

## Whats Goin On VPC Info

Well, here we go again! Get set for another, or a new year "Cause this one's gonna be great!" My name is Paul Griffith and I'm a fourth year Psychology Major. I am also the returning Vice President Communications and I would like to tell you a bit about this position and its functions.

The main purpose of this position is to inform students about activities that are happening on campus. And how are we going to do this?? Well, let me fill you in...

- Neon Poster Campaigns
- Spots On CIMN Radio
- Electronic Messages Over The Sign At The Pit
- The Information Desk
- Volunteer Bank
- Hiring Of A Promotions Co Ordinator, Lisa Chandler
- Press Releases
- Classroom Talks

These are the many ways we as a Student Union are promoting events and seeking your involvement.

I hope you have a fantastic year! Remember, you only get out of university what you put in it, both socially and academically. So get involved and if you have any concerns or questions please get in touch with me (566-0670).

Sincerely,  
Paul Griffith  
VP Communications
