Intense excitement is caused in Denver, Col., by the news that two Grand County commissioners were shot and killed by the mob and two other commissioners and the county clerk were mortally wounded. The commissioners held a meeting at Grand Lake on Monday last, and while two of them were returning to their boarding place they were attacked by masked men and shot down. One of the attacking party was killed, and upon removing his mask was found to be an opposing commissioner; the others escaped. A party are in pursuit and a hard fight is anticipated.
