Took Air Cadet Leadership Course

Jack Hobbs, 16 year old son of Mr. and Mrs. Howard Hobbs of this city, has returned from Camp Borden, Ontario, for the past seven weeks he has been taking a leadership course for air cadets. Jack, who is the senior warrant officer in No. 60 Charlottetown Air Cadet Squadron, was the only cadet from Prince Edward Island taking the course which included a wide variety of subjects. He speaks very highly of the treatment received while at the camp. Jack had two thrills during his course. The first was to hear that he had successfully passed the entrance examinations to Prince of Wales College and the other was that he had the opportunity during a week-end of visiting with his brother, Earl, who is stationed with the R.C.A.F. at Rockcliffe, Ontario.

Cool, Cloudy Weather Delays Harvest In West

WINNIPEG.—Instead of warm dry weather required to hasten crop maturity, the west had another cool, cloudy week with rains in all three provinces. As a result crops have not ripened as quickly as hoped for, and while late crops have benefited in respect to growth, the danger of fall frosts before maturity comes closer. Reports on yields and grades of grains already harvested indicate that leaf rust damage has exceeded earlier predictions. Stem rust, where present, is taking its toll also. Warm dry weather is urgently needed through out the west, according to the weekly crop report of the Department of Agriculture of the Canadian National Railways.

In the Peace River, haying as well as harvesting of grass seed and early barley has been suspended by wet weather. Ripening conditions are poor and two weeks of warm weather is needed to complete ripening. Stands appear heavier than expected. Good yields of fescue and brome seed are ready for harvesting but the Alfalfa seed crop is poor. The Okanagan Valley had intermittent rains which slowed fruit picking. The apricot movement is finished and peaches, plums, crab apples, and early apples are moving in considerable quantities.

VISITING PROVINCE IN CONNECTION WITH LIQUOR LEGISLATION INQUIRY

Hon. John Bracken, former National leader of the Progressive Conservative Party in Canada and for twenty-one years Premier of the Province of Manitoba, arrived by plane from Halifax yesterday evening. He is here in the interests of the Manitoba Liquor Inquiry Commission which will confer with Premier A. W. Matheson this morning regarding liquor administration and legislation in Prince Edward Island.

Mr. Bracken, who now makes his home in Ottawa, was asked by the Manitoba Government, as chairman of the commission, to inquire into the liquor laws of the various Provinces of Canada and certain states of the American Union, and in the light of these investigations to make recommendations to the Manitoba Government which will help them arrive at legislation acceptable to that Province.

The one-time leader of the Progressive Conservative Party, looking much less than his seventy-one years, was seen back on the island last evening. When it was remarked by a Guardian representative that his health had been so well preserved, he replied smilingly, "I have very little to do and have a clear conscience. I would recommend this to anyone who would like to know the secret of longevity."

Although Mr. Bracken makes his home in Ottawa since his retirement from politics in 1948, he is still an internationally known farmer and has herds of Herefords in

Manitoba and Saskatchewan as well as Jerseys and Ayrshires in Ontario. During his earlier career he was President of the Manitoba Agricultural College.

"I am all through with politics," said Mr. Bracken when queried as to whether his visit had any political significance. He explained that his visit of a day and a half was purely for the purposes outlined above. "When this survey is over," he said, "I shall return to my home in Ottawa."

CLOSING OF TWO WEEKS SUMMER SCHOOL FOR HIGHLAND DANCING

"You have made an excellent start and we can expect much greater things from you," said Major Ian Callum MacLeod at the conclusion of the Summer School for Highland dancing, piping, Gaelic language and Gaelic singing, which has been conducted for the past two weeks at Prince of Wales College by the Caledonian Club.

There were 32 dancers attending the course. These were under the instruction of Mrs. Douglas McGowan of Montague. Major MacLeod gave instruction in piping and was assisted by Mrs. MacLeod in Gaelic language and singing.

Pipers receiving instruction numbered 10 advanced and six primary. The Gaelic school was attended by 23 people of all ages.

Major MacLeod was enthusiastic about the progress made by the pupils at the school. He praised the parents who had encouraged the children in their work but pointed out that this was only a beginning. "The progress you will make, will depend upon the effort you put into your work from now on," he said. The programme carried out last evening before a large audience last night at the College auditorium saw almost every phase of Highland dancing both individual and group. The young pipers performed like veterans and gave ample evidence of the careful training they had had.

The audience was thrilled by the exhibition of dancing given by Miss Betty Campbell of Pictou, N.S. Miss Campbell performed in the Highland ring, the Sailor's Hornpipe and the Irish Hornpipe. The last number brought a most enthusiastic encore.

The audience was given some idea of what takes place at an old fashioned ceilidh when Shirley Frank, Tommy and Heather danced to the jiggling of the Gaelic choir which was under the direction of Mrs. Ian MacLeod.

The following is the program: 1. Beginner's Highland Ring; 2. Practise Chanter Group; 3. Four some Reel; 4. Highland Dance; 5. Masque Selection by Barry MacGillivray; 6. Sailor's Hornpipe by Betty Campbell; 7. Bagpipe Selection by Margaret Ryan; 8. Sword Dance; 9. Practise Chanter Selection by Betty Campbell; 10. Bagpipe Selection by Audrey Newson; 11. Irish Hornpipe by Betty Campbell; 12. Bagpipe Selection by Robert Ross; 13. Bagpipe Selection by George Fraser; 14. Highland Dance; 15. Gaelic Choral Singing; 16. Mass Highland Fling.

100 Blood Donors Objective For Afton Hall Clinic

Afton hall, New Dominion, will be the scene of this year's Red Cross blood donor clinic for residents of the South Shore area, on Wednesday afternoon, September 1st, between 1 and 3 p.m. 101 donors from this area attended the 1953 clinic held at Long Creek hall, but it was decided that Afton hall should be the centre this year since it offers more space.

Mrs. Dan Livingstone of New Dominion is the chairman for this year, and will co-ordinate the efforts of all those associated with her to insure that the objective of at least 100 donors at New Dominion will be exceeded.

Death Of Well Known CNR Superintendent

MONCTON, N.B. — There passed away Thursday night in the Moncton Hospital, following a short illness, Edgar Alexander Robertson, general superintendent of Transportation for the Atlantic Region of the Canadian National Railways.

The late Mr. Robertson was born in Montreal on February 21, 1890 and commenced his railway career in August 1906 as a clerk in the engineering department of the Intercolonial Railway, now part of the Canadian National system, and later served as train agent. From train agent he went to the right of way lease department and then became clerk in the general superintendent's office at Moncton. In September 1916 he was appointed chief clerk and in January 1929 became assistant superintendent at Moncton, being made superintendent in August 1939. In November 1943 he was appointed superintendent of transportation, Atlantic Region, and in September 1946 general superintendent of transportation.

Surviving are his widow and a brother, Robert, employed in the accounting department of the Canadian National Railways in Winnipeg. A sister died some years ago.

MONCTON — The funeral of Edgar A. Robertson, late general superintendent, transportation, Atlantic Region, Canadian National Railways, will be held in St. Bernard's Roman Catholic Church here on Sunday afternoon at two o'clock with a funeral mass at nine o'clock Monday morning.

The remains will lie at his late residence, 81 Kensington Drive, Moncton, until the funeral service. Attending the funeral will be R. B. Brennan, Saint John, N.B., director for the C.N.R. representing Donald Gordon, C.M.G., chairman and president of the railway, and R. Hayes, representing S. F. Dingle, vice president, operation.

Campbell, Pictou, N.S.; Carol MacLeod, Charlottetown; Ruth Ross, Charlottetown; Dorothy Ann Fraser, Three Brooks.

NEW NOTRE DAME ACADEMY BUILDING WILL PROVIDE VALUABLE FACILITIES

The new Notre Dame Academy building to be erected on the grounds of Notre Dame Convent on Hillsboro Square will provide for a finished basement area containing a fully equipped chemical and science laboratory, essential cooking school equipment, and classrooms for teaching home economics, weaving, etc.

Provision will be made for eight classrooms, an auditorium with a seating capacity of 550, gymnasium and offices on the ground floor. The structure, which will be one story with provision for an additional story if and when required, will have a frontage of 108 feet on Weymouth Street, where the main entrance will be located, and a depth of 87 feet running parallel to Dorchester Street. The occupied area will cover roughly the space heretofore used as a garden.

The recreational portion of the convent grounds remain unchanged. The north end of the new structure will extend to within 17 feet of the present building. It was hoped that the new quarters would be available for the school opening early in September, but on recognizing that this was impossible, alterations were made in the existing Academy building whereby the auditorium was converted into sleeping apartments for the boarding students. Provision was also made through a re-arrangement of rooms to include classrooms for grades XI and XII.

Tenders have been called by Downie, Baker and Ahern, Halifax architects, to be received until Sept. 13 for the erection of the new building.
