

If that is your democratic choice, we will have to accept it. Then again, perhaps you will choose to stay with us, a choice the overwhelming majority of Anglophone Canadians hope you will make. Either way, it is imperative that you conclude the process you so lucidly articulate, of regaining your feeling of pride, of self-respect and equality, as a people.

With deep respect I salute you and wish you success. Your failure would bring sadness to us all.

A fellow Canadian.

### THING THAT MAKE YOU GO HMMMMM.

When there is an advertisement for razors, we see men shaving, when there is a cereal advertisement, people eating cereal if the feature. Why is it then, that in a tampon commercial we see women playing tennis?

We're having defense cuts. Pretty soon our navy will consist of two Newfoundlanders in a dory with a shotgun.

Fly some Airlines -- Where the pilots are higher than our planes.

PETA (People for the Ethical Treatment of Animals), an animal rights organization, say that there is no difference between eating a hamburger and eating your neighbors' kids.

Why is Brian Mulrooney still alive?

If we don't vote for Brian is the next election, who do we vote for?

Men are pigs. The problem is most of them take that as a compliment these days.

A woman writes a book titles Men I Would Like to See Dead and is hailed as "a brave warrior for the feminist movement". A man writes a book titled Women Who Sometimes, On Tuesdays At 5:00 p.m., Slightly Annoy Me and is branded as a male chauvinist woman hater/ Satan.

Finally, for the grads of Charlottetown Rural. The name Redmen offended natives. The Red Devils offended all fine upstanding Christian people. The administration is finding it very hard to offend anybody.

Till next time.  
The Cynic.

## ATTENTION EVERYONE!!!

With halloween closing in on us all, everyone should be reminded to keep inside their furry little pets to ensure their safe keeping. Remember pets are helpless on their own, keep a close eye on them for the duration of the month.
