

NAVIGATION AID COVERS EASTERN SEABOARD

Within the wide area indicated above fishermen and other navigators will be able to pinpoint their position in any kind of weather with astonishing accuracy. Computing Devices of Canada

Limited have established a series of Bendix-Decca Navigator chains which provide position information for ships, aircraft, vehicles and survey operations. Each chain consists of a "Master" and three "Slave" stations. The low frequency radio signal from each slave station gives a position line. Two signals give a position and the third is a further check.

Charts are supplied overprinted with series of position lines in three colours, one for each slave station, and it is claimed that near a transmitter its accuracy can be trusted within a few

yards and that it is good to within two cables out to about 275 miles. The signals are received and read from three dials. An automatic plotter is optional.

Italians Told Canada Good Bet

MONTREAL (CP)—Canada's a good bet for Italians "who feel it necessary to emigrate" Carmine de Martino, Italian under-secretary of state for foreign affairs, said Friday. There are problems of adjustment involved — food, language and climate among others — but many newcomers had Canadian relatives and friends and they felt at home after a time. Mr. de Martino was interviewed near the close of an official visit which has taken him to Ottawa, Toronto, Hamilton and Montreal. He arrived Sunday and leaves for Italy via New York today. About 18,000 Italians have come to Canada, many from the south and east areas of Italy, since the Second World War, Mr. de Martino said.

A. Ramsay Has A Scholarship

On Friday evening a large number of Institute members from the eight surrounding districts, gathered at the home of Mr. and Mrs. William A. Ramsay, Hamilton, to offer congratulations and present the Institute scholarship to Miss Anne Ramsay who has attained the highest marks in the Entrance exams in this area. The Institutes included in the Scholarship fund are, Clermont, Indian River, Hamilton, Baltic, Malpeque, Darnley, Sea View and Spring Valley. After all had assembled Mrs. James A. Ramsay called the gathering to order and after extending congratulations to Anne, Miss Mary Hunter, made the presentation. Miss Hunter has been Anne's teacher for the past two years. Remarks were also heard from Mrs. Neil Simpson and Mr. Eric Grant. Anne expressed her sincere thank and all joined in singing "For She's a Jolly Good Fellow". Vocal solos were rendered by Mr. Grant and Mrs. Wesley Crozier of Stoney Creek, Ontario, gave a very interesting talk on the founding of Women's Institutes which originated in Stoney Creek in 1897. A sing song was much enjoyed by all. Ice cream and cake were served by the hostess, assisted by members of Hamilton Women's Institute.

Flower Show Holds Interest

The Provincial Flower Show to be held in Summerside Baptist Hall on Thursday and Friday of this week is the 6th annual flower show sponsored by the Abwegweit Chapter of the I. O. D. E. This has undoubtedly been a disappointing summer season for gardening enthusiasts; nevertheless, the committee anticipates that this year's show will live up to the high standard set in the past and that there will be a profusion of beautiful blooms to delight the eye. There will be 120 classes open to the exhibitors, covering everything from the ever popular gladioli and dahlias to cactus and the children's corner. There will also be the novice section which beginners found most encouraging last year. A new system will be introduced for the benefit of the exhibitors. That is, instead of the usual single entry desk, there will be (in addition to the main registration desk) separate tables to handle the entry data and placing of the following section, A. (gladioli); B. dahlias, C. various, D. decorations and one table to handle sections E. (potted plants), F. (children's section) and G. roses. It is the belief of the Provincial Flower Show committee that this will greatly facilitate the handling of exhibits and, as each exhibitor will be assigned one number only at the main registration desk, there will be no delay in tallying total points at the close of the judging. OFFICIAL OPENING At 3 p.m. on Thursday, August 29th, His Worship Mayor Currie will welcome the public and then introduce the Hon. E. P. Foley who will officially open the show. For Thursday evening's entertainment a committee has been fortunate in obtaining Miss Norma MacLeod, tap dancer, Misses Coleen MacNeill and Sharen Lee Richard, cake walk, and a male quartet. The Maurice Mill silver rose bowl trophy for the greatest number of points in the show will again be the object of keen competition among the exhibitors. In addition, the R.T. Holman silver tray for the best individual table decoration will provide an incentive for many artistic Islanders. RIBBONS There will be a further change in the usual procedure, in that this year colourful ribbons will be awarded for 1st, 2nd and 3rd

places. There will also be cash prizes totalling approximately \$300, many of which will be possible by the generosity of public spirited citizens. As in the past, there will be many beautiful flowers for sale on the closing day. It has been decided to keep the show open until 9 p.m. on Friday evening for the benefit of those from out of town, and the sale of flowers still commence immediately following the closing.

Steel Outlook Continues Sound

CELVELAND (AP)—Steel consumption still is exceeding production and some producers are advising their customers to place orders now for cold-rolled, hot-rolled and silicon sheets to insure orderly delivery in the fourth quarter, Steel Magazine reports today. Output last week rose 1.5 points to 82 per cent of rated capacity, the highest point since the end of June. The yield was 2,099,000 net tons. The metalworking weekly says that to produce as much steel as was consumed in July would require a steel ingot rate of 89 per cent of capacity. Steel production averaged 78.5 per cent last month and consumers still are drawing substantially on their inventories. Only a small amount of steel is on order for early delivery in the manufacture of 1958 model automobiles, but a pickup in orders is expected from the automotive industry. An increase in orders

also is expected from the appliance industry. Scrap prices are running counter to the possibility of an upturn in steel production. Steel's price composite on steelmaking scrap declined 33 cents to \$33.50 a gross ton last week. The composite on base prices of finished steel remains at \$146.19 a net ton where it has been since the week ended July 17.

ATOMIC POWER

Britain, where the Calder Hall atomic power plant was opened in 1956, plans 19 such stations by 1965 to supply electricity.

BUSINESS SPOTLIGHT

Young Or Mature Executive Can Benefit From Banff

By FORBES RHUDE
Canadian Press Business Editor
The fall and winter courses of the Banff school of advanced management, jointly sponsored by the Universities of Alberta, British Columbia, Manitoba and Saskatchewan, will be held at Banff, Alta., Nov. 4 to Dec. 14 and Feb. 3 to March 15. The course, in the words of a brochure from the school, "is designed for young or mature executives mainly at the middle management level and up. They should all be individuals who are being groomed for executive positions of more responsibility. The age range should be between 28 and 50." The program of studies will include: The Canadian Economic Scene; Government and Business; Communication; Objectives of Industry; Administrative Action; Market in g. Management; Production Management; Financing Enterprise; Financing and Accounting Controls; and Industrial and Public Relations. The school's first sessions were held in 1952. The Canadian Gas Association will hold a "workshop conference" in Edmonton Oct. 24-25. Topics for discussion will be sales, promotion and public relations. The annual national foreign trade council, sponsored by the National Foreign Trade Council Inc. of the United States, will be held in New York Nov. 18-20. Theme of the conference will be "international trade and investment open boundless eco-

mic frontiers." An advance notice of the meeting comments: "The world now is well embarked upon an era of rapid technological progress. The lives of hundreds of millions of people at home and abroad are being materially revolutionized and improved, and, thanks to brilliant technological advances, a richer life now is attainable. "World economic activity is greatly stimulated and nourished by international trade and investment. The future poses a direct challenge to United States foreign trade and investment to play an ever more important role in overcoming whatever stands in the way of expanding world productivity and commerce." About 2,500 delegates are expected to attend. The Japanese exhibit at this year's Canadian National Exhibition at Toronto will tend towards durable goods, with less emphasis on textiles. A major part of the exhibit will be put on by the Tokyo Metropolitan Trade Mission, which has already put on displays in Edmonton and Winnipeg. The Japan Trade Centre, Toronto, co-sponsors of the exhibit, will add items from other parts of Japan. The Tokyo display will include high-speed cameras, motor scooters, bicycles, chinaware, pearls, toys, sporting goods, office supplies, portable radios and hundreds of other items. The seven-man mission is headed by Jajami Takagi, executive director of the Japan Chamber of Commerce and Industry.

Flower Show Week Is Here

Some 120 classes of flowers will form a panoramic vista of color at the Provincial Flower Show, Summerside, next Thursday and Friday, August 29th and 30th. The two day show is sponsored annually by the Abwegweit Chapter of the I.O.D.E. and is being held in the Baptist Church Hall, with Mrs. Leslie Simmons and Mrs. Harry Horton as co-conveners. Cash prizes of some \$300 will be awarded in addition to the various trophies, and ribbons will be awarded to the top three entries in each class. Entries may be made at the show between 8.30 and 11 a.m. and exhibitors must arrange their own entries. A number of containers will be provided by the committee in charge but vases and baskets where required will be supplied by the exhibitors. A fifty cent entry fee is required from each exhibitor who is also limited to one entry in each class. The doors will be open to the general public at 2.30 p.m. on Thursday afternoon and the official opening ceremony will commence at 3 p.m. On Thursday evening an entertainment program will be presented and prizes will be awarded to the winners. At the conclusion of the show at 9 p.m. on Friday evening a sale of flowers will be made when the public will have the opportunity to purchase many of the prize winning entries. Included in the various classes of flowers will be: gladioli, dahlias, cactus, pompons, anthurium, asters, begonias, cosmos, larkspur, marigolds, petunias, nasturtiums, sweet peas, zinnias, mixed flowers, ferns, roses and many other varieties.

MISCOUCHE

Mrs. Charles DeCoste recently left for Montreal, where she will spend some time visiting with relatives and friends. Mr. and Mrs. Albert Gallant and son Ivan of Murdochville, Quebec, were recent visitors to Summerside and Miscouche. Iris Gallant arrived at her home at Miscouche on Friday, August

16th, after having spent the past week in Halifax attending a summer school of Catholic Action. Millie DeCoste of Miscouche is spending some time in Charlottetown visiting with friends. Gallant, Miscouche. Miss Nan Simpson of Ontario, was a recent visitor to Miscouche the guest of Charlie Veno. B.V. Gallant, Miscouche.

SLUMBER CHARM

T'was late at night, O! where was sleep? Thoughts jumbled round and round. Hark! high and clear, then throaty deep A-waiting came that sound. Swamp voices chorused, sleep, for naught. Relax! give us a chance We're mother nature's sleeping draught. Imbibe and be entranced.

FIND MASS GRAVE

PRAGUE (Reuters) — Czech geologists have uncovered the mass grave of primeval mastodons killed by gaseous poisoning during a volcanic eruption 1,000,000 years ago. The mastodons, giant elephant-like mammals were found near the site of a former lake near Filakov, in Slovakia.

KENSINGTON

Miss Mary Hunter, Cape Traverse, spent the weekend at her home in Baltic. The Hamilton school has opened with Mr. Donald Adams of Sea View, as teacher and Baltic has opened with Mrs. Bruce Crozier teaching. Her many friends will be pleased to learn Mrs. Wm. J. Harrington is steadily improving from her recent illness. She is a patient in Prince County Hospital, Summerside. Mr. and Mrs. Wesley Crozier, accompanied by their three daughters, Karen, Gwen and Norma of Stoney Creek, Ontario, are visiting Mr. Crozier's parents, Mr. and Mrs. George Crozier, Hamilton.

ALBERTON

Mr. and Mrs. George Reddin and friends of Stamford, Conn., have been occupying the Hardy cottage at Brooklyns while visiting their cousin, Mr. and Mrs. Underhill Coughlin and other relatives. Mr. and Mrs. William Mallett of Cambridge, Mass., are spending some time at their former home in Alberton South. Mr. Lorne Leard, Alberton, left recently for employment in southern Ontario. Mr. and Mrs. Roy Leard and family, Alberton, motored to Moncton on Sunday, where they were guests of Mr. and Mrs. Edwin Edmunds. Mr. and Mrs. Earle Atkinson, Faye and Paul, Alberton are vacationing on Cape Breton Island and other points of interest in the Maritimes. Miss Ada Williams, Alberton, was a weekend guest of Miss Helen Wallace, Cuscumpee. Mr. G.M. Donald, Alberton, was called to Moncton last week owing to the illness of his brother, Dr. Stanley Donald. At Kensington, the guest of her sister, Mrs. Willard Riley, and at New London, guest of her brother, Mr. Don MacEwen and Mrs. MacEwen. Rev. W. Eric Ingraham, Mrs. Ingraham and daughter, Myrtle Jane are vacationing at Fredericton, N.B., guests of Dr. and Mrs. Robert Murphy. Rev. H.M. Buntain, Mrs. Buntain and Mrs. Elizabeth Buntain, Pictou, N.S., are house guests of Mr. and Mrs. George MacKay, New London, and visiting other relatives and friends here. Bur.

Hold Funeral At Alberton

The funeral of Mrs. Frank Kinch of Alma was held Thursday morning from her home to the Sacred Heart Church, at Alberton. Requiem High Mass was celebrated by Rev. Nazaire Gallant of Palmer Road. Seated in the sanctuary were Rev. M.J. Rooney of Tintimish and Rev. Arthur Brown of Brookline Mass. Raymond Aherna was soloist. Pall bearers were Messrs. Earl Kinch, Joseph Kinch, Everett Kelly, Herman Kennedy, Shirley Brown and Adam McGee. Interment was in the church cemetery.
