Peakes And Vicinity

Mr. and Mrs. Thomas Kelly were visitors to Charlottetown February 20th, guest of Mr. and Mrs. Walter Currie.

Mr. Elwood Donnelly Charlottetown, was a visitor at the home of Mr. Michael Handrahan on February 23rd.

Miss Annal Anstie returned to her home in Montague on February 20th after spending a few days with her father, Mr. George Anstie.

Mr. and Mrs. Walter Rogerson and Mrs. John Trainor were visitors at the home of Mr. and Mrs. John Hughes on February 20th.

Mr. Ralph Gillan was a visitor to Charlottetown on February 24th on business.

Mr. Edward Cullen returned to his home in Charlottetown on February 24th after spending a few days at the home of Mr. and Mrs. Walter Rogerson.

Mr. Joseph Kelly was a business visitor to Mt. Stewart February 24th.

Miss S. LeClair, Charlottetown, spent the week-end of February 21st as guest of Mrs. L. Devine and family.

Mr. Joseph Myers was a visitor to Charlottetown on February 24th on business. He was accompanied by his son Harry and Mr. Alfred Handrahan.

Mr. Tommy Dunphy returned to his home February 24th from Mt. Herbert where he was spending a few days with his aunt, Mrs. Joseph Driscoll.

Messrs Russel McIntyre and Ralph Graham, Mt. Stewart, were business visitors to Peakes February 24th.

Mr. and Mrs. Ralph Grant were visitors to Head of Hillsboro on February 22nd, guests of Mrs. Grant's father, Mr. Urban Bambrick and family.

Many from this vicinity took advantage of the opportunity to attend the Retreat which opened

Electrification Measures

Continued from page 1

Lieut. Col. R.D. McNeill, medical officer of the unit. Members of the gun crews were W.O. B. E. Dennis, W.O.3 H.L. King, Staff Sgt. Robert King, Sgt. W.G. Dennis, Sgt. D.F. Hill, Sgt. A.E. Dalziel, Sgt. A.P. Westergard, Bdr. R.G. Dennis, Bdr. J.A. Gallant and Bdr. A. Steele.

Following the departure of the Lieutenant Governor and his party Premier J. Walter James rose to move the usual "pro forma" bill, an amendment to the Magistrates Act, which was solemnly proclaimed read a first time.

Gallery Crowded

The gallery in the Chamber was packed solidly for the opening and a large throng of wives of members, judges and other dignitaries were present on the floor of the House. His Honor the Lieutenant Governor was accompanied by his aides, Capt. J.J. Connolly, V.D., Lieut. Col. A.W. Rogers, E.D. and Wing Commander Alan G. Macmillan, and his private secretary, Dr. L.E. Prowse. Also attending were Brig. W.W. Reid, D.S.O., representing Maj. Gen. E.C. Plow, Eastern Command, Inspector Norman Churchill, R.C.M.P., and Lieut. Kenneth MacKenzie, commanding officer at H.M.C.S. Queen Charlotte.

This year, as was the case last year, Mr. Thomas R. Cullen is Clerk of the House, Mr. Charles McInnis is Sergeant at Arms and Mr. Allison Gillis is Law Clerk. Just prior to adjournment yesterday two men were appointed as doorkeepers. They were John Francis Walter on motion of Hon. Eugene Cullen, and Raymond Birch on motion of Hon. Walter E. Darby. The messengers of the House are Messrs. Joseph Livingstone, Allan Hickox and Fred Gaudet.

Standing Committees

Members of all select standing committees were appointed yesterday in the Legislature on motion of Premier J. Walter James.

Headed the Agriculture Committee is Hon. C. Cleveland Baker, Minister of Agriculture, as chairman. With him are W.F. Alan Stewart, R.R. Bell, Lorne H. MacFarlane, J.W. Don Campbell, Frank Myers and Frank L. MacNitt. Chairman of the Public Accounts Committee is Mr. William Hughes and serving on it are Messrs. J. George MacKay, Lorne MacFarlane, B. Earle MacDonald, J.A. MacDonald, W.J.P. MacMillan and George Kitson.

Hon. Walter E. Darby is chairman of the committee on Private Bills and with him are George E. Saville, E.P. Foley, Hiber J. Gault and Frank Myers. The Legislative Library committee is headed by Hon. J. Wilfrid Arsenault and has Hon. Forrest Phillips, M. Lorne Bonnell, John A. MacDonald and J.W.D. Campbell as other members. Mr. George E. Saville heads the committee on engraving bills and associated with him are Harvey Douglas, B. Earle MacDonald, St. Theresa's Convent February 2nd and closed February 22nd. Rev. Father Butler preached the sermons.

Messrs James and Joseph Power, Avondale, were visitors at the home of Mr. and Mrs. Alfred Donnelly on February 24th.

Mr. Gerard Fraser, teacher in Dromore, spent the week-end of February 21st as guest of Mr. and Mrs. Ralph Gillan.

Mr. Preston Hughes, employee on the Abegweit, spent a few days recently at the home of his parents, Mr. and Mrs. L. B. Hughes.

A fire which might have destroyed the home of Mr. Peter MacDonald on the evening of February 21st, had it not been discovered and quickly brought under control by Mr. MacDonald, his two sons and Mr. Harold Dunn, started in a bureau drawer in a bed room which adjoins the dining room. The bureau was burned and the heat caused the plaster on the ceiling to fall which served as an alarm for the occupants who were playing cards in the kitchen at the time.

William Aorn and Frank Myers. The committee on Contingent Accounts has Mr. Russell C. Clark, chairman, with Hon. J. Brent St. John and Hubert J. Gaudet as other members.

SPEECH FROM THE THRONE

Following is the full text of the Speech from the Throne: "Mr. Speaker and Gentlemen of the Legislative Assembly of Prince Edward Island:

"In the name of Her Majesty Queen, Elizabeth the Second, I greet and welcome you to this third session of the Forty-seventh General Assembly. May your deliberations and discussions result in legislation which will benefit not only our own Province but the whole nation of which we are proud to form a part.

"More than a year has passed since our Liege Lady Queen Elizabeth ascended the Throne. At your last Session you presumed to approach Her Majesty with an expression of devoted attachment to the person and Throne and to predict that under Her gracious rule the welfare and happiness of Her subjects would be fully maintained. The intervening months have wholly justified your prediction. The ties which bind Canada to the Throne and Commonwealth have been steadily strengthened by the gracious expression of devoted attachment to your Sovereign Lady. We and all Her people look forward with pleasure and happiness to the day, near at hand, when at Her Coronation she will again dedicate her talents and her life itself to the service of her subjects. On that day, which has been proclaimed a day of general thanksgiving and rejoicing, our Island people will join in devotion to the prayer—"God Save the Queen—Long may she reign". It is our hope that a goodly number of our citizens will be able to journey to England next June to observe personally the ceremonies connected with Her Majesty's investiture.

"Since the last regular session we have been called on to mourn the passing of two former members of the Legislature, Mr. Rodger McLea on motion of Hon. St. George's eighty-seven years ago and was a member of the General Assembly from 1915 to 1919. Mr. Harry A. Darby, father of our present Attorney-General, represented the Third District of Prince County as Councillor from 1927 to 1931 and also reached the advanced age of eighty-seven years. Both of these respected citizens served their communities and constituents with honour and ability.

"The past year brought to Prince Edward Island, as usual, a number of distinguished visitors from various parts of the world. In August, His Excellency the Governor General of Canada paid his first official visit, although he was no stranger to the Province. His kindly personality and his interest in our hospitality endeared him to all our people. During the summer we were honoured by brief visits from Mr. Stanley Woodward, American Ambassador to Canada, and Mrs. Woodward, and from Lord Lovatt, Head of the Clan Fraser, who attended the Annual Scottish Gathering at Montague. In September, forty-five delegates to the Commonwealth Parliamentary Conference at Ottawa spent a full day in the Province. Representing widely scattered units of the Commonwealth, including Gold Coast, Rhodesia, South Africa, Pakistan, India, Ceylon, Australia, New Zealand and the American Colonies, these members of our larger family were shown a cross section of our Island community, enjoyed our scenery and our hospitality and through an exchange of ideas undoubtedly left with a fuller understanding of our interests, our position and our problems.

Rural Electrification

"Rural Electrification has not proceeded as rapidly as my Government would have wished. Following hearings by the Public Utilities Commission a new rate base was established and higher rates came into effect. This program was adopted on the distinct understanding that extension of rural electric facilities would rapidly and continuously proceed. The lack of ability to raise funds for adequate expansion by private enterprise has been pleaded in explanation. My Government has concluded that, inasmuch as the immediate expansion of rural electrical facilities is imperative, some form of Governmental intervention or assistance must be provided. Estimates will be submitted for your approval for a sum sufficient to promote such expansion and legislation proposed to facilitate any possible action the Government decides on.

Tax Agreement

"During the year, pursuant to authority granted by you at the last session of the Legislature, my Government entered into a new Tax Rental Agreement with the Government of Canada. By its terms certain taxation fields were rented for the fiscal years 1952-1953 inclusive, subject to payment of certain basic and accelerated taxes. Copies of this Agreement will be tabled for your consideration.

The Hoof and Mouth Disease

"The Hoof and Mouth disease, which broke out in Saskatchewan last year, has been a contributing cause of a break in cattle prices. We rejoice that the United States embargo has now been removed and that an immediate improve-

Transportation

"The Legislative Committee on Transportation heard evidence and reports submitted to it at Public Meetings in the three Counties, and will submit its reports and findings to you. You will also receive a Report of your Select Standing Committee on Electoral Reform.

Education

Education

"You will be asked to make provision for funds necessary to effect a change in Grade XI in the High Schools. It is proposed to outline the course of study in all High Schools and to require the passing of an examination, set by the Atlantic Provinces Examining Board, at the end of Grade XI.

"It is appropriate to note that for a full century our Province has enjoyed the privilege of free education. A Bill was passed in 1852, known as 'The Free Education Act', which is the basis of the present school system. The questions of responsible government, landlordism and tenantry, universal suffrage and free public schools gave the political giants of those days, such as Honourable George Coles and Honourable Edward Whelan, a heavy task which has greatly benefited us for the past one hundred years. Enrollment in schools, in 1899 was 21,550 and six years later was 18,791; yet, the provincial expenditure for education has increased twelve times. The number of teachers has increased ten per cent and the percentage of attendance forty per cent.

"The indiscriminate cutting of Christmas trees without the owner's consent has caused my Government concern and legislation will be introduced in an effort to curb this practice. In the same Bill penalties will be proposed with the object of restricting damage to property on Hallowe'en.

"The ferries to the mainland were badly overcrowded during the Tourist Season—in particular, the Wood Islands-Caribou ferry was so overcrowded that many abandoned the effort to travel that way. It is essential that my Government press for improved services on both ferries.

"In conformity with my Government's desire to promote the Tourist Industry by enhancing the beauty of our Province, the legislation will be submitted restricting the dumping of refuse, particularly discarded automobiles, in places otherwise attractive to tourists. It is hoped to confine the dumping of refuse to objectionable locations.

Dragger Operations

"In the development of the offshore fishery, my Government has assisted in the construction of four draggers of the sixty-foot class, and three of the fifty-foot shallow draft class as well as the conversion of another ship. The initial success of this development indicates the advisability of assisting in the construction of more sixty-foot draggers this year.

"The Department of Mines and Technical Surveys of the Federal Government will begin a complete geological survey of Prince Edward Island, beginning about May first of this year. The survey is expected to cover a period of three years.

"A Public Inquiry has been instituted by my Government into the Parkdale Water Supply; Public Hearings have been conducted thereunder and it is anticipated that the Report of the Commissioner on this Inquiry will be received in ample time for your consideration.

"In 1873 Victoria Park was given to the City of Charlottetown in trust for the citizens of the Province, for use as a Park and Pleasure Ground. It was provided at that time that no circus, show, or exhibition of any kind, show, or permitted in the Park. Legislation will be submitted for your consideration whereby Memorial Field in Victoria Park may be set aside for athletic games, and an admission fee charged.

"The improvement work to the furthest in the Confederation Chamber was inspired by V. B. King of Woodstock, Ontario. Mr. King suggested that the furniture be put in first class condition and that he would be glad to pay the full cost of the restoration work unless others also wish to share in the privilege of preserving the visual bonds of our Canadian heritage.

Murray Harbor Notes

"The Murray Harbour Community Hall was filled to capacity on Wednesday night, February 25th to enjoy the well-balanced amateur concert sponsored by the local Women's Institute for the purpose of raising funds to pay for the street lights. Mr. John Brooks, who filled the role of chairman most capably, gave in his opening remarks a brief though complete summary of the amounts received by the committee in charge of the street lights and showed that the funds were now almost depleted and hence the necessity of the present entertainment.

"At the completion of the program and while the ballots were being counted, boxes prepared by the ladies of the community were auctioned and were quickly bought up. Tea was served back-stage by the members of the Institute.

The ballots showed the most popular entertainer to be Miss Faye Keenan, with Messrs. Garnett Buell and Jimmie O'Connor taking second honors and Miss Ellen MacKay placing third.

A very outstanding number but by request of the performers not considered in the voting, was a duet by Mrs. Walter Dalziel and Mrs. Louis Herring.

- The following is the program: Mixed Chorus. Remarks by Chairman. Recitation—Billard. Solo—Ellen MacKay. Recitation—Darlene Herring. Dance—Bernice Billard. Solo—Grant Fraser. Recitation—Garry Herfing. Dance—Mary Prowse. Recitation—Mary Gosbee. Solo—Faye Keenan. Instrumental music—Garnett Buell, Jimmie O'Connor. Dance—Mrs. Strain Herring. Instruments—music—Murray Harbour Rhythm Kings. Solo—Garnett Buell. Duet—Mrs. Dalziel and Mrs. Herring. Dance—Leon Davey. Solo—William F. Harris. Recitation—Patsy Sharam. Mixed Chorus.

BETTER MANNERS

JOHANNESBURG, South Africa (CP)—In a country where most men and boys go hatless, the Marxist Brothers college here decided to make its boys wear hats. The principal of the college declared no boy could learn to treat women and elderly people with respect if he is always hatless.

ment, in the price of dairy animals particularly, should result.

"The Trans - Canada Highway, which will traverse the Island from ferry to ferry, a distance of over seventy miles, has upwards of thirty miles completed. The actual cost to the Province, exclusive of bridges, will be around twenty-five thousand dollars a mile whereas the complete cost of pavements recently made in the Province is about forty-nine thousand dollars a mile. It is hoped it may prove practical to cross the tidal estuaries with causeways, which will require about two million yards of stone and fill and provide a large measure of local employment.

"During the past year my Government has administered the Province with economy, consistent with the increased Social Services and efficient general public services maintained. Financing has been successfully conducted and the sinking funds maintain a high and satisfactory level.

"The Accounts and Reports of the various Departments of my Government for the past fiscal year and the Estimates for the coming year will be presented for your consideration as will a number of proposed Statutes and amendments to Statutes. These will include The Prince Edward Island Dairy Products Act, The Dairy Products Manufacturing Act, amendments to The Probate Act, The Partnership Act, The Coroners' Act (as to fees), The County Court Act (as to Terms of Sittings), The Chancery Act and The Companies Act.

"May Divine Providence guide and bless your deliberations."

Hello There!

Let me tell you what a prospective client of mine told me the other day and you'll see how much he had to learn about life insurance!

"Why, look here," he said to me. "I'm hanged if I can see what all the shouting's about. Isn't a policy a policy, and isn't an agent an agent? What difference could it make who sells me what policy as long as my life is insured?"

Well now, that fellow was easy to answer. Everything's different in this world, and it doesn't matter what commodity we discuss. Could you imagine a tailor trying to sell a midget an overcoat made for a tall man? And it's obvious that a lad of eighteen requires a different type of suit from a man of sixty. So it is with life insurance. No salesman would try to sell a bachelor earning \$4,000 a year the same type of coverage as a farmer with a wife and four children. The policies just wouldn't fit.

No sir, each agent has his own ideas and these are based on the training he has received and the company he represents. Now take my company, the Sun Life of Canada. Their agents are given the most extensive possible training. They know what's best for you — what Sun Life policies you may need to round out a balanced sort of estate which will either add materially to the blessings of your retirement years or protect your loved ones as you would wish them protected if you were not around to look after them.

You see how wrong my client was. I'd sure like the chance to prove these claims to you. Let me tailor your estate to fit your exact requirements. You'll be under no obligation so why not get in touch with me?
