NEXT MEETING AT SYDNEY

Gaelic Service Held By Synod Yesterday Morning

The Maritime Synod of the Presbyterian Church will meet in Sydney, Cape Breton next October, it was decided here yesterday afternoon before Moderator Rev. T.A.A. Duke pronounced the Benediction on this year's annual meeting in Zion Presbyterian Church. The next meeting will be held at the usual time in the month of October. Traditional meeting days are Tuesday, Wednesday and Thursday.

A short Gaelic service of worship was held in the morning and the remainder of the day was spent on business matters pertaining to the Synod and its presbyteries and congregations.

The Gaelic service was under the direction of Rev. A.D. MacKinnon, Little Narrows, Cape Breton, Moderator of the General Assembly, who led in prayer and pronounced the Benediction. The Scripture reading was by Rev. Charles A. MacDonald, Orangedale, Cape Breton and a Gaelic hymn was sung by Malcolm Angus MacLeod, Skin Dhu, Cape Breton.

A resolution protesting against the proposal to appoint an ambassador to the Vatican was approved with instructions that copies be sent to the Prime Minister of Canada and the Secretary of State for External Affairs. It was agreed also that an overture on the matter be sent to the General Assembly of the Church with a request that it pass a similar resolution.

It was agreed that a camp for ministers and for men would be held at Camp Geddie in Merigomish, N.S. on the Empire Day weekend.

NEW PRESBYTERY

It was also agreed that a committee be authorized to consider the advisability of setting up a new presbytery in the Synod. It would be comprised of churches on the fringe areas of the Saint John, the Halifax - Lunenburg and the Pictou presbyteries.

An effort to promote more church extension work was seen in the move to set up a committee to consider and explore ways and means of instituting a Synod corporation for the purpose of securing funds to be made available for such work. The committee appointed included Rev. A.E. Morrison, Dartmouth; Rev. Allan Old, St. John's, Newfoundland; Fr. Hugh Jack, Sydney, N.S.; Rev. H.M. Burtain, Pictou; Professor Lorne Clark, Halifax; Dr. T.J. Watson, Fredericton; Reg Chapman, Dalhousie, N.B.; R.S.P. Jardine, Charlottetown; Rev. T. A. A. Duke, Campbellton and Rev. E. H. Bean, Kensington, the moderator and clerk of the Synod.

BILLETING EXPENSES

A proposal to have congregations pay for the billeting expenses of their minister and one elder at Synod, instead of having that burden rest on the host congregation was passed over to the business committee of the Synod for study. It was emphasized that this did not reflect on the splendid hospitality afforded Synod delegates by the host congregation of Zion Church this year. In this connection W. Blair Macdonald, elder from Zion, emphasized that the people, the minister and the elders of St. James Church here had rendered splendid co-operation and assistance.

Resolutions of thanks were extended to the Women's Missionary Society, Eastern Division; to Miss Margaret MacDougall, the Synod deaconess; and to a large number of others who played a part in making the annual meeting of the Synod a success. This included Rev. W. Harold Brown, pastor of the host church, to his elders and people who worked with him. Thanks were also extended to the ladies of Zion for their dinner on Wednesday night and to the ladies of St. James for their noon luncheon, also the choirs of the two churches. Thanks were extended also to the press, and radio and TV for "splendid coverage".

SYNOD COMMITTEES

Prince Edward Island ministers and elders named to Synod committees included R.S.P. Jardine of St. James on Missions and Ralph Balderston of Zion on Evangelism and Social Action, Rev. E.H. Bean, Kensington on Christian Education and Synod Finance and Registration. W. Blair MacDonald, Zion, is on the latter committee.

Rev. T. H. B. Somers, St. James and Garnet Ross, Summerside on Colleges; J.P. Matheson, Glasgow Road on Radio; Rev. George Killen, Clyde River and R.S.P. Jardine on Presbytery records; Rev. T.H.B. Somers on Public Worship; Ralph Balderston and R.S.P. Jardine on Audit; Rev. E. H. Bean and W. Blair MacDonald on Press; Rev. W. Harold Brown, Zion on Governors for the Truro Home; Rev. J.D. Blair MacDonald on Laymen's Work.

Little Hope For Surviving Quints

TOULON, France (Reuters)—Doctors held out only slight hope Thursday night that Michele and Roland, the two surviving quintuplets born to Mrs. Camille Christofle Wednesday night, will win their battle for life.

The other three quints, Philippe, Helene and Genevieve, died shortly after birth. Doctors said the condition of Mrs. Christofle, 29, is "quite satisfactory" and that her morale, despite news of the deaths, is "excellent." They said she will be able to get up in about five or six days.

The quintuplets were the first children born to Mrs. Christofle, whose husband is a local government social security worker. They were born after she had taken hormone treatments to end nine years of sterility.

Doctors said the children were born two months prematurely and that their mother has been suffering from jaundice.

Papa Christofle spent the day at his wife's bedside.

"The doctors gave us very little hope," he said Thursday night.

His wife sobbed: "My dream was not to be a world sensation but just a mother."

Conference On Family And Community Life Held Here

Questions of family, community, civic and community life in their relation to the church were discussed at a conference called on the Presbytery level of the United Church in Charlottetown yesterday.

Chairman of the conference was Reverend W.A. Paterson, Georgetown. It is part of the preparatory work of the Mission to the Nation which the United Church proposes to undertake this year.

Rev. C.R. Webber of Summerside said the main dynamic force behind such a mission should be a profound love for Christ. "We are not carrying out this Mission for the prestige it may bring or for the simple fact of keeping up with other sects. It is because Christ loved us and gave Himself for us, "he said.

Mr. Webber recalled that down through the ages, the advances that took place was because of a burning desire of those who were anxious to tell what Christ had done for them. If we can capture that spirit then our Mission will really be worthwhile," sail Mr. Webber.

Rev. Lewis Murray of Kensington reminded those present that Communism is spreading in the world with a zeal that would put most Christians to shame. "If God does not rule in our daily living we are not really living, we are merely giving Him lip service."

Mr. Murray emphasized the place that materialism is taking in the lives of people today. In many cases the thing has become God, he said. "Our mission is to convert, to baptise and to teach. We will not have fulfilled our Christian duty until we have complied with these three great commands of our Lord."

Discussion groups formed in regard to the questions raised brought forth some very interesting conclusions. Chief of these was that the church must have a closer personal relationship with its people if it is to fulfill the great commission of its Lord and Master.
