LIFE RETURNED
 To a Suffering Dyspeptic, When He Used Dodd's Dyspepsia Tablets.

Dodd's Dyspepsia Tablets Always Have this Result—They Positively Cure Dyspepsia, Indigestion, Biliousness, and all Kindred Stomach Complaints.

Without exception, the dyspeptic is the most miserable being in existence. He can't enjoy his meals. There are no dainty, enjoyable lunches after the theatre, for him. No outings, no pleasant excursions with jolly friends.

He must mope at home, nursing his misery, while his friends are enjoying themselves, making the most of life.

Recently, there was a young man in this position. He suffered greatly from Dyspepsia. He was virtually a close prisoner. He got no joy out of life.

One day he read about Dodd's Dyspepsia Tablets.

He bought a box—cost fifty cents. He used the Tablets as directed, one after each meal.

Result—Dodd's Dyspepsia Tablets made a new man of him.

He appeared among his friends again, took part in their pleasures, and overflowed with life and good spirits.

His friends could not understand the change. They questioned him.

He answered: "Dodd's Dyspepsia Tablets did it all."

"I simply took one Tablet after each meal I ate, and my food was a pleasure and nourishment to me. It was promptly digested, whereas, before I began to use Dodd's Dyspepsia Tablets it used to lie in a hard lump in my stomach, and cause me agonizing pain."

Dodd's Dyspepsia Tablets always have this effect. They cure Indigestion and Dyspepsia by removing the cause. They digest the food, and tone and strengthen the stomach.

Dodd's Dyspepsia Tablets are sold by all druggists at fifty cents a box, six boxes \$2.50, or sent, on receipt of price, by The Dodd's Medicine Co., Limited, Toronto, Ont.

Three hundred little suits just opened, dark tuxid, blue serge and blue worsted \$2.75, \$3.75, \$4.75, \$5.75.—Prowse Bros. 153 St.

If you are ill you need a doctor in whom you have confidence.

If you need a remedy you want one that has been tested for years; not an obscure, untried thing that is urged upon you, or on which you save a few cents—that is no consideration as against health.

For wasting in children or adults, Scott's Emulsion of Cod-liver Oil with Hypophosphites has been the recognized remedy for twenty-five years.

MONEY AND MUSIC.

In preparing a list of American concert singers it was curious to note that the number of tenors just exactly equalled the combined number of baritones and basses. It is probably true that there are just about two cultivated tenors to each baritone or bass. There are similarly about twice as many sopranos as there are mezzo sopranos or contraltos, and there are probably two trained sopranos to every tenor.

The reasons for these ratios are probably these: A higher voice, being the more unusual, attracts to its owner the more attention. The natural tenor and soprano are accordingly encouraged to cultivate what may, after all, be only a mediocre ability. The mezzo soprano or baritone, however, is thought of as only an ordinary mortal, and a voice of the utmost possibilities may be left to waste its fragrance in the dark, unfathomed caves of its owner's thorax.

A village church is the epitome of the world in this respect. The women "sing alto" or keep quiet, or strain and squeal at the top notes; the men drone out a bagpish bass. The good voices are lost in the lugubrious average, but if there is a girl who takes the high notes flutily or a boy who can interpolate the tenor part without danger of scarlet fever these voices sing out above the grounding chorus. Every one pricks ear to listen, and the word is passed that Sukey Smith or Jakey Jones "has a voice." It may be that that voice ought to be cultivated, it may be that it ought to be confiscated, but to the teacher it must go. The steps from this first discovery to a career of public weal or woe are easy.

So much for the disproportion of high and low professional singing. The fact that more women than men study song is doubtless to be accounted for by the superstition that flourishes in many districts that selling dry goods or keeping books is a more manly career than singing. This public creed keeps many a man from developing the gold mine in his larynx. Besides, there is, especially in America, a sentiment that a man should not depend on his father after he has reached his majority.

It is a wholesome sentiment on some accounts, a pernicious sentiment on others, but many a father will set his son up in business with a sum of money which if devoted to paying his artistic tuition a few years on in his twenties might give him a capital of unlimited possibilities.—Godey's Magazine.

Ancient Playing Cards.
 The ancient Tarot packs were the earliest playing cards known to our forefathers. They consisted of 72, 77 or 78 cards. These cards are still used in remote parts of Italy, France and Switzerland and are made in Florence, the design being handed down from generation to generation.

Ostriches, which are supposed to flourish only in very warm climates, have been raised successfully in southern Russia, the feathers being of good quality and the birds healthy.

To be perfectly proportioned a man should weigh 28 pounds for every foot of his height.

Have You Seen It?
 Every big railroad in this country has a freight car in its equipment bearing the number 12,345, and yet I'll lay reasonable odds that you may tramp this town over and you will not be able to find a man, I care not how much he has traveled, who has ever seen a car with that number. Among railroad men it is known as the "sequence car" or the "one-two-three-four-five car." Perhaps you never looked for it. I have. For years in my travels I made it a practice to get out whenever the train stopped and take a look at the freight cars in sight, and I have met drummers who told me they did the same thing, but never a glimpse did I get of that car nor did I ever run across a man who had been so fortunate. Try it. Go up to the freightyards in this city or across the river. You will find hundreds of cars, but it's \$10 to a pint of peanuts that car 12,345 will not be among them.—St. Louis Republic.
