ACCIDENT AT KEEPOCH.—We regret to hear that Mrs. W. F. Carter met with an accident at her summer residence, Keeepoch, on Sunday evening. NEP AND TUCK.—Two storekeepers of Selma, Ala., have been engaged in a novel warfare for some weeks, and at last accounts both were getting apprehensive as to the further developments of the contest. The trouble was started by one merchant making a small present of cake or candy to customers in order to attract trade. The other merchant across the street promptly served lemonade. Then followed, from first one and then the other, cigar, ice cream, sandwiches, soup, and an elaborate free lunch. Last week one merchant played his trump card by holding a big free barbecue, serving out three carloads of beef, and a hundred loads of bread. At last accounts he was holding his breath waiting to see what the other man could play against him.

WEDDING BELLS.—In St. Joseph's Church, Kelly's Cross, at an early hour on Tuesday morning, July 16th, by Rev. J. E. McDonald, P. P., Hope River, Mr. John McNeil, of Hope River, and Miss Mary E. Monahan, of Kelly's Cross, were united in marriage. Miss Katie Trainor, a near relative of the bride, was bridesmaid, and the groom was supported by Mr. Joe Ross, of Kelly's Cross. The bride looked very pretty in a costume of grey crepon, and a hat to match. The presents were numerous and very valuable. After the ceremony the happy couple drove to Mr. P. Trainor's, merchant, Kelly's Cross, where they had breakfast and were entertained for a couple of hours with music, both instrumental and vocal. Here they were joined by the groom's relatives when about 11 a. m. they drove to the residence of the bride's father, where they spent a very enjoyable evening. We wish Mr. and Mrs. McNeil a long, happy and prosperous life.

THE TWO ORPHANS.

As between "Still Waters" played by the Neville and Darley Company, on Monday evening, and the "Two Orphans" played last evening, there is all the difference between the character of the English and the French. The first is simple in plot, direct and forcible, with a good moral that is clear and distinct. The latter is more complicated and ornate, and more pleasing and sympathetic, admitting of greater variety and expressive action, but much less clear in portrayal and meaning. To persons of English tastes the former is, of course the better. But the latter was last evening presented so pleasingly and sympathetically that it created a decidedly favorable impression. The part of the Orphans was carefully and well acted by Miss Viola Miles and Miss Viola Gerald, and both succeeded in awakening genuine sympathy. The part of "Jacques" by Bryan Darley was somewhat overacted, but that of his unfortunate crippled and deformed brother, "Pierre," was exceedingly well acted by George Newell. The music was noted by Mr. Whitlock as "a new French chard, appeared not unfavorably in comparison with the accomplished actors with whom he took part last evening. The playing of Mr. Gilchrist was careful and strong. That of Miss Marion Gerald as the Countess de Liniers, we thought somewhat overdone at some points. But the acting of Louis Bres as the Chevalier D'Vaurey was spirited and excellent throughout. Our "Citizens' Band" presented good music in the intervals between the acts. The following is the result thus far of the ballots cast for the different plays:

Table with 2 columns: Play Name, Total. Rows include Still Waters, Day After the Wedding, O'Callaghan on His Last Legs, The Two Orphans, Hazel Kirke, Don Caesar, Caste, London Assurance, Hermine, Banaway Wife, Our Boys.

The play receiving the largest number of votes will be presented on Request Night. Tonight "The Day After the Wedding," and "O'Callaghan on His Last Legs" will be presented.

SEVERE STORM.—A severe storm of thunder and lightning passed over the city last night. There was also a heavy down-pour of rain.

A valuable standard-bred filly, owned by Captain W. A. Weeks, was fatally injured by lightning. The filly, which was pastured in a field near Captain Weeks' residence, was found this morning lying in a helpless condition with the hind legs enormously swollen, cold and paralyzed.

BADLY BURNED.—A ten-year-old boy named Fred Dupuis, son of Philip Dupuis, was badly burned recently near Memramcook, N. B. A portable mill had been located on the bank of a stream, and had under the pile of sawdust left on the site. The boy was running over the burning pile, when it suddenly collapsed, precipitating him into the burning mass, a distance of six feet. The lad was so badly burned before he could be rescued that it is feared he will die.

AT THE BUTTS.—At the Engineers' spoon competition on Saturday last, Sergt. J. M. Davidson was the winner in the senior class and Corporal Waking in the junior. Pte F. B. McKee was the winner in the last competition for the Cochenalder gold medal. The winners in the five previous competitions will shoot off on Saturday next.

GATHERING OF THE CLANS.—Entries for the one mile and five mile Bicycle Races in connection with the Scottish Gathering, will be received by the Secretary, W. Dodd Small. Gold medals will be given as prizes in these races instead of silver medals, as advertised in programme of games.

TRAINS LATE.—The western train arrived in the city this afternoon about forty minutes late, as a result of the accident near Wellington Station.

GET YOUR MUSCLE in good shape for the great bicycle races at the Caledonian Gathering on the 31st. Two gold medals.

GENERAL TELEGRAPHIC NEWS.

MONTREAL, July 22.—The Montreal banks have notified their customer who have deposits locked up in the Banque du Peuple that if the report of the last named institution be favorable these sums will be paid.

WASHINGTON, July 21.—The Times prints the outlines of a manifesto to be issued by General Master Workman Sovereign of the Knights of Labor, for the boycott of all National Banks. It will be addressed to the Knights of Labor, the Farmers' Alliance, the People's party reform clubs and kindred societies reeling "the wrongs of the toiling masses and their sufferings at the hands of the money-making power," and calls for a boycott on National Bank notes in all dealings between individuals. It is to go into effect on September 1.

WASHINGTON, July 20.—A peculiar will, made by Nelson Connor, was filed here to-day. In it the testator leaves each member of his family one or more rooms in the house. His wife gets the two front rooms, the shop and the room over it. A daughter is left the dining room and one room on the third floor. The back room upstairs and the kitchen are given to a grandson. Connor expresses a wish that all live together in peace and love. The lawyers say that while the will is one of the strangest on record it will hold.

LONDON, July 20.—A report has been circulated that has caused the greatest kind of a sensation in society. It is to the effect that the Duke and Duchess of York's baby, Prince Edward, is deaf and dumb. It is impossible to ascertain what amount of truth there is in the report. The baby is a little over a year old and is stout and well formed. His photographs do not exhibit the slightest defect, but the report of this calamity is bruited widely as a fact.

MONTREAL, July 21.—Rev. Father Stanton, of Smith's Falls, was in the city, to-day organizing a monster pilgrimage of 3,000, into the city, to St. Anne Delaure, from eastern Ontario, accompanied by Archbishop Cleary, of Kingston. The Canadian Pacific will carry the faithful in four specials.

DENVER, Col., July 22.—It is feared here that a party of Princeton students have fallen into the hands of Banock Indians. Nearly two weeks ago the students formed a geological expedition went through Union Pass on their way to the National Park and are expected to return about the end of July. They are in a dangerous country. The government has recently been stirred to great activity as orders were received yesterday at Fort Washlieke to the sending of an expedition of troops. There are only 43 men at the post, so that the expedition cannot be very formidable. It is the best that the army can do. Reports from Jackson Hole say fully three hundred men have assembled there. Another report from Fort Washlieke says that two Indian police and judges sent to Jackson Hole nearly two weeks ago have returned. They were forcibly detained by Banocks and had to escape by strategy.
