Are you struggling to do your cooking and baking on an old fashioned, worn out range? Have you been blaming yourself for cooking and baking failures? Have you been wishing and hoping to get a new and modern range that will give fine and unexcelled service? The Enterprise "Savoy" is the answer to all this, and for ten days you can buy it at a really worth while saving! You'll love the Enterprise "Savoy" Range for its wonderful performance and for its smart, modern appearance. Finished in gleaming white enamel with a polished steel top and complete with high warming closet and copper reservoir. The Enterprise "Savoy" Range burns either wood or coal.
