New Johns-Manville book shows how to build this attractive room with Predecorated J-M Ceiling Panels and Wall Plank

Any handyman can follow the step-by-step instructions in this 24-page book. It's filled with new ideas, contains easy-to-follow sketches for every part of the job. It illustrates all the materials you will need and shows how to apply them.

FOR THE WALLS you use J-M Insulating Board Plank. It's made of tough wood fibre. Comes predecorated in 4 lovely colors with a durable Glazecoat finish. FOR THE CEILING you use J-M Panels in ivory or white. Both the Panels and Plank have the J-M Lightning Joint which hides all nails or staples.

The book gives many other helpful ideas on framing, strapping, carpentry, flooring and painting.
