

# Emyvale-Born Doctor Dies In New Jersey

Word was received late Monday night of the death of Doctor William J. McGinn of Scotch Plains, New Jersey. A former island man, Doctor McGinn was born in Emyvale, Lot 65, Prince Edward Island in 1884. He lived on the island for about 25 years and was a student of Prince of Wales and Saint Dunstan's University. His first profession was teaching on his native island. He was a member of the North West Mounted Police for some

years and also a member in the Canadian Army during World War I.

It was during World War I that he decided to become a medical doctor. He was graduated from McGill University in Montreal in 1924. He started his practice in New Jersey in 1927 when Scotch Plains and Fanwood were without a physician to serve their combined population of about 5,500.

For more than three decades, Doctor McGinn has been school physician and had served as town physician for 37 years. He also served many years as a member of the Board of Health. On May 14, 1965, it was announced by the Scotch Plains-Fanwood Board of Education that they would honor Doctor McGinn by naming a new 19-classroom school the "William J. McGinn School." His name was selected because of his service to society in so many extraordinary ways for so many years.

He was a staff physician at King's Park state Hospital in Long Island, an intern in Mercer Hospital in Trenton, and a general practitioner in Trenton before going to Scotch Plains in response to an appeal for a doctor.

Doctor McGinn leaves to mourn him: his wife the former Bertha M. Beaumont; a daughter, Sister Mary Polycarp; two sons, James and William, Jr., and six grandchildren. He has two brothers: Ben, in Boston, Mass.; and Dan, in Charlotte-town. Also, two sisters: Mary (Mrs. James Clarkin) and Catherine (Mrs. Aeneas Clarkin) both living in Charlottetown.

Doctor McGinn will be buried in Scotch Plains, on Thursday, March 17, at 10:00 a.m. Requiem High Mass will be celebrated in the Church of St. Bartholomew, the Apostle, where he was a member for many years.

Also present at the meeting were prospective members Don Shears and Max Jewett. Bill Brown, past president of the Charlottetown Club who is presently campaigning for the office of District Governor of 41N1, also attended the meeting. The election for this office is to be held in Portland, Maine on June 5, 6 and 7.

## Parkdale Lions Stage Meeting

Seven members from the Charlottetown Lions Club were guests at the semi-monthly regular dinner meeting of the Parkdale Lions Club recently at the Charlottetown Hotel. Guest speaker for the evening was Donald Steves of the Moncton Club and district governor of 41N1.

Mr. Steves spoke on the work of the 37 different clubs in the district. He made special mention of the Albany, P.E.I. club for the work it is doing for the community. He added that a new club will be sponsored in April bringing the number of clubs in the district to 38.

The guests from the Charlottetown Club included King Lion Blake Wood. The purpose of the visit was to retrieve their goods which they had lost to the Parkdale Club at their first meeting in March.

Routine business was discussed at the meeting. A major discussion of the coming Red Cross blood donor clinic and light bulb blitz was staged. Both events are scheduled to take place sometime in April. Two teams were organized for visitations to Kensington, Wednesday and Albany on Tuesday.

## Alice Porter Visits Souris

SOURIS — Alice Porter, a disciple at Christ Missionary, who serves with the United Christian Missionary in India concluded a visit to various Prince Edward Island churches by spending the past weekend at the South Lake Christian Church.

On Friday night, Miss Porter met with the Christian Women's Fellowship. On Saturday night she was the guest speaker at a youth rally and on Sunday she addressed the church school and spoke at the morning service. Sunday night she interpreted her work to a large congregation at the East Point United Baptist Church.

Miss Porter an ordained minister and a nurse is primarily responsible for nursing education at the Jackman Memorial Hospital School in Bilaspur, India where she supervises the training of native Indian students.

A native of Ontario, she teaches both English and Hindu, the language of the region in which she serves.

As a special project, Christian Churches in Canada have undertaken the building of a much needed addition to the hospital and nursing school in Bilaspur where Miss Porter works. She will be returning to India in June.

## Two Delegates Will Attend

Prince Edward Island will send delegates to two forthcoming civil defence courses at the Canada Emergency Measures College at Arnprior, Ontario.

Attending a welfare services course, on registration and inquiry, which begins March 28 will be Mrs. Isabelle Dennis O'Leary; Mrs. Margaret Herring, Murray Harbor; Gordon Rogers, Summerside; Donald Ross, Charlottetown; and Mrs. Frank Ross, Parkdale.

Beginning April 4, a conference to acquaint Canadian mayors and their representatives with the responsibilities of municipal government under emergency conditions, will be held at the college.

Island representatives include Major Orin Simons, provincial co-ordinator of civil defence; Charlottetown councillor John Morris, Summerside councillor Herbert Schurman and Souris deputy mayor Clarence MacDon-ald.
