RED CROSS JUNIORS AID GREEKS

Ronnie Downe and David Clay of Prince Street School, Charlottetown, are seen helping to ship 14 Greek school chests which have been contributed by Junior Red Cross members throughout the Island. Each chest is valued at about $100 and with this shipment, 19 of the province's quota of 30 chests have gone forward. Indications are that the remaining 11 will be completed and ready to ship in the very near future. Ronnie and David did a great deal of sorting, packing and weighing of the chests that left P.E.I. yesterday on their way to the Greek Red Cross in Athens.

Island Man To Locate Food Plant In Springhill

HALIFAX (CP) — A $250,000 food-processing plant will be built in Springhill, N.S., by the Springhill Development Corporation Limited, for C.M. McLean Ltd., of Charlottetown.

The plant, expected to employ 30 to 50 people, and possibly 200 at peak work periods, is to be ready for production this summer.

The announcement was made jointly by general manager Robert Manuge of Industrial Estates and C.M. (Cam) McLean, president of the firm bearing his name.

Springhill's new plant, to be built on a five - acre site within the limits of the economically depressed Northern Nova Scotia town, is to process small fruits, blueberries, strawberries, apples and imported fruits. The finished products will include jams and pie fillings.

The McLean plant will be the 23rd established with Industrial Estates help since the crown company was formed four years ago.

The town's chief industry was lost when coal mines closed following an underground upheaval in 1958 that claimed 75 lives.

Capt. Carl F. Burke and Capt. Herbert S. (Junior) Jones have expanded their motel business into Florida, it was learned here yesterday.

The partnership which operates three motels in the Maritimes, has purchased the Sharlo Manor at Clearwater, Florida, a 36 unit motel that fronts on the Gulf of Mexico. Their Maritime units are located at Charlottetown, Moncton and Fredericton.

Adjacent land was also purchased, and Mr. Burke and Mr. Jones have announced plans for expansion of the motel and the bayside docking facilities.

Purchase price was not announced.

The former owners, H.H. Baskin and the estate of B.G. Brumpy, will continue to operate the motel until new management is appointed.

Sharlo Manor, a white structure of colonial design, was built in 1958.

Title Match Is Insured

LAS VEGAS, Nev. (AP) — Promoters of the once - postponed Joe Brown - Carlos Ortiz lightweight title fight said Thursday they have bought a $45,000 policy to insure that the champion goes through with it.

Challenger Ortiz, 25, of New York, will get $15,000 of it if the match set for April 21 at the Convention Centre is called off because of illness or injury to Brown.

The rest will go to the promoters' Silver State Sports Club.

The fight scheduled for Feb. 24 was postponed when the 33-year-old Brown, of Houston, Tex., was bedded with tonsilitis.

Matchmaker Mel Greb, hit hard financially by the delay, said he did nott ake out a policy on Ortiz because, "challengers never get sick."

Borden CYO Hears Talk On Kenya

BORDEN — The situation in Africa, especially that in Kenya, was the subject of a talk by Gerald Wanjohi of Kenya which highlighted the recent regular meeting of Borden CYO.

Mr. Wanjohi is a science student at St. Dunstan's University, from where he will continue his studies at another university in the field of medicine.

The people of Kenya yearn for independence, the speaker said, and hope to achieve it in the near future. He stressed the fact that the importance of the European settlers was understood by the people of his country, as is the necessity of foreign capital.

He said that Canada understands the plight of struggling young nations, and she plays a role in international affairs out of proportion to her population.

In explaining the origin of the name of his country, the speaker said the name comes from a mountain, "Kenya," meaning 'ice covered mountain'. This is not surprising, he said, as the whole country is several thousand fact above sea level, and thus has a very comfortable climate, although it is situated right on the equator in East Central Africa.

New Ferry Said Ready In 3 Weeks

The new MV Confederation, designed for the CNR run from Borden to Tormentine may be expected to arrive in the province in approximately three weeks, E. S. Kehoe, manager of marine services, whom constructed the ship, told The Guardian-Patriot yesterday.

All recent sea trials were entirely successful, he said, and the ship is now undergoing those minor adjustments following trials. He pointed out that the new ferry must undergo Canadian steamship inspection as well as meet Lloyd's insurance standards.

Mr. Kehoe stated minor changes were being made on the baffle doors on the car deck to assure them being watertight in rough weather. When this is completed, along with a general cleaning up before delivery, the ferry will take to the sea en route to Prince Edward Island.

Enthusiastic about the ship, Mr. Kehoe believes she will make faster crossings than the Abegweit.

More than 400 factories employing almost 30,000 people in Canada manufacture paper products.
