Bringing You Up-To-Date  
On What's New And  
Interesting at Holman's  
By G. H. M.

**DON'T** be misguided or misled . . . There are still some lovely **WALLPAPERS** in Holman's Furniture, Summerside and in Holman's Hardware, Charlottetown, on Sale for just 1c the second roll. Of course, you know how this works: You pay the regular, marked price for the first roll and you get the second roll for an additional 1c, which goes for making the papering of a room really reasonable. Come in and look the remaining patterns over — just the paper you want may be among the lot and you can get it at a tremendous saving from Holman's Both Stores.

**AND** here's more news of home decorating! Holman's Dry Goods in Summerside has a simply marvellous **GARMENT BAG** that will both dress up your clothes closet and protect your wardrobe. It's Jumbo size (all of 34 inches) and it's both durable and beautiful, being made of lovely quilted chintz plastic with a long, long zipper closure. The Garment Bags are made by Modern Home Closet Accessories and are priced 2.98 each. . . . For very little cost you can fix up your clothes closets to have the appearance of picture-book closets by getting smart sets of Home accessories from Holman's Dry Goods in Summerside.

**HOT STUFF!** . . . And right from New York City! Young men hereabout are going to let color go to their heads in the way of fabric **HATS** dashed and splashed with color. The Men's Wear of Holman's in Summerside have these smart "Pork-Pie" style Hats in a light fabric, linen weave with stitched and wired brims. The up-to-the-minute color combinations are helio with black, black with pink and charcoal with pink. They are available in all the usual sizes and they are priced 2.98 each. I'm telling you these are going like crazy and if you want to mate up your Spring color combinations with a handsome, cool, comfortable topper, rush right into Holman's Men's Wear, Summerside for The Hat of The Season!
