

The Biology Pace

By the time you read this, the Pace may already be over but we'd just like you to be aware of it. We, the Biology club, are running "The Biology Pace" on Thursday, Sept. 20 at the Charlottetown Driving Park. The club members have been working hard at selling tickets to the Pace, which also include the chance to win a weekend for two to any Journey's End motel in the Maritimes, as well as several runner up and bonus prizes, ranging from things such as cookware to chicken dinners. So if you still have time, find a Bio. and get a ticket or two - It's going to be a great time for everyone. Join us at the C.D.P!
