

Ch'town League Stages Banquet

Saturday night at the Canadian Legion Home marked the first Awards Dinner of the two-year-old Charlottetown District Junior Hockey League. Members of the four teams comprising the league, together with their coaches and managers, league officials, distinguished guests from the athletic world and sponsors of trophies, gathered to honour the winners of a dozen trophies and prizes.

Carl Warwick singled home the winning run to cap a three-run eighth-inning rally that lifted St. Louis Cardinals past Kansas City Athletics Sunday and a sweep of their two-game exhibition series.

The world champions finished with a 15-13 spring record, the Athletics 6-18. The major league season officially opens today.

In other games Sunday, Sandy Koufax capped a three-inning relief job with five strikeouts — his first outing since March 30 as Los Angeles Dodgers defeated Washington Senators 2-1.

Jeff Torburg's seventh-inning home run, following a walk to Jim Lefebvre, accounted for the winning runs.

Toronto Coach States Opinion

By AL MCNEIL
MONTREAL (CP) — "We're right back where we started last year," said Punch Imlach. "This outfit's got to do everything the hard way."

The Toronto coach had just watched his Maple Leafs drop the fifth game of the best-of-

seven semi-final Stanley Cup series 3-1 to Montreal Canadiens Sunday night. The victory gave Canadiens a 3-2 edge in series games.

"It would have been highway robbery if we had won that one," Imlach said.

"We played so bad in the first period we put them (Canadiens) to sleep in the second," the coach added.

Imlach said no team wins on the road in this league and complained that his club gave the puck away 26 times in the first period.

"Why they even gave it away four times in one shift," he added.

The Toronto coach said his club was going so badly that he told the team in the dressing room between periods: "Let's declare ourselves . . . who are we playing for."

PLAYING FOR CANADIENS
The way it was going, we were all playing for the Canadiens, Imlach said.

"How can I feel bad about losing it," the coach said in reply to a query, "we didn't play well enough to win."

Imlach said it was just the breaks of the game when goalie Johnny Bower's stick was shattered at the toe by a slap shot from just inside the blueline by Canadiens' winger Bobby Rousseau.

The puck carried on into the net after striking the veteran goaltender's stick. It proved to be the winning goal, although big Jean Beliveau fired a clincher into an empty net at 19:16 of the final period.

Bower said he had been screened on the shot by defenceman Kent Douglas.

The Toronto coach had harsh words for the listless efforts of his penalty-killing squad. Canadiens have scored eight power-play goals to Leafs two in the series.

"Every time we get a penalty, our guys slow the game right down to a walk . . . They don't even try to score."

JUNIOR HOCKEY BANQUET

Players of the Charlottetown and District Junior Hockey League were the special guests at an athletic banquet staged at the Charlottetown branch of the Royal Canadian Legion Saturday evening. Rogers Rangers, with Norman Larrier at the helm capped all the marbles in the local junior loop and League President, Brig. Al Rogers (left) is presenting the trophy emblematic of the league championship to team captain, Kevin Smith.

Rousseau Fires Winner; Montreal Topples Toronto

By BILL NEVILLE
MONTREAL (CP) — Free-wheeling Bobby Rousseau fired his second winning goal of the series Saturday night as Montreal Canadiens downed Toronto Maple Leafs, 3-1, to take a 3-2 lead in their best-of-seven Stanley Cup semi-final playoff.

The win sent the teams back to Toronto for Tuesday's sixth game with the defending champion Leafs needing two wins in a row to stay in the running.

If they can take Tuesday's contest, they'll return here Thursday for a seventh and deciding game.

Rousseau, a playoff standout after a disappointing performance in regular National Hockey League play, brought 15,187 Forum fans to their feet

with a blistering 50-foot slapshot that shattered Johnny Bower's goal stick en route to the net at 7:30 of the final period.

The 24-year-old right winger also scored the decisive goal in Montreal's 3-2 victory in the series opener. Canadiens won the second game, too, but then dropped two in-a-row to the Leafs in Toronto.

Saturday night's victory was the fifth in-a-row for the home team in the series.

WIN ONLY AT HOME
Detroit and Chicago have split four home-ice victories in the other semi-final, meaning that the visitors still are looking for their first triumph after nine games in the two series.

Rookie Yvon Cournoyer, with his first playoff goal, and captain Jean Beliveau scored the other Montreal goals. Centre Bob Pulford was the lone Toronto marksman.

Beliveau, another playoff star for Montreal, scored his goal into an empty net with only 44 seconds left to play. Toronto had pulled Bower in favor of a sixth attacker, only to see the move backfire as it did against Canadiens in the fourth game.

Toronto opened the scoring for the first time in the series at 3:45 of the second period. It was a rather odd effort with Fafard taking advantage of sloppy Montreal defensive work to fire a shot from the side of the net which dropped in off Gump Worsley's arm.

TIES IT UP
Cournoyer got that one back, however, scoring Montreal's eighth power play goal in five games. With Toronto's George Armstrong and Carl Brewer in the penalty box, he streaked in on the net to tip in Claude Provost's goalmouth pass.

That set the stage for Rousseau's all-important marker.

Defenceman Ted Harris started the play, passing to Rousseau as he crossed the Montreal blueline. The Canadiens forward moved into the Toronto zone and, after faking a shot to send Toronto defender Kent Douglas to his knees, let fly a low sizzler that went right through Bower's stick into the bottom left hand corner.

Beliveau settled the issue once and for all at 19:16 when he broke out on his own zone and played Red Kelly, the lone Leafs defender, perfectly to shoot the puck through his legs into the empty net.

Despite 17 minor penalties handed out by referee Vern Buflay, it was the tamest game of the series with little real hitting and nothing approaching a serious clash. Leafs took nine of the penalties.

EARN FIRST WIN
Worsley, playing his third game since co-goalie Charlie Hodge suffered a groin injury, scored his first victory with his best effort to date. He handled 27 shots and, while few of them were really difficult, he was a steady performer throughout.

Beavers Down Kingston Aces

SHERBROOKE, Que. (CP) — Sherbrooke Beavers trounced Kingston Aces 10-5 Sunday to win the Allan Cup best-of-five eastern semi-final series in three straight games.

The Beavers specialized in lopsided scores, winning the first two matches at Kingston, Oct. by scores of 9-4 and 5-1.

Big gun for the Beavers was Simon Nolet, who tallied twice and assisted on three other markers. Other two-goal men for the home team were Claude Cardin, Rejean Richer and Rod Boudreau.

Bob Dupres and Larry Drouin added one each. Dave Jones was high scorer for the Aces, with two tallies. Other Kingston marksmen were Ron Earl, Dennis Kearns and Peter Robertson.

The Aces started well, scoring the first goal of the match at the 12-minute mark of the first period, but less than two minutes later, they were trailing 2-1.

The Ontario team managed to remain within one point of the Beavers at the end of the second period, but in the third frame, the Sherbrooke team caught fire and blasted 17 shots at Kingston goalie Tom Mercer. Five of the shots got by him, while his team was able to put only one past Beavers' goalie Serge Aubry.

Wings Dump Black Hawks; Norm Ullman Fires Three

By JERRY GLADMAN
DETROIT (CP) — Three goals by Norm Ullman—two of them in a five-second span—gave Detroit Red Wings a 4-2 win over Chicago Black Hawks and a 3-2 lead in the best-of-seven Stanley Cup semi-final Sunday night.

The goals gave the stick-skating centre a total of five in five playoff games and it was also the first three-goal effort of the series.

Veteran leftwinger Ted Lindsay, with his third of the set, scored the other Red Wing goal. Leftwinger Bobby Hull played another standout game for the Hawks and counted his seventh of the series, one shy of tying the playoff record.

Nesterenko, with his first, was the other Black Hawk scorer.

BREAKS RECORD
The second of Ullman's two quick goals in the second period gave Wings the lead for the first time of the night and was a playoff record. It took Bill Hay of Chicago two seconds longer to score a pair against Detroit in last year's semi-final in Detroit.

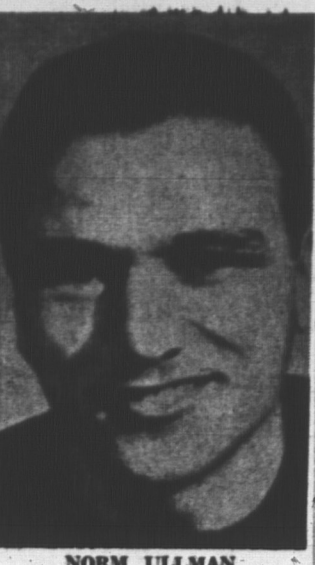

Red Wings' triumph offset a spectacular performance by Chicago goaltender Glenn Hall. The veteran goalie made several brilliant saves in holding the Wings off for almost two full periods, allowing only one goal. He closed the door on 26 drives, including big saves on Gordie Howe, Alex Delvecchio and Marcel Pronovost.

Rookie goaltender Roger Crozier stopped 23 Chicago drives and, although not pressed as much as Hall, played an outstanding game.

Hawks controlled the game for most of the first two periods and their heavy backing appeared to take a toll on the Wings. Detroit had trouble clearing the puck out of their own zone and, when they did, Hawks brought it right back in.

PROTECT HALL
Defencemen Elmer (Moose) Vasko and Matt Ravlich did an excellent job in providing coverage for Hall when the Wings did press in the Chicago zone.

The Hawks had the upper hand until late in the second period when Ullman, the league's

NORM ULLMAN

top goalscorer with 42 this season, cashed in his first two goals.

The action slowed down considerably in the opening minutes of the final period as the heat and the fast pace of the first two periods appeared to weaken the players.

Wings picked up the pace midway through the period as the Hawks were having difficulty clearing the puck from their ends. In the latter part of the period, Detroit played it close

in an effort to protect their lead.

Chicago had an opportunity to even the score at 15:57 when Howe went off for hooking, however, the Red Wing penalty-killers kept Black Hawk attackers from getting any clear shots at Crozier.

The Hawks opened scoring at 8:37 of the first when Crozier failed to glove a 15-foot shot from the point by right winger Nesterenko.

With less than a minute remaining in the period, Lindsay beat Hall from a scramble around the net, flipping the puck over the goalie's glove hand.

Hull's goal in the second frame came soon after he stepped out of the penalty box. He was behind the Detroit defence when he scooped up a pass from Doug Mohns, zeroed in on Crozier and fired a shot which the goalie had little chance to stop.

Ullman's rapid-fire goals were almost identical, both foot-high shots from inside the blueline which caught the bar crozier.

SUMMARY
First period—1. Chicago, Nesterenko (R. Hull, Ravlich) 8:37; 2. Detroit, Lindsay (Berghman, Henderson) 19:19. Penalties—Barkley 1:41, Pronovost 6:19, 13:45, Esposito 17:06, Vasko 19:08.

Second period — 3. Chicago, Hull (Mohns, Vasko) 14:59; 4. Detroit, Ullman (Gadsby) 17:35; 5. Detroit, Ullman 17:40. Penalties—Lindsay 3:46, Hull 12:51, Mikita, Godfrey 16:12.

Third period—6. Detroit, Ullman (Godfrey, Gadsby) 17:59; Penalties — McKenzie 11:36, Mikita, Lindsay 14:17, Howe 15:57.

Youthful Blonda 'Goliath' Wins Masters Tournament

AUGUSTA, Ga. (AP) — Jack Nicklaus, blond young Goliath with awesome power, won his second Masters title Sunday by nine shots with a record-shattering 17-under-par 271 and established himself firmly as golf's new super-star.

It was a slaughter. The 210-pound Nicklaus, a comparative babe of 25, climaxed one of the game's great all-time performances with a final round 69 and an unprecedented margin over his two fellow members of the big three, Arnold Palmer and Gary Player.

After the powerful Nicklaus once started his charge at the halfway point, the others never had a chance.

The world's finest golfers and the massive, demanding Augusta national course — 6,980 yards of frustration and elusive par 72—were left numbered by

the impact of the big Columbus, Ohio, boy's assault. Nicklaus' rounds of 67-71-64-69—271 cracked by three shots the record 274 which Ben Hogan set in 1953 and held proudly for a dozen years.

The previous largest winning margin in this tournament, a maddening spectacle that lures the world's best players, was seven strokes—the gap by which Dr. Cary Middlecoff captured the title in 1955.

PALMER, PLAYER TIE
Palmer, the defending champion and four-time winner, and Player tied for second place. Palmer finished with 70-68-72-70—280 and Players had 68-72-69-73—280.

George Knudson of Toronto, the only Canadian to get past the 36-hole cutoff last week, finished with 72-73-69-74—288.

On his closing round, Nicklaus went one over-par one-

at the fourth hole for the first time in a stretch of 29 holes—and had four birdies. He missed other birdies by inches.

One of these came on the 820-yard 15th hole where two tremendous blows put him on the green, putting for an eagle. His first putt from 40 feet went six feet past. On the next try, the ball hit the back of the cup and curled away.

Big Jack refused to be discouraged by this unlucky turn. He parred the short 16th easily and on the 400-yard 17th rifled his approach to within 18 inches for his final birdie.

At 25, Nicklaus already has won two Masters, including his first in 1963; the U.S. Open, the PGA and the National Amateur twice before he turned pro.

10 BREAK PAR
Of the 91 players who began last Thursday, only 10 were able to break par and none of

them gave it the walloping that Nicklaus administered. Palmer, the defending champion and four-time winner, never got his charge under way and finished with a 70. Player, the little South African, scrambled to a 73.

Mason Rudolph shot a par 72 for 283 and fourth money. Dan Sikes, 34-year-old campaigner from Jacksonville, Fla., had a final 75 for 285 and fifth.

Gene Littler, former U.S. Open champion, shot a 74 to tie for sixth at 286 with Spain's Ramon Sota, who closed with par 72.

They were followed by Tommy Bolt and Frank Beard, tied at 287.

Nobody else was able to rack par. Byron Nelson finished ahead of his old rival, Hogan, by shooting a 74 for 290. Hogan also had a 74 for 291.
