

FROM SEA TO SEA A JOYOUS WELCOME

to
the KING and QUEEN

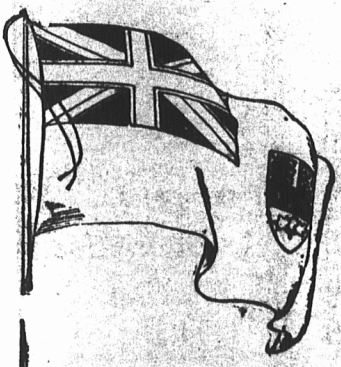

A MARE USQUE AD MARE reads the inscription on the Canadian Coat of Arms, and from sea unto sea the people of Canada strive to out do each other in expressions of their love and loyalty to the head of the great Empire to which we are proud to belong. Here in Charlottetown practically the whole population of Prince Edward Island will join together to cheer, and by word and deed show something of the unconquerable spirit of unity which binds us in the person of our King.

GOD BLESS THEIR MAJESTIES!
