On the voter entering the polling place the presiding officer asks him his name, occupation, residence, etc., and his answers are entered by the clerk. If no objection is offered, the voter is given a ballot of which the above is a fac-simile, except that the cross will not be on it. The presiding officer has previously initialed the ballot and numbered the counterfoil attached, the voter is then directed to enter a compartment provided, where he will find a pencil. If he desires to vote for the Liberal-Conservative candidates he will make a cross X to the right of the name as we have marked above. After marking it he will fold it up and return it to the presiding officer, who will look at the counterfoil to identify the ballot by it. After tearing off the counterfoil and destroying it, the presiding officer puts the ballot paper in the box. Should the voter be unable to read, he must take an oath to that effect. Then he will be accompanied by the presiding officer to the compartment, and in the presence of the candidates' representatives (who are sworn to secrecy) the officer makes the cross alongside the names of the candidates for whom the elector desires to vote.

THE MAN WHO CALLED THE HIGHLANDERS BORN THIEVES WILL GET HIS DESERTS ON THE SEVENTEENTH.

THE Ministerial policy is as follows:—
"TORONTO, Aug. 15, 1872.
"Hon. John Simpson, President Ontario Bank.
"MY DEAR SIR,—The fight goes bravely on. We have expended our strength in aiding outlying counties and helping our city candidates. But a big push has to be made on Saturday and Monday for the East and West divisions. We, therefore, make our GRAND STAND on Saturday. There are but a half-dozen people that can COME DOWN HAND-SOMELY, and we have done all we possibly can do, and we have to ask a few outsiders to help us. WILL YOU BE ONE? I have been urged to write you, and comply accordingly. Things look well all over the Province. Things look bright in Quebec!
"Faithfully yours,
"GEORGE BROWN."

The Liberal-Conservative Platform

"That this House is of opinion that the welfare of Canada requires the adoption of a National Policy, which, by a judicious re-adjustment of the tariff, will benefit and foster the Agricultural, the Mining, the Manufacturing and other interests of the Dominion; that such a policy will retain in Canada thousands of our fellow-countrymen now obliged to expatriate themselves in search of the employment denied them at home; will restore prosperity to our struggling industries, now so sadly depressed; will prevent Canada from being made a sacrifice market; will encourage and develop an active inter-provincial trade, and moving (as it ought to do) in the direction of a reciprocity of tariffs with our neighbors, so far as the varied interests of Canada may demand, will greatly tend to procure for this country, eventually, a reciprocity of trade."

MR. TILLEY SAYS:

"THE POLICY OF THE OPPOSITION IS NOT INCREASED TAXATION, AS IT HAS BEEN STATED BY OUR OPPONENTS, BUT A READJUSTMENT OF THE TARIFF AND REDUCED EXPENDITURES."

DR. TUPPER SAYS:

"WE DO NOT REQUIRE SO MUCH MONEY AS THE HON. GENTLEMEN OPPOSITE, AS WE HAVE SHOWN BY OUR ECONOMY IN THE PAST, AND WHICH WE ARE PREPARED TO PRACTICE IN THE FUTURE, BUT THAT THE MONEY SHALL BE LEVIED IN SUCH A WAY AS TO FURNISH EMPLOYMENT FOR THE PEOPLE AND PROVIDE THE MEANS OF PAYING THE TAXATION THAT IS LEVIED UPON THEM."

MR. MACKENZIE SAYS:

"We have no idea of having a system of Free Trade." "The policy of the Government is determined opposition to the Opposition." "It is absolutely impossible to carry out a Free Trade Policy."

SIR A. T. GALT SAYS:

"Perfect Free Trade would annihilate many valuable branches of industry, and necessarily cause the immediate substitution of direct taxes in lieu of Customs duties, to an extent that, in my opinion, would be unbearable."

MEN OF QUEEN'S, IF YOU WANT RECIPROCITY—VOTE FOR POPE AND BRECKEN.

IF YOU WANT THE BEST MEN IN VOTE FOR POPE AND BRECKEN.

IF YOU WANT LOWER TAXES MORE ASSISTANCE TO INDUSTRY, AND MORE TRADE, VOTE FOR POPE AND BRECKEN.

IN THE ABSTRACT, SIR JOHN MACDONALD IS AS MUCH A FREE TRADER AS I AM.—Hon. Alexander McKenzie.

The Man Who Votes!

THE man who votes for Sinclair and McGill votes for a system of organized hypocrisy.

The man who votes for Sinclair and McGill endorses the gross corruption connected with the purchase of the Neebing Hotel.

The man who votes for Sinclair and McGill is willing that this Island shall have no representation in the Dominion Cabinet; that Ontario, Quebec, Nova Scotia and Quebec shall have a voice in the Government of the country, but that this Province shall have none; that our members are to be mere units, useful only on a division when the Government is in danger, but utterly helpless when the interests of the Island are at stake!

The man who votes for Sinclair and McGill endorses the infamous Steel Rails Scandal. A great part of these rails purchased in a falling market at a time when the price of rails was rapidly declining—at a time when they were not needed, and would not be needed for years to come. They are lying in heaps—going to rust—and will be utterly worthless when required to be used. They were purchased by Mr. McKenzie from a firm of which his own brother was a partner, and for no other reason than to put money in his brother's pocket. Mr. McKenzie says that he is only guilty of an error of judgment. What an excuse for a statesman to make! In order to escape the charge of corruption, he is compelled to acknowledge his own utter incapacity!!!

An Astonishing Fact.

A large proportion of the American people are to-day dying from the effects of Dyspepsia or disordered liver. The result of these diseases upon the masses of intelligent and valuable people is most alarming, making life actually a burden instead of a pleasant existence of enjoyment and usefulness as it ought to be. There is no good reason for this, if you will only throw aside prejudice and skepticism, take the advice of druggists and your friends, and try one bottle of Green's August Flower. Your speedy relief is certain. Millions of bottles of this medicine have been given away to try its virtues, with satisfactory results in every case. You can buy a sample bottle for 19 cents to try. Three doses will relieve the worst case. Positively sold by all druggists on the Western Continent.
