CLAM CHOWDER and steam clams at the Old Elm to-night.—Fred. E. Rowe, proprietor.

AT WORK AGAIN.—The fountain in Queen Square Gardens was in operation last evening for the first time this season.

NEW ARRIVAL.—The brig, Corsican arrived here to-day from Philadelphia with a cargo of hard coal to C. Lyons.

PROMENADE CONCERT.—The Citizens' Band will give another of their popular concerts in Queen Square Gardens this evening.

NEW FEATURE.—A new feature will be introduced at the promenade concert in the Gardens this evening. It isn't that fence.

A SUCCESSFUL TEA.—The gross amount realized at the tea party held at DeBlois a few days ago was \$1350. We congratulate Father Pioette.

GOOD CATCHES.—It is stated that had are coming in plentifully at Economy, N. S., and that mackerel are being taken in large numbers in Liverpool, N. S., harbor.

NOT FOUND YET.—The body of George Beaton, who was drowned while bathing on Tuesday, has not yet been recovered, although diligent search is being made for it.

SCORCHED AGAIN.—The Balmoral Hotel, Montreal, which was badly burned some time ago, again caught fire on Tuesday morning, and was badly damaged by fire and water. The loss is estimated at \$30,000, covered by insurance. No lives were lost.

I. O. G. T.—Charlottetown Lodge No. 1 will meet this evening at 8 o'clock, sharp. Election of officers and other important business. A full attendance of officers and members requested. Visiting brethren always welcome.—D. A. McRae, Sec'y.

BRIDGE NEEDED.—A bridge is badly needed at the junction of Hillsborough and King Streets. This morning a loven came to grief in the gutter which extends across the street at the place. THE EXAMINER trusts that the City Surveyor will attend to this matter at once.

BATTALION DRILL.—Nos. 1 and 2 Batteries, G. A. were put through Battalion drill by Lt. Col. Moore, at Victoria Park last evening. The turnout was large, and the different movements were well executed. The Artillery Brigade Band was present and discoursed excellent music.

FROM HALIFAX.—The Steamer Princess Beatrice, arrived from Halifax via intermediate ports, about 5 o'clock last afternoon, having a general cargo. She will sail on return this afternoon with a cargo of lobsters, etc., and Mrs. D. McMillan and Mrs. McGrath as passengers.

MUSICAL EXCURSION.—The musical excursion by moonlight, to be given by the Citizens' Band in the steamer Princess of Wales tomorrow evening, promises to be one of the most successful affairs of the kind held this season. Arrangements are being made to accommodate a large number of people and to give all a good time. Excellent dance music will be provided. Don't fail to attend.

THE SOURIS TEA.—The big tea in Souris is in progress to-day. The attendance is very large. The special which left town this morning at eight o'clock was in charge of Conductor McGowan, and consisted of eleven cars drawn by two engines. The cars were well filled when they left, and all along the line excursionists were taken on board. The special from Summerside, in charge of Conductor Gillis, was also well filled.

THE INTERNATIONAL STEAMERS.—From August 16th to Sept. 13th, the International steamers will make extra Saturday evening trips, going direct to Boston, leaving St. John immediately after arrival of express from Halifax. In future the Wednesday steamer going west will not call at Portland, and will arrive at Boston next morning. This company is providing a better service this year than ever before and its boats are being extensively patronized.

LOST HIS LAMPS.—The Globe says that a clergyman visiting St. John attended a meeting of the Salvation Army in that city an evening or two ago, having with him a parcel containing fourteen gasoline lamps, which he had bought for his church in Nova Scotia. He left the parcel on a seat further up, and forgetting the existence of the parcel while a clergyman was praying for a salvationist, a person of worldly thought and wicked principle appropriated and made away with it.

FELL BETWEEN CARS.—A young man named William Reynolds, in attempting to get on board the train at Dorchester, N. B., on Tuesday morning last, fell between the train and the station platform. He was immediately taken out from his perilous position, placed on board the train and taken to Amherst, where it was found that he was suffering from a fracture of the shoulder. He, however, escaped from coming in contact with the wheels, but suffered considerable pain until after the fracture was attended to.

THE SPRINGHILL STRIKE.—The Amherst Press says: A gentleman just returned from Springhill reports that the strikers there are holding out as firm as ever, and that there is little prospect of a settlement. Help is being given to the strikers from different societies to enable them to hold out. One lady, who owns a number of houses, in which the men live, has let them have them free, and has also given a donation of \$200 for their support. A large number of men are still employed in keeping the mines in good condition and free from water.

ADVICE TO MOTHERS.—Mrs. Winslow's Soothing Syrup has been used by mothers for children teething for over fifty years with perfect success. It relieves the little sufferer at once; it produces natural quiet sleep by relieving the child from pain; and the little cherub awakes as "bright as a button." It is very pleasant to taste. It softens the child, softens the gums, allays all pain, relieves wind, regulates the bowels and is the best known remedy for diarrhoea, whether arising from teething or other causes. Twenty-five cents a bottle. apl18'90dyoodwkyly

TELEGRAPHIC NEWS.

Russia and her Jews.

LONDON, July 30th.—The Times says the Russian Court has ordered the application of the edicts of 1882 against the Jews. The edicts were hitherto held in abeyance. The Jews must henceforth reside in certain towns only. None will be permitted to own land or hire it for agricultural purposes, and no Jew be allowed to hold shares in or work mines. The law limiting the residence of Jews to sixteen provinces will be enforced. No Hebrew will be allowed to enter the army, practice medicine or law, to be an engineer or enter any profession, and they will be debarred from holding posts under the government. The enforcement of the edicts will result in the expulsion of over 1,000,000 Jews from the country.

Ottawa Notes.

OTTAWA, July 30.

Col. Bacon is working on changes in the rules of the Dominion Rifle Association meeting in Sept., calculated to prevent collision between competitors and markers.

Copies of the tariff alleged to be official but published by private parties, are doing great harm by their inaccuracies. A case of the kind came before the Minister of Customs to-day. A number of seizures have been made of barrels pork entered so as to pay the lowest duty which is imposed on heavy grades containing 16 pieces to the barrel. Collectors have been instructed to look sharply after pork entered for consumption hereafter.

News From Halifax.

HALIFAX, July 30.

General Manager Schreiber and officials of the I C R completed their inspection of the Halifax terminus to-day, and left on a special to inspect all stations between here and St. John.

The announcement that an English Syndicate has completed negotiations for the purchase of the Halifax breweries is untrue. Rev. W. E. King, Rector of St. Luke's, left for England to-day.

The authorities of the Church of England have established an infirmary in this city.

The Windsor Cotton Factory has been closed for six months. President Curry says over production and a stagnant market have caused the present depression.

The Revolution in Buenos Ayres.

RIO JANEIRO, July 30—5 p. m.

A despatch from Buenos Ayres states that quiet has been restored there, and that the leaders of the revolution have accepted the government's terms. The reason the victorious union civica has practically yielded, is because they had only 100,000 cartridges instead of 1,000,000, as they had calculated.

Educational.

SPRINGFIELD, MASS., July 30.

Amherst College Board of Trustees to-day elected Merrill Edward, late President of Rutgers College, as President of Amherst College, to succeed Julius B Seely.

Obituary.

MONTREAL, July 30.

A card received by a friend in St. John from Rev. Wm. Lawson, announces the arrival of himself and family at Alberton, P. E. Island, after a pleasant trip. They received a hearty welcome, and everything up to date was as pleasant as could be desired.—Sun.

The St. John Sun says: Rev. Dr. Macrae left last night for Parrsboro, where he will remain for several weeks. After that Dr. Macrae will go to Charlottetown. The pulp of St. Stephen's Church will be filled by Rev. Mr. Dill, of Parrsboro, and Rev. Mr. Carruthers, of Charlottetown during Dr. Macrae's absence.

POLICE COURT.—One drunk was fined \$3 or 14 days; a nuisance case was adjourned in order to give the defendant time to have it abated; and a truckman for allowing his horse to run at large about the streets was fined \$2 and costs or 8 days. In the latter case the horse was impounded on Sunday but was forcibly released the same evening. Had the truckman taken his horse out in the regular way, paying the usual fee, he would have been about \$2 in pocket.

Dyspepticure—Is not a palliative, but a cure; it first relieves, then controls, and finally entirely subdues the irritation and inflammation of the stomach that causes indigestion and dyspepsia.

Applications for railway legislation next session are commencing to pour in at Ottawa. It is proposed to ask parliament to incorporate the Prince Albert, Hudson's Bay and Pacific Railway and Steamship Company, with power to construct a railway from Prince Albert in a direct route as practicable to Hudson's Bay at either Fort Churchill or Port Nelson, or to connect with the Winnipeg and Hudson Bay railway at a point north of the Saskatchewan river, and from Prince Albert northwesterly by Resser Slave Lake through either the Pine river or Peace river pass to either Port Simpson or Skeena on the Pacific coast.

THE TURF.—The Journal says the Futurity Stakes race, for foals of 18888, will take place on Summerside Driving Park on September 3rd next. This gives the owners a month yet in which to train their colts.

K. D. C. is Guaranteed.
