

Death Yesterday Of Well Known Barber

The death occurred suddenly at his home, 186 Queen Street yesterday, of Mr. Frank Riggs, veteran Charlottetown barber.

The late Mr. Riggs was 71 years of age and had been in the barbering business for some 55 years, first as a partner with Riggs and Bergigan and later with the firm of Riggs and Harper. Well known in this city, he was a one-time member of Worth's Band and the old 82nd Band.

He was a member of St. Lawrence Lodge, I.O.O.F., and an adherent of Trinity United Church where for a time he was a member of the choir. Mr. Riggs had 17 years service with the Charlottetown Fire Department.

The late Mr. Riggs, who made scores of friends, was born in Charlottetown, the son of the late Thomas and Mrs. Riggs. He is survived by his wife, the former Maude Vatcher, four brothers and two grandsons. One son, Harold, predeceased him two years ago.

Two of his brothers, Tom and Harry, reside in Charlottetown while Dudley, who was home this summer, lives in Windsor, Ontario and Charlie resides in Rosindale, Mass. Another brother, Jack, predeceased him four years ago. His two grandsons, Harold and Frank, live in Kamloops, B.C.

Sincere sympathy is extended to Mrs. Riggs and other surviving members of the family.

Visiting Naval Men Entertained

Officers and men of the H. M. S. "Snipe" now in port, were entertained yesterday at the new scale of pay for the British Navy.

The "Snipe" is due back in Devonport, England, in October, thus marking the conclusion of her commission. Ships in His Majesty's navy are usually commissioned for two or two and a half years, but the "Snipe" was recommissioned at the end of her first two year period and is now concluding what might well be termed a four year commission. Most ships do not return to their home base until after their commission is served.

Upon reaching England the crew of the "Snipe" will receive 48 days leave, two days for each month service, and will then be posted aboard other ships leaving from Devonport. England has three main home ports, Chatham, Portsmouth and Devonport, and as there is a friendly rivalry between the three, it is customary for men to take ships from their home port.

The "Snipe" was feted in the United States recently when she was the first British warship to sail up the Hudson River to Albany since the American War of Independence. At that time there was a chain stretched across the river to prevent the passage of ships and Commander D. S. Tibbets was photographed with a piece of the original chain. Other portraits touched during her present commission were in the West Indies, Dutch and French Guiana, Chile, Peru and Ecuador.

One of the visiting board has been granted his discharge in order that he might enter the Canadian Naval Service. His parents are now residing in Canada, and it is on compassionate grounds that his discharge was granted.

Officers aboard the "Snipe" were entertained at a party at the home of Mrs. P. C. O'Brien, and the evening was approximately fifty guests will be entertained aboard ship.

TWO MONTHS OF KOREAN WAR

Map shows successive stages of the Korean war in the two months since North Korean Communist forces invaded South Korea on June 25. Outstanding feature of the second month of war was United Nations' forces success in stalling the hitherto speedy southward drive of the Reds and mounting stronger counter-attacks that disrupted the enemy's planned all-out offensive to drive the Allies into the sea.
