FOR OVER FIFTY YEARS Mrs. Winslow's Soothing Syrup has been used by millions of mothers for their children while cutting teeth. It relieves the little sufferer at once; it produces natural, quiet sleep by relieving the child from pain, and the little cherub awakes as "bright as a button." It is very pleasant to taste. It soothes the child, softens the gums, allays all pain, relieves wind, regulates the bowels, and is the best-known remedy for diarrhœa, whether arising from teething or other causes. Twenty-five cents a bottle. Be sure and ask for "Mrs. Winslow's Soothing Syrup," and take no other kind. 1yr

THE only variation in quality which will ever be found in Myrtle Navy tobacco is in the degrees of moisture which it contains. Tobacco is a very ready absorbent of moisture, and in unusual states of the weather it may become a little too moist or a little too dry to suit the taste of some. This is a minor matter, however, as the essential quality of the tobacco is not changed. Its combustion is a little slower or a little faster, according to the degree of moisture, that is all. The darker the plug the greater the moisture, and many prefer the dark. In each caddy, however, the preference for for either can be met.
