CAUTION.—Beware of a Counterfeit signed A. B. MOORE. All genuine have the name of A. J. WHITE & Co. on each box. Also the signature of A. J. WHITE & Co. All others are spurious. A. J. WHITE & CO., Sole Proprietors, 50 Leonard Street, New York. THIS philanthropist has spent the greater part of his life in travelling, having visited Europe, Asia, and Africa, as well as North America—has spent three years among the Indians of our Western country—it was in this way that the Indian Root Pills were first discovered. Dr. Morse was the first man to establish the fact that all diseases arise from IMPURITY OF THE BLOOD—that our strength, health, and life depended upon this vital fluid. When the various passages become clogged, and do not act in perfect harmony with the different functions of the body, the blood loses its action, becomes thick, corrupted and diseased, thus causing all pains, sickness and distress of every name; our strength is exhausted, our health we are deprived of, and if nature is not assisted in throwing off the stagnant humors, the blood will become choked and cease to act, and thus our light of life will forever be blown out. How important then that we should keep the various passages of the body free and open. And how pleasant to us that we have it in our power to put a medicine in your reach, namely, Morse's Indian Root Pills, manufactured from plants and roots which grow around the mountainous cliffs in Nature's garden, for the health and recovery of diseased man. One of the roots from which these Pills are made is a Sadorific which opens the pores of the skin, and assists Nature in throwing out the finer parts of the corruption within. The second is a plant which is an Expectorant, that opens and unlogs the passages to the lungs, and thus, in a soothing manner, performs its duty by throwing off phlegm, and other humors from the lungs by copious spitting. The third is a Diuretic, which gives ease and double strength to the kidneys; thus encouraged, they draw large amounts of impurity from the blood, which is then thrown out boundlessly by the urinary or water passage, and which could not have been discharged in any other way. The fourth is a Cathartic, and accompanies the other properties of the Pills while engaged in purifying the blood; the coarser particles of impurity which cannot pass by the other outlets, are thus taken up and conveyed off in great quantities by the bowels. From the above, it is shown that Dr. Morse's Indian Root Pills do not only enter the stomach, but become united with the blood, for they find way to every part, and completely root out and cleanse the system from all impurity, and the life of the body, which is the blood, becomes perfectly healthy; consequently all sickness and pain is driven from the system, for they cannot remain when the body becomes so pure and clear. The reason why people are so distressed when sick, and why so many die, is because they do not get a medicine which will pass to the afflicted parts, and which will open the natural passages for the disease to be cast out; hence, a large quantity of food and other matter is lodged, and the stomach and intestines are literally overflowing with the corrupted mass; thus undergoing disagreeable fermentation, constantly mixing with the blood, which throws the corrupted matter through every vein and artery, until life is taken from the body by disease. Dr. Morse's PILLS have added to themselves victory upon victory, by restoring millions of the sick to blooming health and happiness. Yes, thousands who have been racked or tormented with sickness, pain and anguish, and whose feeble frames have been scorched by the burning elements of raging fever, and who have been brought, as it were, within a step of the silent grave, now stand ready to testify that they would have been numbered with the dead, had it not been for this great and wonderful medicine, Morse's Indian Root Pills. After one or two doses had been taken, they were astonished, and absolutely surprised, in witnessing their charming effects. Not only do they give immediate ease and strength, and take away all sickness, pain and anguish, but they at once go to work at the foundation of the disease, which is the blood. Therefore, it will be shown, especially by those who use these Pills, that they will so cleanse and purify, that disease—that deadly enemy—will take its flight, and the flush of youth and beauty will again be seen, and the prospect of a long and happy life will cherish and brighten your days. For sale at the Apothecaries' Hall, and at the Drug Stores of W. R. Watson and M. W. Skinner, and sold at all the stores throughout the Island. Persons wishing supplies of the above Medicines, can be furnished at Proprietors' prices at the Drug Store of July 6, 1857. W. R. WATSON, General Agent.

The Blessing of Health. HOLLOWAY'S PILLS.

WHY ARE DISEASES SO FATAL IN TROPICAL CLIMATES? Merely because we prescribe for their effect, instead of their cause and try to relieve symptom instead of striking at their root. The action of these Pills is precisely the reverse. They expel from the secretive organs and the circulation the morbid matter which produces inflammation, pain, fever, debility and physical decay; and the basis of disease being removed, its manifestations vanish. While ordinary remedies only afford a temporary respite to the sufferer, whereas these Pills annihilate the disorder.

ILL HEALTH IN HOT COUNTRIES. Frequently arises from nervous disorders affecting the action of the heart and deranging the whole animal economy; these fine Pills will restore the nervous system however deranged, and bring back health and spirits when all other medicine failed.

DROPSICAL SWELLINGS AND TURN OF LIFE. This is a most distressing period in woman's history, it destroys thousands, the whole of the gross humours collect together, and like a tide sweep away health and life itself, if not timely and powerfully checked. The most certain remedies for all these dangerous symptoms is Holloway's Pills. Armed with this great antidote, the fiery ordeal is passed through, and the sufferer is once more restored to the possession of unimpaird health. These Pills are equally efficacious in all female complaints, and obstructions at the dawn of womanhood.

STOMACH AND LIVER COMPLAINTS. These are the complaints of the million, particularly those in warm countries; few escape them; and if neglected, they lead to innumerable dangerous maladies. But why neglect them when Holloway's Pills will eradicate them, as certainly as water extinguishes fire? They relieve the Bowels, purify the fluids, and invigorate the system and the constitution at the same time. They are admitted by virtue of special decrees into the dominions of despotism, and thus have become the great household remedy.

DYSENTERY AND BOWEL COMPLAINTS. These famous Pills should be taken once or twice a week by all classes in this part of the world, by which means, none need fear the attacks of these direful scourges.

A WORD TO FEMALES. The local debility and irregularities which are the special annoyance of the weaker sex; and which, when neglected, always shortens life, are relieved for the time being and prevented for the time to come, by a course of this mild but thorough alterative.

Holloway's Pills are the best remedy known in the world for the following diseases:— Ague Dysentery Liver complaints, tums Asthma Erysipelas Lumbago Tic-Doloureux Bilious complaints Female Irregularities Piles Tumours Itches on Skin rities Rheumatism Ulcers Bow's complaints Fevers, all kinds Retention of Urine Venereal Affections Cancers Fits Scrofula, or King's Evil Weakness, from Dropsy Gout Head-ache Sore Throats whatever cause &c., &c. By using Mrs. M. N. Gardner's Indian Balsam of Liverwort and Hoarhound.

THIS Balsam is composed of Liverwort and Hoarhound, combined with about twenty other different Herbs, and entirely a vegetable compound. It is compounded in a truly scientific manner and according strictly with rules of Pharmacy, retaining all the medicinal qualities of each article in its original strength, and being concentrated in the form of a Balsam that is agreeable to the taste and wonderfully quick and efficacious in its action on the Lungs and Bronchial Tubes, it exceeds anything in medical science that has ever been offered. And for the cure of COUGHS, COLDS, WHOOPING COUGH, CROUP, ASTHMA, INFLUENZA, SPITTING OF BLOOD, BRONCHIAL COMPLAINTS, AND ALL DISEASES OF THE THROAT AND AFFECTIONS OF THE LUNGS, and those dreadful and appalling enemies to our race and country, CONSUMPTION AND LIVER COMPLAINT. It is unrivaled, and when it has once been sold it has gained a reputation for itself, without the aid of lengthy advertisements, and it now has the confidence, and is recommended by many high-minded men, and some of our first physicians; and we particularly ask the attention of this class of the community who are afflicted with any complaints of the Throat, Chest or Lungs to this article, and to PUBLIC SPEAKERS who are troubled with Bronchitis or any Bronchial affections caused by over exertion, we can say with all confidence, use MRS. GARDNER'S INDIAN BALSAM OF LIVERWORT AND HOARHOUND.

It is an excellent remedy for BOWEL COMPLAINTS, although we do not claim for it such high encomiums as some others claim for their preparations, particularly adapted to diseases of this nature. We have many valuable certificates in our possession in favor of this medicine, from men of high standing and whose popularity extends throughout America. We have liberty to use the names of a few persons well known in our community, who have been cured or otherwise benefited by the use of this Balsam. Messrs WEEKS & POTTER, 154 Washington Street, Boston, are Proprietors, and for sale by all Druggists. Be sure and ask for Mrs. M. N. Gardner's Indian Balsam of Liverwort and Hoarhound, and take no other, for there are numbers of spurious articles in the market. The genuine has a blue wrapper and red label round each bottle. Oct. 19.
