Churchill Appeals For East-West Conference

MARGATE, England (AP) - Prime Minister Churchill appealed urgently Saturday for a "friendly, informal, personal" conference of world leaders and an East-West treaty to outlaw military attacks. The 78-year-old statesman told a Conservative party conference he has the "sure hope" that an American-backed non-aggression pact would prevent a third world war with Russia and the West "tearing and blasting each other to pieces." Churchill said his "trusted allies" - clearly meaning President Eisenhower and French Premier Joseph Laniel - had not yet accepted his earlier pleas for face-to-face talks with Soviet Premier George Malenkov.

"Her Majesty's government... still believe that we should persevere in seeking such a meeting between the heads of governments," he said.

The prime minister stressed that the Western Alliance must be maintained and strengthened. He warned the hesitant French government to accept armed Germans into the European Defence

one thousand nine hundred and fifty-three.

(Sgd.) GORDON R. HOLMES, L.S.

This Writ of Subpoena was issued by William E. Bentley of Charlottetown, in Queen's County, in Prince Edward Island, Complainant in person, whose address for service is office of McLeod & Bentley, 154 Prince Street, Charlottetown, aforesaid.
