince Loop

By NORMAN MacDONALD

The combination of a cold June evening and one of the weirdest exhibitions of baseball we've seen in many months caused us to leave the scene of the crime and go home after the fifth inning when Tishish Aces...

able chucker. He struck out five in the first three innings, and his infield was more to blame than he was for the fourth inning uprising.

Pitcher Gavin partly redeemed his pitching lapses by hitting a long home run ball to deep right field in the first inning. This was the only chance he got to demonstrate his slugging powers as he was taken out of the line-up in the third frame.

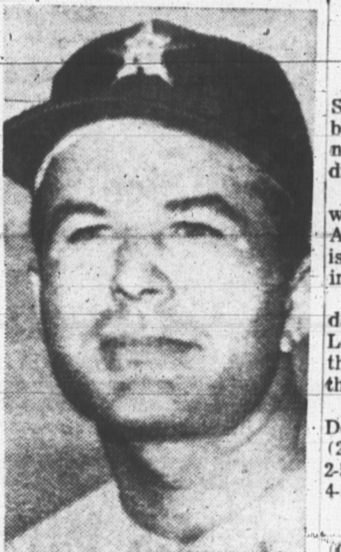

Don't get us wrong. There were some good ball players on both teams. Sometimes we think the weather has something to do with the quality of play.

Attention - umpires! When you call a third strike on a batter, don't be too quick to say catcher might drop the ball, and then except under certain conditions the batter is not out, and must be tagged or retired at first.

Then the roof fell in Myers couldn't cope with the RCAF batting - and the Eagles must have got a bit dizzy circling those bases.

Astro Star Gentle Refuses Club Order

HOUSTON (AP) - Houston Astros assigned Jim Gentle to Oklahoma City Monday but the veteran first baseman with the exploding temper indicated he might quit baseball rather than report to the minor league club.

JIM GENTLE

Gentle, 32, was informed of the decision Sunday night shortly after he was kicked out of the game between Houston and Chicago Cubs for tossing his bat toward plate umpire Ed Vargo.

Harness Racing Goes Tonight

Another classy race card is on tap tonight at the Charlottetown Driving Park with seven top junior free-for-allers bidding for top honors in the featured 5th and 9th dashes.

Ohio's Orphan who took a new lifetime mark of 2:08 4 last year will be leaving from the rail position and this will make the five-year-old son of Ohn Time tough to beat in the fifth dash.

Whirl a Wick, who also is making her first start of the year at the local oval has been training well and could easily walk off with top honors. Sunny King who won his last two starts here will leave from the three position and with a mile in 2:10.3 already this year will be gunning for another two wins.

The fast breaking Captain Chief will be going from the four spot and in his last start he led from wire to wire to win in 2:15 in his first start since he was leaving from the number three position.

Kim Sue was third in 2:05.3 in Fredericton early this year and if this mare paces like she did last year will be tough to beat.

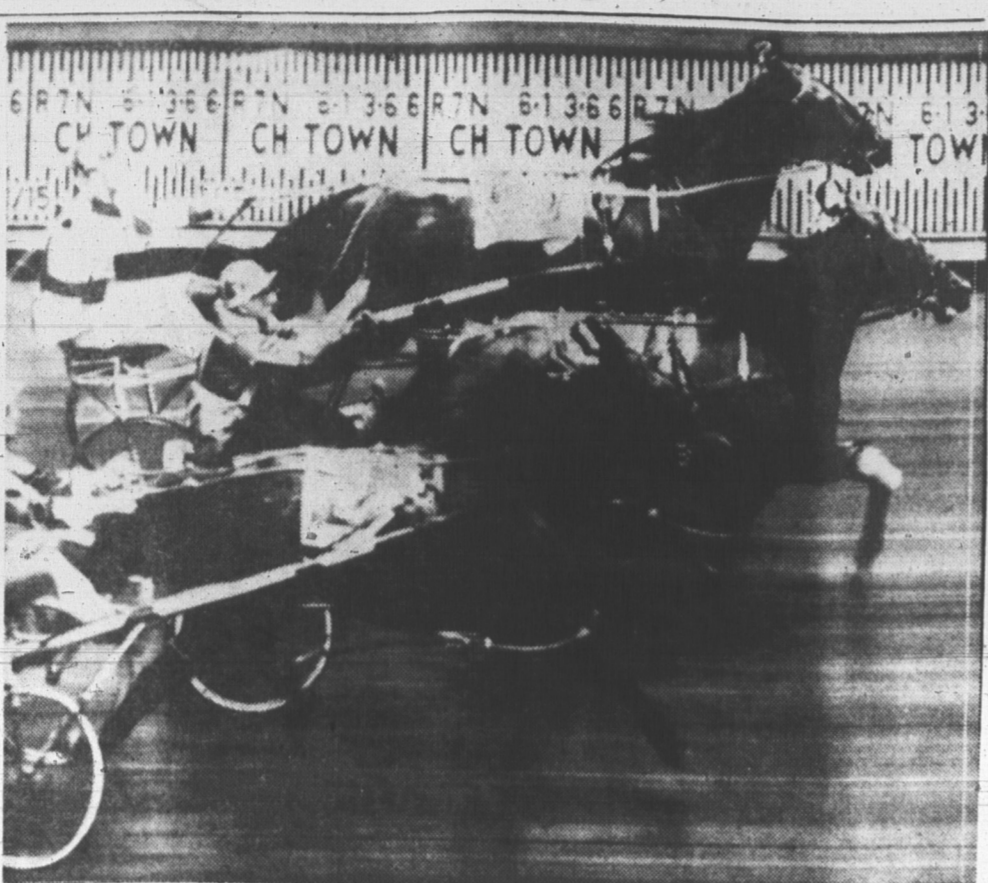

Stralita C will be trailing out Chum from the seventh position and on the basis of her last start could upset the classy field Tommie B. Council will be leaving from the number three position.

Orlando Cepeda To Come Back

ST. LOUIS (AP) - The St. Louis Cardinals hope to have injured first baseman Orlando Cepeda back within two weeks.

There could easily be one single dash winners and pairs should be high. So far an evening of top notch enjoyment be sure to attend the races the Charlottetown Driving Park tonight.

I hope to be ready to play in 10 days to two weeks," Cepeda said, "but I'll leave it up to the doctors to decide just what."

Eloise Wick Wins Twice In Action Packed Races

Photo finishes were a dime a dozen at the Charlottetown Driving Park last evening and out of the dust of ten dashes only one horse managed to take honors in both it's dashes.

Craig came out on the front end of two photo finishes, nipping Yankee Timber at the wire in both heats. Hurrah was third in each of the two dashes.

In the other free-for-all class, only four entries lined up at the gate but gave the fans as much excitement as eight would have.

Rose Robin captured the first heat in 2:11 only to finish fourth in the next heat and the fourth place finisher the first time out.

Human Ability Reaching Limits

HANNOVER, Germany (AP) Human ability to perform record feats in track events is reaching its outer limits, a leading German sports physician said Monday.

Dr. Herbert Reindell, president of the 16th World Congress for Sports Medicine, said he did not expect anyone ever would run a three-minute mile.

The present world record, held by France's Michael Jazy, is 3:53.60.

He did predict some slight improvements in current records and a broadening of the field of athletes able to reach standing records.

George Chuvalo Plans Knockout

By ROD CURRIE NEW YORK (CP) - Chuvalo and Bonavena, behaving more like a travelling vaudeville team than a pair of boxing champions, rolled into town Monday for serious words with the state athletic commissioner and hilarious luncheon with the press.

Chuvalo said he thought he could knock out Oscar in four or five rounds.

Oscar didn't bother with predictions about rounds except to say he expects to be the most heavyweight champion of the world.
