#### TO THE ELECTORS OF THE SECOND DISTRICT OF PRINCE COUNTY.

GENTLEMEN;  
HAVING resigned my seat in the Legislative Council, I venture to offer myself as a Candidate to represent your interests in the new House of Assembly.  
I trust my having done so will be deemed by you a sufficient pledge of my desire to be one of the Representatives of the people.  
I trust it will be no disparagement in your eyes that my earlier days were passed in the service of my country, during an eventful period in its Military history, and that since the war, I have been uninterruptedly employed in my own County in England, in the duties of the Magistracy, which are there of so high and responsible a nature.  
Having come to this Island with a large family, whose future fortunes must depend on its prosperity, I conceive that none can be more interested in its well-being.  
Independent of all influence, connection or party, if I should be honoured as the object of your choice, I will, to the best of my judgment, decide dispassionately on all subjects of discussion, and use every diligence to advocate as well your local interests as the general improvement of this Island, so blessed by nature, but whose Trade and Agriculture, if duly fostered by prudent Legislation, are yet capable of so much extension.  
I have the honor to be,  
Gentlemen, your obedient servant,  
WILLIAM SWABEY.

#### AUX ELECTEURS FRANCOIS DE LA DEUXIEME DIVISION DE PRINCE COUNTY.

MESSEURS;  
AYANT reçu permission de S. E. Le Lieutenant Gouverneur de me remettre de ma place au Conseil Legislatif, j'ai décidé vous offrir mes services dans l'Assemblée à venir.  
J'ai une confiance raisonnable que cette détermination de ma part sera considérée en garantie de ma préférence d'être Représentatif du peuple.  
J'ai passé ma jeunesse au service de ma patrie, pendant une époque intéressante dans son histoire militaire—et depuis la guerre j'ai travaillé sans cesse dans ses affaires civiles, en Magistrat—une charge en Angleterre d'une importance et responsabilité beaucoup plus considérable qu'ici.  
Établi dans cette Isle, et louant surtout des terres dans votre propre comté, j'ai une famille nombreuse de enfants, dont les espérances pour l'avenir dépendent entièrement sur sa prospérité, j'ose penser qu'il n'y a personne plus intéressé à son bonheur.  
Je suis indépendant de toute liaison et de tout partie, ou propriétaire ou quelconque, en conséquence, si j'aurais l'honneur d'être l'objet de votre choix, je pourrais décider sur tout sujet de délibération sans peur et sans préjugé, et surtout avancer vos intérêts locaux et ceux de l'Isle entière, une terre si favorisée par le Bon Dieu, mais dont le commerce et l'Agriculture sont si capables d'amélioration par une Legislation sage et prudente.  
J'ai l'honneur rester,  
Messieurs,  
Votre très humble serviteur,  
WILLIAM SWABEY.  
Bedeque, Avril 19, 1842.

#### To the Electors of the Town and Royalty of Charlottetown.

GENTLEMEN:—Being on the eve of proceeding to England, on behalf of the Prince Edward Island Steam Navigation Company, as well as on private business, and, as the Election of Members to represent your interests in General Assembly may take place during my absence from the Island, I am induced thus early to offer myself as a Candidate, for the high honor of again being one of the Representatives of this my native Town.

My conduct in the present House of Assembly is before you, on which I have only to rest my claims for your further confidence; and if it has been such as to meet with your approval, and again obtain for me your suffrages, it shall be my most ardent desire, by an independent and conscientious discharge of the duties of a Representative of the People, to merit a continuance of your favour and support.

My father has kindly consented (health permitting) to represent me at the Election, should it take place previous to my return.

I have the honor to be, Gentlemen,

Your obedient servant,

FRANCIS LONGWORTH, JUN.

Charlottetown, May 14th, 1842.

#### TO THE ELECTORS OF THE FIRST DISTRICT OF QUEEN'S COUNTY.

GENTLEMEN: I am aware that there may be prejudices existing against the Religion of a Proprietor, or the Heir of a Proprietor, to represent the people in Parliament; but I cannot believe that this prejudice can bear examination, because, if the Proprietor has done his duty towards his Tenants, he may as well challenge all the world to say whether or not there is any body who can be more interested in the welfare of their individual welfare or in the general prosperity of this Island, both in circumstances and position, than he is.

Whilst there are many who may have been deluded with the belief that, by the intervention of certain parties in the late House of Assembly, they had a chance of possessing themselves of the same Lands as Freeholders which they had occupied as Leaseholds, I venture to think, that these delusions have been dissipated, not only by the reason of the thing, but by the declared will of the Queen, conveyed in the Despatch of Lord John Russell, her Colonial Minister, and the reiteration of such will by the Lieut. Governor of this Island.

I therefore stand before you as a future Proprietor, feeling that your interests and mine are bound up together. If any one attempts to tax your produce (as the last Assembly had attempted), who more interested than myself in resisting such an innovation? If any thing can be done to better your condition—to open to you better or more extended Markets, who so interested as I am? In effect, with whose interests can yours be more entirely blended than with my own?

The attempt that is daily made by ignorant, needy and disloyal individuals, to separate you from me, will indeed be futile, if there is that rational confidence which, I trust, neither I nor any member of my family have done anything to forfeit. It is, therefore, under the belief that our interests are mutual, that I venture thus to offer myself to your indulgence, as a Candidate to represent you in the ensuing Assembly; and I believe that the same relations which, I trust, exist between myself and my own Tenants may be such, that they will not deprive me of the support of all others who deem it necessary to return a Representative who will consider that he cannot neglect the interests of the Farmer without diminishing the value of his own property.

I have the honor to be,

Gentlemen,

Your obedient humble servant,

ROBERT MONTGOMERY.
