Resigns As Convener Of W. I. Publicity

The P.E.I.W.I. learned with regret yesterday of the withdrawal of Mrs. F. Gates, West Royalty, as Convener of Publicity, a position which she has held for four years.

Mrs. Gates was commended very highly by various members of the organization for her excellent work during her term of office, which she leaves in order that she might give more of her time as President of the P.E.I. Drama Festival Association, and Secretary of the P.E.I. polio organization.

In her report for the past year, Mrs. Gates stated she had been a member of the Executive for ten years previous to becoming Publicity convener, and thought the introduction of "new blood" and fresh ideas might come with the appointment of her successor who is to be selected by the new Executive.

She suggested the continued support by the W.I. of the Drama and Musical Festivals, health projects, sewing and food clubs, and school improvement. "Ours is a big programme," she said, "And will grow bigger and bigger throughout the years."

Mrs. J. Foley, Bloomfield, read the report of the Drama Festival Association, and stated the past year had been the most successful to date with entries of nine senior plays and ten juniors.

She also read the report of the Musical Festival Association in which she said that the Festival of '51 had entries again over the one thousand mark, with an estimated six thousand participants.

$1,000 was paid in scholarships, included in which were two of $100 each to assist rural music teachers to attend a summer school. The Rev. L. A. Murray of Kensington is taking a course in church and school music at North-western University, Evanston, Illinois, and Mrs. Holden McLure, Iris, is taking a six weeks course in Public School Music and Oral Training at Mt. Allison.

Reporting for the Radio Committee, Mrs. Helen D. Herrings, Charlottetown, referred to the success this project of the W.I. has enjoyed, but suggested that some method for the production of these programmes would have to be devised if they were to continue.

Books Presented To P.W.C. Library

Two splendid collections of books have been donated to Prince of Wales College, it was announced yesterday by Dr. Frank MacKinnon, Principal. One was presented by Mrs. W. K. Rogers of Charlottetown and the other by Mr. Montague Johnston who graduated from P. W. C. in 1894 and who is visiting the Island after many years' absence. The volumes, which will be inscribed with the name of the donor, will be useful additions to the library.

In commenting on the gifts, the Principal said that such interest on the part of old friends of the College was sincerely appreciated by faculty and students.

BIRTHS, MARRIAGES DEATHS 50c per Insertion

BIRTHS

MacNUTT—At the Prince County Hospital, July 8th, 1951, to Mr. and Mrs. John MacNutt, Malpeque, a daughter, Barbara Nancy.

WALSH—At the Prince County Hospital, July 4th, 1951, to Mr. and Mrs. Ralph Walsh, a son. Weight 6 lbs. 15 ozs.

SUMMER TRAINING COURSE —It is back to school again for 40 teachers of this Province who are presently taking a summer training course at Prince of Wales College. The course lasts five weeks and the teachers are receiving instruction in psychology, science, English and French. The chief instructor is Dr. H. E. Amoss, former Instructor at the Normal School, London, Ont., and retired director of Professional Training for the Province of Ontario. Assisting him are Miss Helen Yeo, Eusebius Doucette and Edward Laughlin, all of whom are members of the teaching staff at Prince of Wales. The College library is made available to the group for three days each week. It is in charge of Mary MacGregor.

Personals

Mr. and Mrs. William Faithful and their three sons, Bobbie, Kaye and David, are spending their vacation with Mrs. Faithful's parents, Mr. and Mrs. Hector MacNeill, Charlottetown.

Miss Magdalene MacPherson of Launching and Miss Bertha McKenzie of Little Pond, left for Hamilton, Ont., on Friday. Miss MacPherson will visit her two brothers there and will return accompanied by them after a few weeks.

Home on a visit from Brooklyn, N. Y., is Russell Sheidow, formerly of Millview, who came to visit his mother, Mrs. Norman Sheidow who is ill in hospital. Mr. Sheidow has his own ornamental bronze working company in Brooklyn where he has been for the past 27 years.

HITCH-DEVELOPS

Continued from page 1

sions.

They did agree Wednesday, however, to the presence of five army photographers. Five news, television and newsreel photographers, accredited to the U.S. Eighth Army, were admitted to Kaesong Wednesday.

Red Photographers There

Communist photographers are in Kaesong and an Allied officer who helped arrange the high-level talks Sunday said he believed, but was not sure, that Red newspaper men also were present.

Official expressions of optimism came last night after the conclusion of the second day of full-scale armistice talks.

"The talks now are on the tracks," a spokesman, Col. George Ruhlen told correspondents Wednesday night. "An armistice is much nearer tonight than it was 24 hours ago."

Ruhlen conceded, however, that the five Allied and five Communist negotiators still were working on an agenda and might not "get down to brass tacks" at today's meeting.

Reds Show Less Stiffness

An Allied communique noted that the Reds "exhibited less stiffness and were less formal than on the previous day," permitting "a better understanding between the negotiating parties."

It noted differences on the priority of items for the agenda, but added "there is a general feeling among United Nations delegates . . . that progress is being made."

Rear-Admiral Arleigh A. Burke, a member of the United Nations team headed by Vice-Admiral C. Turner Joy, made it clear the Allies will not discuss the Communist proposal that Allied troops pull out of Korea as part of a cease-fire agreement.

That question, he told correspondents, would be "political"—and the Allied team will not discuss political matters, as emphasized from the beginning.

Communist negotiators were reported by the Peiping and Pyongyang radios to have presented this three-point plan for a cease-fire agreement.

1. Establish a 12½-mile buffer zone at the 38th parallel.
2. Re-establish the status quo as of June 25, 1950, when the invasion of South Korea started, with the 38th parallel again dividing Korea.
3. Withdraw all foreign troops from Korea and start talks immediately for an exchange of prisoners.

Newsmen To Attend

The Kaesong scene will be covered today by 20 Allied newspaper men, previously barred from the city because of Communist insistence. The correspondents will not be permitted to attend the talks in the modest room decorated only with the U. N. and North Korean flags.

Five civilian war protagraphers, accredited to the U. S. Eighth Army, visited Kaesong Wednesday. They said the road from the advance Allied peace camp here was guarded by Chinese armed with American, British and Russian-type weapons.

Communists in Kaesong were seen using captured U. N. vehicles.

AP photographer Jim Pringle, who made the trip, said the cameramen had trouble finding willing subjects.

"On one occasion," he said we tried to take pictures of two North Korean Wacs and they ran off.

"We tried to take pictures of the North Korean newsreel photographers and they hid their faces. But later on we saw them hiding in the bushes, taking pictures of us."

The Allied negotiators have been flying to Kaesong each day by helicopter, returning to this peace camp in late afternoon. The road to Kaesong has been cleared of mines for U. N. traffic.

Vacationing Here

Pictured above is Dr. M. M. MacOdrum, President of Carleton College, Ottawa, who is at present vacationing at Cavendish with his young daughter. Dr. MacOdrum was formerly a Presbyterian clergyman of Sydney, N.S., and is scheduled to speak at Zion Presbyterian Church, Charlottetown, on Sunday, July 15.

Annual Meeting Local St. Thomas Aquinas Society

The annual meeting of the Charlottetown Branch of the St. Thomas Aquinas Society was held in the Whalen Memorial Hall on Sunday evening July 8th, with the President, J. H. Blanchard presiding. There was a large attendance of members and several visitors from other branches of the Society. The secretary, Mr. Frank E. Doiron read the minutes of the preceding annual meeting which were adopted as read. The treasurer, Mrs. J. H. Blanchard read the financial report showing that the sum of $1,075.91 was realized from the various activities of the Branch during the past year. This report was discussed by Hon. J. Wilfrid Arsenault, Judge A. E. Arsenault, Gilbert Gaudet, Paul Gallant, Cyriac Gallant, Leo Chaisson, Mrs. Raney Gallant, Aubin Gallant, Leonard Arsenault, P. A. Arsenault, Albert Gallant, Jerome Gallant, Raney Gallant, and others. On motion this report was adopted.

At intervals during the meeting, selections were rendered by the St. Thomas Aquinas Choir, and Mrs. Yvonne Murray sang two well-rendered solos.

The officers selected for the ensuing year are: President, J. H. Blanchard; Vice-president, Mrs. Raney Gallant; Secretary, Frank E. Doiron; Treasurer, Mrs. J. H. Blanchard. Executives: Mrs. Jerome Gallant, Mrs. J. Edmond Arsenault, Mrs. Paul Peters, Mrs. John Walsh, Mrs. Vernon MacEachern, Mrs. Robert Arsenault, Mrs. Henry Doiron, Mrs. Cyriac Gallant, Mrs. E. J. Gallant and Mrs. Adolphe Doiron.

Much praise was given the collectors for the past year. They were: Mrs. Raney Gallant, Mrs. Jerome Gallant, Miss Josephine Blanchard, Mrs. Vernon MacEachern, Mrs. J. H. Blanchard, Mrs. John Walsh, Mrs. Dolphe Doiron, Mrs. Jerry Arsenault, Mrs. Vernon Murray, Mrs. Moses Peters, Mrs. James Thistle, Mrs. Bernadette Arsenault, Mrs. Josie Arsenault, Mrs. Henry Doiron and Mrs. D. E. Gallant.

Presentations

After the business of the annual meeting had been disposed of, Mr. Justice Arsenault in well chosen words presented the congratulations and good wishes of the Society to Rev. Denis Gallant of Rustico, and Rev. Pius Finnan of Bloomfield, who were recently ordained to the Priesthood, and to Mr. Aubin Doiron of Charlottetown, who graduated in Dental Surgery from the University of Montreal. Suitable gifts were presented to each. In turn Mr. Doiron and Fathers Gallant and Finnan thanked the Society for the addresses and gifts presented them, in well chosen terms. The meeting then adjourned with the singing of the "Ave Maris Stella" and "God Save the King".

A delicious lunch was provided by the ladies of the Society which was much appreciated by all present.

Resolutions Adopted At Institute Convention Here

The re-introduction of Latin in rural schools, and the recommendation of a monthly increase in pay for student nurses were among the resolutions passed by the Prince Edward Island Women's Institute annual convention yesterday.

The resolutions which were brought in by the recent district conventions were worded as follows:

Agriculture:—

Resolved that this Convention go on record as being opposed to any change in our present District Conventions until such change is brought about by the members of each Institute, and be it further resolved that a copy of this resolution be forwarded to the annual convention in Charlottetown

Winsloe North.

Social Welfare:—

Whereas children start to attend school who are under school age the last two months of the school years, and

Whereas they require constant attention from the teacher who is already over-taxed at this time of year, and

Whereas this practise is detrimental to the welfare especially of those pupils preparing for Grade VIII and X examinations, and

Be it resolved that the regulation regarding school age be enforced.

2. Whereas we feel that the leadership training course is of great value and assistance to the W. I.

Be it therefore resolved that Board of Director's investigate the possibilities of having County Leadership Courses which would be open not only to district executive officers but to other representatives who might wish to attend.

3. Whereas, the shortage of present and future nursing personnel is steadily increasing, and

Whereas, the enrollment of student nurses is decreasing, and

Whereas, it is felt that this is due, at least in part, to the smallness of the monetary remuneration received by student nurses and to the long and confining hours of duty,

Be it therefore resolved that the W. I. Board make recommendation to the Board of the Hospital Training Schools for a monthly increase in the salary of student nurses, and for the granting of week-end passes, at least one per month.

Uigg District Convention.

4. Whereas the W. I. of this province has always been in favor of having the Election Act re: corruption and bribery enforced.

Be it therefore resolved that this convention now in session commend the Canadian Legion on the stand taken on this matter previous to the recent by-election and furthermore be it resolved that a copy of this resolution be forwarded to the secretary of the Canadian Legion.

5. Whereas pupils entering P. W. C. find that a lack of some knowledge of Latin places them at a great disadvantage throughout their educational life.

Be it therefore resolved that Latin be re-introduced into rural schools.

Seaview Convention.

6. Whereas some people do not avail themselves of the use of the X-Ray Clinic this convention goes on record as favoring compulsory X-ray tests in all districts of P.E.I.

Citizenship:—

1. Whereas it is a matter of common knowledge that there is a great deal of illegal sale of liquor and what is commonly called moonshine being carried on at numerous places throughout this Province contrary to law, and

Whereas the sale of such is a menace to the moral and physical life of people young and old, and

Whereas the people of this Province were assured by these instrumental in supplanting the Prohibition Act by the present Temperance Act that the country would be rid of illegal sale of liquor.

Be it resolved that the Provincial Executive be asked to have a committee wait upon the Attorney General to urgently request that definite steps be taken to prevent violation of the provisions of the Temperance Act.

Mount Herbert Convention.

2. Whereas, the people of Prince Edward Island are compelled by law to provide a container to receive His Majesty's mail,

Therefore, be it resolved, that the Women's Institute now meeting in Convention, strongly urge the proper authorities to make it compulsory for each and every box-holder of Prince Edward Island to plainly print their names on the mail boxes.

3. Whereas, during National Safety Week, many suggestions were made in an appeal by our Chief of Police, observance of which would minimize highway accidents, yet fatalities occur frequently, and

Whereas, nearly all rural school children walk or cycle to and from school, and many persons walk daily on the roads and highways, and

Whereas, our government has spent and is spending a great deal of money in an effort to provide first class highways for the motorist, and

Whereas, a large amount of effort and money is expended annually on "Rural Beautification" yet our roadsides remain unlandscaped and cluttered with debris, and

Whereas, it would require very little additional effort on the part of the construction company, while road work is in progress, to abstain from piling stone and debris on the roadside, sufficient for a foot path, where pedestrians could travel in safety.

Therefore, be it resolved, that the Women's Institutes of Prince Edward Island petition the government to give this problem its serious consideration, and to include a provision for a foot path, along the highway in their specification for road construction and maintenance. Also to bear in mind that any amount of landscaping along the highway would increase the beauty and attractiveness of the countryside and the Island in general.

Arts and Literature:—

Whereas it is one of the aims of the Women's Institutes to advance the Educational and Cultural life of the community and whereas many of the programmes presented through the country are of an inferior character.

Be it therefore resolved that we use our efforts to improve the type of entertainment offered by promoting training in better music, in drama and in folk dancing, and further the branches be urged to exercise care in the choice of entertainment that they agree to sponsor.

Mount Herbert Convention.

Whereas it is the concensus of opinion that this has been one of our more successful conventions:

Be it therefore resolved that the thanks of this convention be extended to His Worship Mayor MacDonald for his welcome to the City; to the sewing class members taking part in the Fashion Show; to Moore and McLeod's who loaned the costumes; to those who made it possible for the Special Interest Groups to visit the centres in which they were interested; to those who served refreshments to these groups; to Mrs. MacKinnon and her dancers; to our guest speakers; to the entertainers; to Mrs. Gordon MacMillan for the beautiful flowers; to the Press for their splendid publicity; to the Departments of Agriculture and Education for the banquet and the use of this auditorium; and to all others who helped in any way to make this convention so instructive and enjoyable.

Interesting Reports, Talks At Institute Convention

The Triennial Conference of the Associated Country Women of the World will meet in Canada in 1953, according to a statement made by Mrs. J. Herring as she gave a report on the A.C.W.W. at the P.E.I.W.I. conference last evening.

Mrs. Herring stated the association, which met in Copenhagen last year, will meet in either Toronto or Guelph, Ontario, for its next conference. She spoke of the extensive work being done to prepare for the conference by the Board of the Federated Women's Institutes of Canada, and the assistance needed from Institutes all over the Province.

Mrs. Harold Laird gave a very interesting report on her recent trip to Ottawa to attend the conference of the F.W.I.C., and mentioned the spreading of the W.I.'s, into the homes of Indians in Canada. She stated wherever these clubs have been organized the standards of living has risen.

In her report she reviewed the many projects undertaken by the various Provinces, and said, "If you and I exchange dollars, we each have a dollar. But if you and I exchange ideas, we each have two ideas."

Guest Speaker

As guest speaker for the evening, Miss Anna Templeton, Director of the Jubilee Guilds of Newfoundland and Labrador, commended the learership given the P.E.I.W.I. by Miss Mary Robin, Mrs. J. Herring and Mrs. H. Laird. "Jubilee Guilds and W.I.'s, roll up their sleeves at work," she said, and then reviewed the history of her organization which was inaugurated in 1935. Although originally started with a Carnegie grant, they have now been taken over by the Department of Education. She stated that hand weaving is stressed, not only for use in their own homes, but also for sale. Woven articles are produced in great quantity in Newfoundland and Labrador and shipped the world over.

She brought greetings from the Newfoundland President, Mrs. J. A. Winters, which read in part, "We in Newfoundland consider P. E. I. our closest friends as you are our nearest neighbours."

Earlier in the conference an urgent appeal was made to the delegates by Mayor B. Earle MacDonald on behalf of the fund to install new radio equipment at the Provincial Sanatorium.

Mayor MacDonald stated he had accepted the chairmanship of the campaign to raise $8,000 for the new equipment which would bring much pleasure to the patients. He stated that in the past all patients had had to listen to the same program but that with the new "pillow receiver" it would enable each listener to select the programme he desired.

Annual Banquet

His Honour Lieutenant Governor T. W. L. Prowse congratulated the P.E.I.W.I. on the excellent work they were doing in the Province as he addressed them at the annual banquet yesterday evening at the Charlottetown Hotel. He stated the Province owed them a great deal for their many accomplishments.

Hon. C. C. Baker, Minister of Agriculture, added his commendations to the organization, saying it was the most live and worthwhile group in this Province.

The banquet was presided over by Mrs. Malcolm MacLeod, and others seated at the head table included Mr. Walter R. Shaw, Deputy Minister of Agriculture and Mrs. Shaw, Mrs. F. E. Davis, Miss Anna Templeton, and members of the retiring executive.

SCOUTS AT CAMP BUCHAN

Scouts at the Provincial Camp at Camp Buchan today settled into the regular routine of camp life. The various patrols roused at 7:30 a.m. too prepare breakfast over trench fires. Inspection followed with the Crow Patrol under Patrol Leader Arthur Cauty and Lone Scouts Wayne Bernard, Wendell Hubley, Robert Ross, Lincoln Enman, Paul Newcombe, Kenneth MacLeod and Gordie Johnston taking top honors and winning the honor pennant for the day.

Camp instruction periods were directed by the Patrol Leaders, who are all King's Scouts or First Class Scouts, and were supervised by the camp staff. Instruction included: Use of axe and knife, axemanship, tracking, trail laying and a short hike in which each patrol followed woodcraft trails which were laid by their respective Patrol Leaders.

Two swimming periods were thoroughly enjoyed by the entire camp. Instruction in swimming and rescuing by the camp staff featured these periods.

Two softball games, a council fire and evening prayers ended the second day under canvas at the Provincial Boy Scouts Camp.

Defence Counsel Moves For Dismissal In Tweedy Case

A motion for dismissal of the charge on the grounds that the Crown had failed to produce enough evidence to support it was made in County Court Judge's Criminal Court yesterday by defence counsel H. F. McPhee K.C. in the case of Justice George J. Tweedy on trial for driving to the common danger.

The motion came as the Crown, represented by Attorney-General W. E. Darby, concluded presentation of its case. The case is being heard before County Court Judge C. St. Clair Trainor.

No arguments on the motion were heard as it was decided that the defence would present its evidence first. Only one of its witnesses was heard before court adjourned yesterday afternoon till 10.30 this morning. The case arose out of an accident April 14 when a car driven by Justice Tweedy struck the rear of a parked truck in Southport killing Gerald Solomon.

First witness called yesterday was Charles Gardiner, a passenger in the truck with Solomon. He retold previous evidence given to the effect that he and Miss Mary MacDonald had driven from Georgetown with Solomon that afternoon. They had parked the truck on Market Square here and separated. Later they rejoined each other and went to the Vendor's where he got a bottle of gin. Returning to the truck they had a couple of drinks and then went to eat. They started for home about 7 p.m.

He told how the tail gate of the truck got loose and he and Solomon were trying to repair it when the Tweedy car struck them. The witness was knocked to the shoulder on the right hand side of the road. He had not heard the car coming until the last minute and He saw the truck move ahead. He only had time to partially turn.
